Oxford Handbook for the Foundation Programme Tim Raine, George Collins, Catriona Hall, Nina Hjelde, 2018-11-10 The Oxford Handbook for the Foundation Programme returns in a new edition to keep junior doctors, as well as their supervisors and senior medical students, up-to-date and give them the information and confidence they need to excel during and beyond the Foundation Programme. This new edition has been fully revised to take in the latest guidelines, the new junior doctors' contract, and the most recent Foundation Programme curriculum. It has new sections to demystify the NHS structure and explore key changes in social care and the interface with the NHS, and revised key information on the medical certificate of the cause of death, the role of the medical examiner, and changes to interactions with the coroner, as well as a new standalone chapter on Psychiatry. The junior doctor's pocket mentor, this handbook distils the knowledge of four authors across multiple NHS environments in an easy access format, covering everything from practical guidance at the patient's bedside to aspects of adapting to day-to-day life as a junior doctor that are rarely covered in medical school. With this indispensable survival guide to the Foundation Programme, you need never be alone on the wards again.

Oxford Handbook for the Foundation Programme Clinical Fellow and Honorary Registrar Tim Raine, Tim Raine, James Dawson, Stephan Sanders, Simon Eccles, Senior House Officer in Accident and Emergency Simon Eccles, 2014 This is the most useful book a junior doctor can carry during the critical first two years after medical school. It will guide them through on-call emergencies, daily ward life and speciality attachments whilst helping them adapt to their career, get the most out of their job and choose a speciality.

Crash Course: Foundation Doctor's Guide to Medicine and Surgery E-Book Miles D Witham, Paramjit Jeetley, Emily Morton, 2008-03-31 The world of medical training moves on and, to reflect these changes, a new edition of this Crash Course has been developed. The traditional House Officer year is now a two-year Foundation programme with an expanded syllabus and exposure to many more specialties. Fundamentally, however, the challenges remain the same - working in new environments, collaborating with new colleagues and facing up to new clinical responsibilities. This new edition of the 'survival guide' continues to provide the support and advice of its predecessor. To reflect the recent changes, there is a new chapter on the Foundation years as well as updated chapters on medical and surgical emergencies to incorporate current guidelines, and an enhanced chapter on ECG interpretation. This book should help you survive the occasional stormy voyage through the Foundation years and enable you to keep things in perspective. Concise coverage of the essentials for on-the-ward reference Symptom-based approach to acute medical and surgical presentations, with differential diagnoses and management Separate sections on spotting and managing medical emergencies and surgical emergencies Step-by-step guide to practical procedures Enhanced chapter on ECG interpretation New chapter on the Foundation Programme
