terminology - Why use BCE/CE instead of BC/AD? - English ... Why do people use the latter terminology? For one thing, I find it confusing. It doesn't help that BCE is similar to BC. But moreover, there is only one letter of difference between the two terms, whereas with BC and AD, the terms are clearly different and I find it easier to distinguish! Were BCE/CE established earlier than BC/AD? **etymology - Why is "number" abbreviated as "No."? - English ...** Apr 6, 2016 · The spelling of number is number, but the abbreviation is No (№). There is no letter o in number, so where does this spelling come from? "Why ...?" vs. "Why is it that ... ?" - English Language & Usage ... I don't know why, but it seems to me that Bob would sound a bit strange if he said, "Why is it that you have to get going?" in that situation. **Why is 'c\*nt' so much more derogatory in the US than the UK?** It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion. *indefinite articles - Is it 'a usual' or 'an usual'? Why? - English ...* As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say "today was an usual day", unless your pronunciation is extremely clear, you risk being misunderstood as "today was unusual day", which will only confuse your listeners. **Do you need the "why" in "That's the reason why"? [duplicate]** Relative why can be freely substituted with that, like any restrictive relative marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of grammaticality and ungrammaticality: the reason that he did it \* the cause that he did it \* the intention that he did it \* the effect that he did it \* the thing that ... *Why was "Spook" a slur used to refer to African Americans?* Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... **meaning - Why do people say "over-" and "underwhelmed" but ...** Why do people say "over-" and "underwhelmed" but never just "whelmed"? Ask Question Asked 14 years, 4 months ago Modified 4 years, 5 months ago *Contextual difference between "That is why" vs "Which is why"?* Thus we say: You never know, which is why... but You never know. That is why... And goes on to explain: There is a subtle but important difference between the use of that and which in a sentence, and it has to do primarily with relevance. Grammarians often use the terms "restrictive" and "non-restrictive" when it comes to relative clauses. Reason for different pronunciations of "lieutenant" Dec 6, 2014 · While Americans (and possibly others) pronounce this as "loo-tenant", folks from

the UK pronounce it as "lef-tenant". Why?
