Service Catalog | Digital Learning Services Course Design Tools provides instructors with resources to develop pedagogically sound remote courses. This service includes the DLS Core Template, developed by Digital Learning Services using bCourses' built-in course construction and management tools. **News | Digital Learning Services** The DLS Core Template and the DLS DesignPlus Template both provide instructors a consistent structure for organizing their course site founded in best practices in online pedagogy and promote effective learning for all students by incorporating accessibility standards. **Engage Students Through Discussion | Digital Learning Services** Engage Students Through Discussion Learning requires a social component, and much of what is enjoyable about teaching and learning is wrapped up in the exchange of ideas. This is true for in-person and remote instruction. In an in-person class, methods for creating an environment for engaging students can seem more intuitive, but that doesn't mean it isn't possible to ...
