Ken Tanner

Don't Judge a Book by Its Cover Mordechai Dolinsky,2002 Formerly 'Don't Judge a Book by Its Cover', this book is a genuine must-have for anyone looking to start dating. Straightforward, and to-the-point, the author, the renowned mashgiach of Yeshivas Torah Ore in Jerusalem, guides young men and women through the process of conceptualizing and choosing a marriage partner. If you're looking for solid advice from an experienced, wise source, look no further than this valuable book. Topics discussed include: when to start dating, the importance of 'looks', preparing for marriage, and desirable character traits to look for. A favorite is Rabbi Dolinsky's 'Red Light System' which helps resolve the complex problem of continuing to date if and when. The practical examples in this book abound and the advice is sure to inspire all who read it.

Godmother Quotes of Haterology 101 Heather Maria Ramirez,2011-02 Heather Maria Ramirez is a hot selling author and she has created another masterpiece. Yes, she has done it again. This book was a true classic in the making. This book of insane truth was created for and dedicated to, the fly and the innocent peeps in the world that get hated on just like she does, and for no damn good reason at all. If you have had to deal with haters then you are going to love this hilarious book. Look inside her new book and find out why, she is the Goddess wanted in Hater County, and how she and her entourage of Inkloids caused hater tragedies and mayhem in the Hater Kingdoms, when they overturned the haters whack ass government! This book is for entertainment only and contains strong language and slang. Enjoy the uplifting poetry and stories like, The Jealousy Monster is Hungry, I Wrote Like an Egyptian, and I Am an Original Chick. Heather Maria Ramirez is without a doubt, the new queen of the writers' world. Enjoy reading the chapters by finding out how she autographed the haters' globe and tattooed their mentalities. This is an insane book of truth, so enjoy the hilarious chapters, and outrageous poetic terminology within these pages. Haters beware and read with caution, because this book may be hard on your digestive systems. This writer is already an international household name in the world of readers, so if you are a person that is unfamiliar with this artist, then now is your chance to know exactly who Heather Maria Ramirez is, and she is the Goddess of Poetic Terminology. She is a writer like no other. She is an original chica and she is denting the hearts of readers all over the world.

Girlhood: Teens around the World in Their Own Voices Masuma Ahuja,2021-02-09 What does a teenage girl dream about in Nigeria or New York? How does she spend her days in Mongolia, the Midwest, and the Middle East? All around the world,

girls are going to school, working, dreaming up big futures—they are soccer players and surfers, ballerinas and chess champions. Yet we know so little about their daily lives. We often hear about challenges and catastrophes in the news, and about exceptional girls who make headlines. But even though the health, education, and success of girls so often determines the future of a community, we don't know more about what life is like for the ordinary girls, the ones living outside the headlines. From the Americas to Europe to Africa to Asia to the South Pacific, the thirty teens from twenty-seven countries in *Girlhood* share their own stories of growing up through diary entries and photographs, and the girls' stories are put in context with reporting and research that helps us understand the circumstances and communities they live in. This full-color, exuberantly designed volume is a portrait of ordinary girlhood around the world, and of the world, as seen through girls' eyes.

Poonch: India's Invincible Citadel Brigadier J S Grewal, 2022-08-01 Reminiscing events and circumstances that shaped the history of Poonch through the ages up to 1947-48. Breaking Generational Silence Nicole Russell-Wharton, 2025-02-04 From regarded mental health expert Nicole Russell-Wharton, a guide to disrupt family patterns and heal from inherited trauma so you can break the cycle of silence for generations to come What if one conversation was able to redirect a person's life and create a ripple effect of healing that spans generations? It took a near-death experience for mental health expert Nicole Russell-Wharton to realize that after 35 years, she didn't know the body she was living in. After being diagnosed with a rare life-altering genetic condition that others in her family had, Nicole couldn't understand how everyone remained silent. "I've suffered through many things in silence over the years," says Russell-Wharton. "It wasn't until I started collecting data on generational issues like poverty and trauma that I had this awakening: our healing challenges are rooted in our families' silence and psychological pathology." It's the silence that's harming us. "Generational silence" is a term applied to families who have experienced suppressed thoughts or repressed emotions for at least two generations. In this book, Nicole speaks from personal experience about how slavery left an intergenerational impact on her family's emotional and physical health, and it invites readers to explore the legacy of their own family history. This book will help you explore: • The cycle and impact of issues like substance abuse, religion, racism, education inequality, and parenting • Research, practical tools, and exercises to begin to explore your family history

and open up conversations • The root of silence in your own life, so you can break the cycle for generations to come Breaking Generational Silence will help you begin to break the cycle of silence, find the courage to face your family challenges, and become your own best advocate.

Common Sense Ken Tanner, 2013-08-21 “He may have an MBA, but he’s got no common sense.” Assessments like that by a boss can stop a career dead in its tracks. Unfortunately, many believe that common sense is a trait you are either born with or you are not. This book dispels that myth. Through the pages of Common Sense: Get It, Use It, and Teach It in the Workplace readers will learn not only what common sense is, but how to acquire it and use it to enhance their careers, increase their confidence, and take better advantage of business opportunities. Common Sense explores the use—and non-use—of common sense in the workplace and the world around us. It shows how you can become a person of great wisdom and good judgment by simply learning about all the ways people stumble in the thought process. Author Ken Tanner, a seasoned manager, consultant, and former regional vice president for two major U.S. restaurant chains, shows readers how to make better decisions, how to spot and avoid fallacious thinking, how to better assess ambiguous situations, and how to become a mature thinker with a knack for making the right move at just the right time. Best of all, Common Sense shows how to teach this trait to others, especially subordinates and co-workers who can and will do nonsensical things unless you help them learn to reason through their decisions and actions quickly and confidently. The payoff? Your staff will make you look good, greasing the way for greater responsibility and opportunity. This book: Takes you through an understanding of the term common sense—what it means and what it doesn’t mean. Shows how fallacies create barriers to using common sense. Provides dozens of examples of the application (as well as rejection) of common sense in the business world and elsewhere. Shows how to teach common sense to others.

How to Write a Book in 8 Days Priya Kumar, Awards: How to Write a Book in 8 Days is the winner of 5 International Awards. Synopsis: Imagine what it would be like if you had a fully completed manuscript of a book you have been thinking of writing for years, in about eight days, without having to quit your job, wait for retirement or to take a sabbatical. Why I Read 5 Newspapers Every Day? Praveen Patil,2017-03-20 Learn Storytelling through stories. We need effective storytelling in our daily work life in the form of emails, powerpoints, business reports and meetings. Why I read 5 newspapers addresses six common storytelling challenges through a narration of 17 stories that made news in the last eighteen months. 1. How to report stale information? 2. How to make your story more contextual? 3. How not to bury the lead? 4. How to prequel and sequel your story? 5. How to convey maximum information in the shortest possible format? 6. How to choose appropriate headlines to your story? Everyone wants to be a storyteller but very few have mastered this skill. This book brings a unique and a creative way to learn the art of storytelling through newspapers. In less than 90 minutes, you will learn how to use several techniques that can make your next communication impactful in your work life.

A Not So Ordinary Summer Tylia L. Flores, Tylia L. Flores continues Austin Keller's story in A Not So Ordinary Summer. It is filled with many memories and endless days of sleeping in and reading books because he is still a bookworm, but all that crumbles when he breaks up with his girlfriend Monica Crawford unexpectedly after a year. Due to his frustrations and other options, physical therapy and occupational therapy are also challenging for him. He learned about embracing his childhood, taking responsibility, and trying to be better at Handicapped Summer Camp thanks to his mother Debbie.

A Silent Stereotype Anshika Shanker,2022-06-15 Aarav and Shruti were two different waves of same river, they met accidentally and make that meet for forever intentionally. A story including lots of thrills and emotions with six different people's connecting somehow to each other.

Detox Your Circle, Activate Your Destiny Ernest Sears Jr,2019-01-14 After doing over fifteen years of hard time in a cubicle or office, you and your laptop have found Nirvana at the Starbucks around the corner. Mercifully, the career is over; the kids are gone. Now there is nothing left to distract you from the elephant in the room. You stare at your significant other with the most disconcerting doubts about whether the relationship has run its natural course. You own up to your part in friendships that have become more like placeholders. Years of meaningless, if tenuous, connection have left you hollow. Detox Your Circle, Activate Your Destiny establishes the premise for removing thirteen toxic elements—people, self-sabotaging behaviors, baggage, and meaningless rituals, to name a few—and demonstrates how decluttering can trigger a very powerful clarity. When we detox our Rolodex, our true nature and essence attract more of who we are. What ensues is a resonance that sets the tone and cosmic parameters for fulfilling destiny.

Universal Abundance Bharat Cola,2015-04-01 Universal Abundance by Mr.Bharat Cola is a new offering from GIRI in the field of books on Personality development and Self-help. The author is a master of deadpan one liners that illuminate

profound realities even as they make us dwell deep. Reason and scientific methodology which inspires the readers to discover the freedom of joy of a life lived is author's credo. A great 'Gift-Book' as well as a constant companion, this book shows how transforming our ego-based state of consciousness is not only essential to personal happiness but also a key to end the conflicts and sufferings in society.

Don't Burp in the Boardroom Rosalinda Oropeza Randall, 2014-11-04 Sassy, funny, blunt, and definitely not sugar coated, *Don't Burp in the Boardroom* examines etiquette in the workplace, from the warehouse to the top floor. While the outerwear may be different, the dilemmas from cubicle to corner office are the same. Rosalinda Randall delves into common predicaments like food, the break room, social media and electronics, office romances, or how to make a good impression when you're new on the job. She also delves into the uncommonly common like catching your boss in an unfortunate position and how to avoid that one co-worker who always wants a hug. In today's modern, fast-paced, crazy lifestyle we think we don't have time for etiquette. We might believe that it is outdated, irrelevant, or even pretentious. But *Don't Burp in the Boardroom* talks about etiquette without mentioning etiquette! How's that possible? Because Rosalinda defines etiquette as an attitude. What's yours like?

Myth and Gospel in the Fiction of John Updike John McTavish, 2018-01-01 Big on style, slight on substance: that has been a common charge over the years by critics of John Updike. In fact, however, John Updike is one of the most serious writers of modern times. *Myth and Gospel in the Fiction of John Updike* unlocks his fictional universe and repeatedly breaks open the powerful themes in his literary parables of the gospel. *Myth and Gospel in the Fiction of John Updike* also includes a personal tribute to John Updike by his son David, two essays by pioneer Updike scholars Alice and Kenneth Hamilton, and an anecdotal chapter in which readers share Updike discoveries and recommendations. All in all, weight is added to the complaint that the master of myth and gospel was shortchanged by the Nobel committee.

The Art of Mixing David Gibson, 2019-01-10 David Gibson uses 3D visual representations of sounds in a mix as a tool to explain the dynamics that can be created in a mix. This book provides an in-depth exploration into the aesthetics of what makes a great mix. Gibson's unique approach explains how to map sounds to visuals in order to create a visual framework that can be used to analyze what is going on in any mix. Once you have the framework down, Gibson then uses it to explain the traditions that have been developed over time by great recording engineers for different styles of music and songs. You will come to understand everything that can be done in a mix to create dynamics that affect people in really deep ways. Once you understand what engineers are doing to create the great mixes they do, you can then use this framework to develop your own values as to what you feel is a good mix. Once you have a perspective on what all can be done, you have the power to be truly creative on your own - to create whole new mixing possibilities. It is all about creating art out of technology. This book goes beyond explaining what the equipment does - it explains what to do with the equipment to make the best possible mixes.

Sweet Brown Headache Anshika Shanker,2023-01-01 When everything seems perfect yet your imperfectly comes out to be as your disability & when you start accepting your imperfections than that perfection comes out to make you feel disable all timingly.

I Will Never Forget Rufus Lee Brown,2018-08-06 This latest novel is a true and actual account of my mother, Mrs. Queenie Mae Brooks-Jones-Brown-Monroe-Myers in her early teen years leading into adulthood. This latest novel is part 2 of the lifes experiences that Queenie had to endure, as well as the many abuses, hardships, and humiliations. This is a true account as told to me by my mother and is the follow-up novel to her first novel entitled *You Bet Not Cry!*, which was released in 2015. One book could not encompass the devastating abuses and sufferings Queenie Mae endured, as she had experienced so much pain and hurt at such a young age. This book includes and concludes with the demise of her adoptive father, who was a sexual predator, child molester, and child abuser. He was James C. Butterfly Jones, the mammoth of a man and destructive pedophile who humiliated Queenie Mae until the end of his existence.

Imperceptible Reality Connie Bertelsen Young,2021-12-02 The book, IMPERCEPTIBLE REALITY – A Longing for Spiritual Vision, is an adult Bible study that is meant to draw attention to the incredibly broad subject of who God is, our relationship to Him, and what He has created, particularly that which we can't see with our physical eyes. "So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal." (2 Corinthians 4:18 NIV). Since Adam and Eve, we have been ever learning and discovering more about life, and though our knowledge may seem extensive, it remains slight as we try to understand this universe, the scope of all living things, and the boundlessness of eternity. "Even Solomon, one of the wisest men who ever lived, indicated that "No one can fathom what God has done from beginning to end." (Ecclesiastes 3:11 NIV) Although we can't see everything, The truth which we are given in the Bible will help free us from blindness, deception and ignorance. In IMPERCEPTIBLE REALITY, A Longing for Spiritual Vision, there is emphasis on our great need for faith, growth, and awareness of the mysterious and magnificent immensity of God and our response to Him.

It's The Answers For Me Khaya Dlanga,2021-07-31 With three bestselling books published, Khaya Dlanga is one of South Africa's favourite authors. His ability to write candidly and authentically about himself and his world has resonated with readers from all walks of life. In March 2020 Khaya found himself bereaved, alone and facing an indefinite lockdown as

a result of COVID-19. Like most of us, he turned to social media to maintain some human connection and his followers came through and kept him going. It's The Answers For Me is the result of Khaya's ongoing Q&A interactions with his followers on Instagram. It's evidence of the genuine communities that are formed on social media: intensely human, at times strange and shocking, sometimes touching and often really funny. And it's a record of a nation going through what have been the most bizarre (and longest) years in recent history. Khaya's enviable gift for storytelling makes people want to hear his stories and also to trust him with theirs. From the secrets our parents think they keep from us, to the real reasons we stay in relationships, and venturing into many other everyday issues and situations, It's The Answers For Me captures our collective mgowo.
