Coraline Theories : r/laika - Reddit Aug 5, 2019 · Coraline never questions how he got in, and that's where this theory starts. Somehow, on the second time going to the other world, Coraline meets the cat there. But where did he show up from. He couldn't have walked into the real house and opened the tiny door and get in, because he didn't have the key, and Coraline would've probably seen him ... How did the other mother (beldam) know what Coraline looked ... Nov 5, 2023 · The Beldam spied on Coraline ever since she moved in. Especially through the mice. (Remember how it was the mice that actually led her to finding the door open!) It's the same way she knew everything about what she liked and disliked before she ever went through the little door -she had eyes everywhere, just like she did with the other ghost children. When it was clear that child was clearly ... Coraline theory debunked : r/Coraline - Reddit Sep 25, 2023 · And third after Coraline escapes the other world The ghost children comes to her in her sleep, thanking her for setting their souls free this goes to show that Coraline accomplish her goal in the other world if she still was trapped in the other world, the ghost children would for sure without a doubt tell her also remember what the ghost ... *New Poster for the 3D Remaster of 'Coraline', Returning to* Jun 11, 2024 · So exciting, the team behind the 3D remaster are the best and Coraline was shot in LEGITIMATE 3D, with the camera actually moving side to side for each frame that was captured. **Coraline - Reddit** A subreddit for all Coraline related things. (The neil gaiman movie) Did Coraline ever actually escape The Other World? : r/laika Did Coraline ever actually escape The Other World? I just want to know...Other Mother can mimic Coraline's real mother perfectly and modify her own reality of the real world. I know the hand was smashed by Wybie with a rock but is it still possible the Beldam has ways of coming back?

[Coraline] what is the other mother : r/AskScienceFiction - Reddit In the book, Coraline asked about the Beldam's mother, to which she replies that she put her in her grave, implying she may have murdered her. Taking these few concrete facts, there are two possibilities. One is that the Other Mother is some kind of witch, once human but now twisted into a mockery by time and her magics. **Curious to know, how faithful of an adaptation is the Coraline** Oct 16, 2022 · The book is eerier/darker. The overall story and themes are very well preserved. I highly recommend the Doofcast episode on Coraline btw — the lengths to which the creators went was an achievement, especially in terms of the claymation — they did not take shortcuts and the final product really shines. **I just finished "Coraline" by Neil Gaiman : r/books - Reddit** May 29, 2023 · Coraline leaves, but she finds that the other mother has kidnapped her real parents, so Coraline goes back into the

alternate world to save them. I've read a few Neil Gaiman books now, but this is the first one that I've read that wasn't targeted towards adults. **The entire plot of "Coraline" symbolizes living in an abusive** Jan 22, 2019 · When Coraline enters the "other world," she actually gets attention from the Beldam (which I'll henceforth be referring to as "M2"), and a lot of it! In fact, it's like she's M2's entire world! What a dream come true, right? M2 plans out wild adventures for Coraline, gets her anything her little heart could ever want, leaves her kind notes, etc.
