**The International Jew** Henry Ford, 2016-04-20 Volume 4: Aspects of Jewish Power in the United States The International Jew - The World's Foremost Problem is a four volume set of booklets or pamphlets published and distributed in the early 1920s by Henry Ford, an American industrialist and automobile manufacturer. In Spring 1920, Ford made his personal newspaper, The Dearborn Independent, chronicle what he considered the Jewish menace. Every week for 91 issues, the paper exposed some sort of Jewish-inspired evil major story in a headline. The most popular and aggressive stories were then chosen to be reprinted into four volumes called The International Jew.

*The international Jew* Henry Ford, Hanif, Shalahuddien Gz, 2006

The International Jew Dearborn Independent, 2015-06-26 Excerpt from *The International Jew: The World's Foremost Problem* In the year 1920 Henry Ford, Sr. published *The International Jew*, a comprehensive survey of Jewish power in the United States and throughout the world. This four-volume work was originally serialized in the *Dearborn Independent*, the house organ of the Ford Motor Company. These books have been best-sellers in many parts of the world, and have been translated into the languages of most civilized countries. Sadly, there are many countries today where possession of these books has been made punishable by confiscation or worse. In Germany, for example, a person who wants to borrow *The International Jew* from a library must first prove that he needs it for historical research. In other words, an ordinary tax-paying member of the public who supports the public library with his hard-earned money is unable to further his knowledge or satisfy his curiosity in this regard. It is therefore in the interest of spreading truth that we republish these books in full so that new generations shall see for themselves how our problems of today are the same problems which have mysteriously occurred since the turn of the century. The fact that even the wealthy Henry Ford, Sr. could be forced to withdraw these books, starkly illuminates the power of the Jews, even in the 1920's. To reprint *The International Jew* now, when the Jews are so much more powerful, is some indication of the tremendous courage of the publisher. Every American who loves his country should make it his duty to buy sufficient copies for donation to libraries, universities, business associations, etc. Most important, every American parent should have at least one set at home to pass on to his children. In further support of the findings and conclusions of *The International Jew*, an excellent companion book, *The Dispossessed Majority*, by Wilmot Robertson, exposes the rapid increase of Jewish power since the first publication of Henry Ford's great work. No conscientious, thinking American should be without these amazing, fact-filled books. *The Dispossessed Majority* (\$4.95) is also available from this publisher. **Blood in the Face (revised new edition)** James Ridgeway, 2025-01-14 In 1990, *BLOOD IN THE FACE: The Ku Klux Klan, Aryan Nations, Nazi Skinheads, and the Rise of a New White Culture* was the first book to uncover the contours, beliefs, leaders, and wider influence of the American racist far-right movement. It told their story from the inside out, complete with interviews, recruiting pamphlets, cartoons, rants, sermons, threats, police reports, and more. The accompanying analysis by veteran investigative reporter James Ridgeway detailed the movement's volatile history and its expansion beginning in the 1980s, insisting that the groups making up this fringe culture were too powerful--and too much a part of American culture--to be ignored or dismissed. When the book's prescience about the dangers of the racist far-right became manifest in the Oklahoma City bombing of 1995, a second edition of *BLOOD IN THE FACE* was released with a new introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co-conspirators were connected. Since then, both the book and the documentary film that accompanied its release (also titled *BLOOD IN THE FACE*), have earned cult followings. In the past 25 years, Ridgeway's final warning--that the fringe was becoming part of the fabric of American politics and culture, have come to chilling fruition in the rise of the Tea Party, the racist backlash against the presidency of Barack Obama, the resurgence of anti-immigrant Nativism, the growth of racist far-right media, and the election of Donald Trump with the thunderous support of white nationalists.

**Is Superman Circumcised?** Roy Schwartz, 2021-05-19 Superman is the original superhero, an American icon, and arguably the most famous character in the world--and he's Jewish! Introduced in June 1938, the Man of Steel was created by two Jewish teens, Jerry Siegel, the son of immigrants from Eastern Europe, and Joe Shuster, an immigrant. They based their hero's origin story on Moses, his strength on Samson, his mission on the golem, and his nebbish secret identity on themselves. They made him a refugee fleeing catastrophe on the eve of World War II and sent him to tear Nazi tanks apart nearly two years before the US joined the war. In the following decades, Superman's mostly Jewish writers, artists, and editors continued to borrow Jewish motifs for their stories, basing Krypton's past on Genesis and Exodus, its society on Jewish culture, the trial of Lex Luthor on Adolf Eichmann's, and a future holiday celebrating Superman on Passover. A fascinating journey through comic book lore, American history, and Jewish tradition, this book examines the entirety of Superman's career from 1938 to date, and is sure to give readers a newfound appreciation for the Mensch of Steel!

**The International Jew - Aspects of Jewish Power in the United States** Henry Ford,2010-08-29 At the apex of his business career Henry Ford, the industrial genius sensed that a terrific effort was being made to take his business from him and manipulate it into the hands of the money-changers. Mr. Ford had the impression that these manipulators were being engineered by powerful Jewish financiers. He called to his office the most intelligent research men within his acquaintance. He commissioned them to make a thorough study of the International Jew and publish their findings in The Dearborn Independent, which at that time was the official organ of the Ford Motor Company. No expense was spared, and it is estimated that literally millions of dollars were spent by Mr. Ford on this project. The original articles were carried first in The Dearborn Independent, and then published in book form.

**A Jew in the Public Arena** Meri-Jane Rochelson,2010-02-19 After winning an international audience with his novel Children of the Ghetto, Israel Zangwill went on to write numerous short stories, four additional novels, and several plays, including The Melting Pot. Author Meri-Jane Rochelson, a noted expert on Zangwill's work, examines his career from its beginnings in the 1890s to the performance of his last play, We Moderns, in 1924, to trace how Zangwill became the best-known Jewish writer in Britain and America and a leading spokesperson on Jewish affairs throughout the world. In A Jew in the Public Arena, Rochelson examines Zangwill's published writings alongside a wealth of primary materials, including letters, diaries, manuscripts, press cuttings, and other items in the vast Zangwill files of the Central Zionist Archives, to demonstrate why an understanding of Israel Zangwill's career is essential to understanding the era that so significantly shaped the modern Jewish experience. Once he achieved fame as an author and playwright, Israel Zangwill became a prominent public activist for the leading social causes of the twentieth century, including women's suffrage, peace, Zionism, and the Jewish territorialist movement and rescue efforts. Rochelson shows how Zangwill's activism and much of his literary output were grounded in a universalist vision of Judaism and a commitment to educate the world about Jews as a way of combating antisemitism. Still, Zangwill's position in favor of creating a homeland for the Jews wherever one could be found (in contrast to mainstream Zionism's focus on Palestine) and his apparent advocacy of assimilation in his play The Melting Pot made him an increasingly controversial figure. By the middle of the twentieth century his reputation had fallen into decline, and his work is unknown to many modern readers. A Jew in the Public Arena looks at Zangwill's literary and political activities in the context of their time, to make clear why he held such a place of importance in turn-of-the-century literary and political culture and why his life and work are significant today. Jewish studies scholars as well as students and teachers of late Victorian to Modernist British literature and culture will appreciate this insightful look at Israel Zangwill.

*Reclaiming the Strike Zone* Victor Alexander Baltov,2012-09-18 America has steadily regressed from a Republic under the Sign of the Cross towards a mobacracy under the Sign of the Scorpion. Social responsibility and the ethics of conscience have vacated the Field of Dreams like a Baroid tater -- an all about me cult of celebrity has evolved. Reclaiming the Strike

Zone traces the metaphorical cleat marks through forbidden history. The Inside Baseball version of the Soviet Socialist Paradise and Nazi Germany is pitched shekel free. Sub-systems of the American superstructure featuring education, entertainment, youth activities and family are explored in-depth. The search for something that has been lost -- the secret of the American Dream and American Exceptionalism -- is pursued. All base paths lead to the Christian Church and Jewish Nation. Wise Christian philosophy has been Billy-Goated off the playing field -- secular humanism has taken The Hill. Karl Marx and Sigmund Freud have taken a turn at-bat and gone long. Red tide has been harnessed into Economic Determinism by the F&F Boys. The hidden ball trick has been pulled on the sheeple. Disciples of General Zod lack American patriotism. Time is of the essence to restore what has been taken -- its the bottom of the 9th with two away. DO IT AMERICAN and dont give up the ship are battle cries. Intellectual Millenials must step up to the plate and reclaim what their baby booming Spock baby parents baptized in Dewey waters booted. Identifying the proton pseudos and resetting is the task. Restoring sub-systems [especially education] while playing small ball is the answer. Truth and patriotic leadership are catalysts. A burning desire to be an American -- free and independent -- without getting JFKd is the secret. There is a happy ending -- it is certain. The Good News delivers that promise.
