But yeah taking these 2 units in the same semester with engineering units on top of them is a big challenge. CAB201 is not particularly well taught given the assignment difficulty level. You aren't not going to find units harder than cab202 and 201. Maybe cab420 has more content, and cab403 which is also C, other than those 2 units ... *Failed a unit, need info going forward* - *Reddit* Dec 24, 2019 · Chill its not the end of the world, first make sure theres no way you can pass or get it stripped from your record, any family reason etc. for the failure. Do anything asap to get it removed from your transcript. After trying that and most likely not getting it removed (still worth a try) look up the course code and see when its offered, I'd suggest trying to ... *QUT, Griffith, or UQ for Mechanical Engineering?* : *r/UQreddit* Jul 14, 2023 · Imo the whole QUT for the real world is just marketing bullshit. Yeah you learn theory at UQ but you're doing an engineering degree so it's important. Being useful/ready for industry and learning theory are not mutually exclusive otherwise what is the point in going to uni?

I recommend doing your own research for this kinda topic rather than asking ... *QUT vs UQ - r/QUTreddit* Oct 31, 2023 · I'm trying to decide between the University of Queensland (UQ) and the Queensland University of Technology (QUT) for my Software Engineering degree, and I'm looking at factors like education quality, support services, and the social scene. When it comes to education, I've heard that UQ is renowned for its strong academic programs, and QUT has a more practical, industry-focused approach. Any ... *QUT vs UQ - r/UQreddit* Oct 31, 2023 · Qut is slightly easier bc UQ shoves a bit more theory at you, leaving you to access its better networks to progress your career in the direction you see fit. On the social aspect it really depends how much effort you put into it. Finding friends in classes might be harder at UQ bc theres a lot of people (esp in engg) that are solely their for ... *Which degree is better? (QUT vs. UQ)* : *r/AustralianTeachers* Sep 18,

2022 · The QUT course has a lot of serious problems in its organisation, content, standards of academic rigour and assessment practices, or at least the Masters course does. *Is UQ engineering harder than QUT?* - *Reddit* UQ is much harder and more knowledge/textbook based whereas QUT is more hands on with assignments. I've studied Engineering at both Universities and preferred QUT because it was easier (I prefer assignments over exams). **r/QUTreddit on Reddit: adobe creative cloud** May 2, 2022 · You can get a license through QUT, depending on what unit you are are doing, though you'll only have it for a the semester, for example IFB103 will give you access to uni License CC To access it, go through CC login and enter in your uni email, it should take you to the HiQ online page, and should log you into CC.
