One Wonderful Curve Jenny Pedigo, Helen Robinson, 2015-10-01 From the Sew Kind of Wonderful sisters who brought you Contemporary Curved Quilts, Jenny Pedigo and Helen Robinson are joined by another sister, Sherilyn Mortensen, to bring quilters another gorgeous curved collection. In One Wonderful Curve, they're using their handy Quick Curve Ruler® to make a one-sized, one-curved block from simple pieced shapes. This easy yet unique block is the basis for each of the 12 amazing quilts, complete with step-by-step instructions and full-color photography, diagrams, and pattern illustrations. Also included is an introductory chapter on how cut, piece, and square the curves, as well as black and white alternative quilting suggestions for each design to keep going, making this book easy enough for an experienced beginner and challenging enough for an advanced quilter. The Quick Curve Ruler® is sold separately.

Creating Online Tutorials Hannah Gascho Rempel, Maribeth Slebodnik, 2024-02-14 Today's students rely heavily on electronic resources; they expect to be able to access library resources from any location and at any time of the day. Online education is ubiquitous from K-12 through graduate level coursework and is increasingly used in on-the-job training. Libraries must be prepared to guide learners to use library resources when and where they are needed. Thoughtfully designed online tutorials can be the library's answer to providing this point-of-need instruction that learners have come to expect. When librarians don't have the technical expertise needed to create online tutorials, Creating Online Tutorials: A Practical Guide for Librarians, Second Edition will help guide them through the basics of designing and producing an online tutorial. Using practical examples, the book leads librarians through the process of creating an online tutorial from start to

finish and provides tips and strategies that will be useful to librarians with more experience in designing online tutorials. This detailed roadmap for designing and producing online tutorials covers: Is a tutorial the right solution? Assessing diverse user needs Choosing the right technology Selecting and organizing instructional content Planning tutorial design elements Integrating assessment into tutorial design Maintaining and updating tutorials Finding online tutorial resources After reading this book, new tutorial developers will have a practical, adaptable blueprint that enables them to confidently address the creation of their first online tutorials, and experienced developers will learn efficient techniques to create and enhance future tutorials that are attractive, effective teaching tools.

The Complete Guitar Manual ,2011

From Reads to Leads Kateryna Abrosymova,2021-05-15 Content has a clear role in the marketing process. It must aid the customer journey by moving readers from one stage of awareness to the next until they become leads. In other words, content develops leads. If your content is going to fulfill its duty—to turn readers into leads—people need to actually read it. So how can you write content that people will read? From Reads To Leads teaches 11 principles that define how a content writer writes every draft. Applying these principles to your writing will help you grab the right person’s attention, get your message across, and move your reader down the marketing funnel. The book comes with 40 writing exercises to each chapter to help you learn and practice several writing rules that will help you focus on writing content that makes readers act instead of writing content that sits on a server and gathers dust. You'll discover: How to understand what your readers need and how to write content that appeals to them How to get the desired response from your readers and move them down the marketing funnel How to figure out and communicate your key message and how to use it to take readers to the next stage of their journey How to creatively turn your content into a story with a three-act structure How to write an outline that focuses your writing and kills your procrastination What makes writing clear and simple How to express your brand’s personality and make your writing recognizable What makes content readable, and how to get your readers to stay with you till the end The writer’s role in the content writing process, and how you should approach content collaborations How you should react when your work is ripped to shreds From Reads to Leads is a true roadmap to succeeding with content for copywriters, content writers, marketing managers, and entrepreneurs curious why they're not making as many leads with their content as they

know they should. Website: <https://www.readstoleads.com/>
