Badass Black Girl M.J. Fievre, 2020-01-14 Publishers Weekly Select Title for Young Readers – A Daily Dose of Inspiration for Badass Black Girls Explore the many facets of your identity through hundreds of big and small questions. MJ Fievre tackles topics such as family and friends, school and careers, body image, and stereotypes in this journal designed for teenage girls. By reflecting on these topics, readers confront the issues that can hold them back from living their lives. Embrace authenticity and celebrate who you are. Finding the courage to live as you are is not easy, so here's a journal designed to help readers nurture their creativity, self-motivation, and positive self-awareness. This journal celebrates girl power and honors the strength and spirit of black girls. Change the way you view the world. This journal provides words of encouragement that seek not just to inspire, but to ignite discussion and debate about the world. Girls, especially, are growing up in a world that tries to tell them how to look and act. MJ Fievre encourages readers to fight the flow and determine for themselves who they want to be. Reading *Badass Black Girl: Quotes, Questions, and Affirmations for Teens* will help you:

- Build and boost your self-esteem with powerful affirmations
- Learn more about yourself through intensive and insightful journaling
- Resist the mold that outside opinions have put into place, and become comfortable and confident in embracing your authentic self

Ebony ,2005-11 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

The Magic Key Ruth Enid Zambrana,Sylvia Hurtado,2015-10-15 Mexican Americans comprise the largest subgroup of Latina/os, and their path to education can be a difficult one. Yet just as this group is often marginalized, so are their stories, and relatively few studies have chronicled the educational trajectory of Mexican American men and women. In this

interdisciplinary collection, editors Zambrana and Hurtado have brought together research studies that reveal new ways to understand how and why members of this subgroup have succeeded and how the facilitators of success in higher education have changed or remained the same. The Magic Key's four sections explain the context of Mexican American higher education issues, provide conceptual understandings, explore contemporary college experiences, and offer implications for educational policy and future practices. Using historical and contemporary data as well as new conceptual apparatuses, the authors in this collection create a comparative, nuanced approach that brings Mexican Americans' lived experiences into the dominant discourse of social science and education. This diverse set of studies presents both quantitative and qualitative data by gender to examine trends of generations of Mexican American college students, provides information on perceptions of welcoming university climates, and proffers insights on emergent issues in the field of higher education for this population. Professors and students across disciplines will find this volume indispensable for its insights on the Mexican American educational experience, both past and present.

Intimate Connections Anna-Maria Walter, 2021-12-10 *Intimate Connections* dissects changing ideas, feelings, and practices around love, marriage, and respectability in the remote high mountains of northern Pakistan. It offers deep insights into the affective lives of local Shia women, gender practices, and young couples' mobile phone relationships in South Asia as well as in the wider Muslim world.

We Have a Commonalty and a Common Dream Isabel Schneider, 1998

Wide Sargasso Sea at 50 Elaine Savory, Erica L. Johnson, 2020-11-03 This book revisits Jean Rhys's ground-breaking 1966 novel to explore its cultural and artistic influence in the areas of not only literature and literary criticism, but fashion design,

visual art, and the theatre as well. Building on symposia that were held in London and New York in 2016 in honour of the novel's half-century, this collection demonstrates just how timely Rhys's insights into colonial history, sexual relations, and aesthetics continue to be. The chapters include an extensive interview with novelist Caryl Phillips, who in 2018 published a novel about Rhys's life, an account of how *Wide Sargasso Sea* can be read through the lens of the #MeToo Movement, a clothing line inspired by the novel, and new critical directions. As both a celebration and scholarly evaluation, the collection shows how enduring Rhys's novel is in its continuing literary influence and social commentary.
