Deliberately Simple Life Quotes Dr. Stephen Zemanek, 2013-06-19 Life can become complex and challenging for all of us. If we are not consciously working towards expanding our thinking we will slide into a tiny life with few options. One of the best ways we can expand our view on life is by considering the thoughts of others. At times the thoughts of others will be proven wrong. At times the thoughts of others will prove themselves to be exceedingly insightful. Regardless of the conclusion we reach about another's view our lives become bigger simply by the act of considering them. Thoughts, ideas, concepts, and humor develop us into the person we are becoming. A world without keen or witty thoughts is drab and empty. This book is designed to take you through each day of the year with a new thought to consider. Some of these thoughts you will love and others you will disagree with. However, as you read through this book you will discover new ideas to consider each day.

Naked Tarot Janet Boyer, 2018-09-28 Spiritual adventurers are burning for truth, hungry for ways to affect and improve their destiny. Tarot can deliver, but most books offer impractical, confusing, irrelevant and regurgitated card interpretations, causing seekers to throw up their hands to say "I just don't get it!" The good news? No Golden Dawn snooze-fest or Crowley catatonia in the book you're holding. With raw simplicity and outrageous honesty, author Janet Boyer presents helpful, hilarious and relevant advice that will forever change how you see the cards, and finally equip you to understand, and read, the Tarot. One Thousand Questions and Answers on Jewels of Knowledge and Trivia Asher Elkayam, 2015-04-23 The following are questions on important subjects intended to help people use their memory in order to retrieve information on subjects they know such as History, Geography, Religion, Science and more trivia and curiosity questions will also be included. This project will be divided into ten chapters with 100 questions for each chapter. The questions represent the first part of the book. The second part of the book includes the answers. Unlike in the Jeopardy Show, which is designed for a new champion, this project is for everyone. No one is required to gamble or play for money. No one is required to pull hair in order to find answers which may not always be so important or indispensable for everyone in real life. It is intended to entertain and to enrich knowledge. Some questions may pertain to one or more subjects or chapters. For example, questions on the Patriarch Abraham, could be found in the chapter on ancient history as well as in the chapter on the Bible. Questions on quotes may

pertain to ancient history and scriptures as well as in contemporary writers/scientists. The answers will be given at the end of the book, so people can use their memory and knowledge before they look for the answer. The author has consulted and researched dozens of books and hundreds of internet sources as written in his bibliography. Some of the answers may be found in books he had previously published, namely *The Bible*, *The Power of the Word* (and in between the lines); *The Quran and Biblical Origins*; *One Family, Four Cultures and Four Continents*; *Whose God is it Anyway?*; *Love and Romance in the Bible*. Those books can be viewed at the following sites: www.amazon.com, www.asherauthor.com, www.xlibris.com and www.lulu.com (click on authors name) The purpose of this work is to have people enjoy daily a few moments of fun. The Family That Never Was Jacque Lynn Singer,2011-02-16 This highly emotional novel follows six generations of one family from the eighteen hundreds to the present. The main thrust of the story revolves around Jacob and Esther, their unabashed love for one-another, and their total lack of love, care, and nurturing of four children whom they brought into the world. The four children, of whom I am the oldest, grow up fending for themselves or relying on me, their Cinderella without glass slippers. The novel chronicles life and death, passionate love, rape and incest, childbirth and abortion, open heart surgery and more, including some fun and fascinating experiences; as well as our innumerable attempts to bring our family

together. Along with being a novel abounding with emotion and incredulous happenstances, it hopes to disprove a long-standing adage that people live what they learn; as the four siblings around whom the novel is built have all risen above The Family That Never Was to being successful, loving and caring individuals with thriving families of their own.
