**Music of the First World War** Don Tyler, 2016-03-21 This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? *Music of the First World War* explores the tremendous importance of music during the years of the Great War—when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.

*Early Broadway Sheet Music* Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

**A Walk from the Sea** Laurel Lorraine Lancer Ph.D., 2014-01-27 This is a collection of poems written by Dr. Lancer over many years. The topics are varied. There are chapters about nature, people, one on the golden years, one about fairy folk, and there are two chapters devoted to poems for children. These Dr. Lancer wrote when she was teaching poetry writing to the gifted and talented students and, later, students in grades 3 through 5 with interest in creative writing. There is one chapter devoted to copying the format and rhyming styles of famous poets. The rewrites are often of different topics than the original but more updated and often humorous. Dr. Lancer is also a painter and has included a painting with an accompanying poem to head each chapter.

**Top of the Mountain** Laurie Jacobson, 2022-08-01 On a sweltering Sunday evening in August 1965, 56,000 people traveled by plane, car, bus, ferry, and subway train to pack New York's Shea Stadium. They were there not for a ballgame, but a rock and roll concert—the audacious dream of promoter Sid Bernstein. No band had ever played a baseball stadium, and few believed it could be pulled off, but on that glorious night, The Beatles sold out Shea Stadium, shattering all existing box office and attendance records in show business history. Against a backdrop of mounting political and cultural tumult, *Top of the Mountain* delivers the details and excitement of Shea and the spirited, curious new generation who would soon claim the decade for its own. Packed with hundreds of color photographs, it gives a one-of-a-kind account of this monumental event, gathering first-person interviews and quotes from dozens of those who experienced a piece of pop-culture history—celebrities, writers, agents, producers, photographers, opening act performers, security guards, radio personalities,

cameramen, and fans of all kinds. Among them were young Caryn Johnson (Whoopi Goldberg), Mary Louise Streep (Meryl Streep), and Steven Lento (Steven Van Zandt); future Beatle wives Linda Eastman and Barbara Bach; established stars like Bobby Vinton and Ed Sullivan; and artists such as Mick Jagger, Keith Richards, Felix Cavaliere and The Rascals, Marvin Gaye, and more. Together, they paint an unforgettable picture of a night like no other.

But Andrew struggles with the pressures of his fame, and Kelly's hold on a so-called normal life is already tenuous.
