San Luis Potosí. Historia breve María Isabel Monroy Castillo, Tomás Calvillo Unna, 2016-08-02 Obra que a pesar de su brevedad nos deja con un vasto conocimiento de la historia de San Luis Potosí. Desde los asentamientos que en la región realizaron hombres nómadas hasta el San Luis Potosí que hoy se conoce, dividido entre una tradición católica y una liberal. Con una prosa fluida y muy accesible, entramos en contacto con la historia de uno de los estados más singulares de la república mexicana.

Breve historia de San Luis Potosí María Isabel Monroy, Tomás Calvillo Unna, 1997 Los autores realizan un recorrido por la historia de San Luis Potosí desde el siglo XVI, cuando se convirtió en la ruta de la plata, del comercio y de la evangelización; caminos de la guerra y la paz que recorrió el capitán mestizo Miguel Caldera, quien fundó hacia 1592 la población de San Luis Potosí; territorio de contrastes, con sus auge mineros y la proliferación de sus haciendas; territorio donde la tradición católica se entrelaza con una tradición liberal de las que surgieron precursores que durante el siglo XX señalaron nuevos horizontes para la entidad y el país.

La Saga de los Santos 1750-2000 José Santos Alonso, 2019-04-09 En «La Saga de los Santos 1750-2000», encontrarás un relato costumbrista, histórico y a la vez íntimo acerca de una familia potosina de políticos destacados quienes contribuyeron a construir el México Post-Revolucionario. A través de la lectura así mismo podrás comprender como el carácter y las hazañas de los primeros santos determinaron el destino y la manera en que sus descendientes enfrentaron, tanto las épocas propicias como las adversidades. El honor, la gloria y también la tragedia son elementos que confluyen en «La Saga de los Santos».

Memorias de la Academia Mexicana de la Historia Academia Mexicana de la Historia, 1999

Presente y futuro de la historiografía regional de México en el siglo XX José Mario Contreras Valdez, 2009

Los constituyentes de 1917 Eber Betanzos Torres, Jaime Chávez Alor, 2017-08-01 Este libro es un análisis sobre el complejo y determinante proceso político que dio a luz a la Constitución de 1917. Por ello, se aboca a estudiar a cada uno de los miembros del Congreso Constituyente y su participación en la elaboración de la Carta Magna. El minucioso estudio que contiene este texto permite situar a cada uno de los participantes en su preciso contexto político y social. Así, el libro es un testimonio sobre el surgimiento de la democracia mexicana y, de paso, se convierte en un vistazo fresco a la historia

constitucionalista de México

Transnational Communism across the Americas Marc Becker,Margaret Power,Tony Wood,Jacob A. Zumoff,2023-07-04

Transnational Communism across the Americas offers an innovative approach to the study of Latin American communism. It convincingly illustrates that communist parties were both deeply rooted in their own local realities and maintained significant relationships with other communists across the region and around the world. The essays in this collection use a transnational lens to examine the relationships of the region's communist parties with each other, their international counterparts, and non-communist groups dedicated to anti-imperialism, women's rights, and other causes. Topics include the shifting relationship between Mexican communists and the Comintern, Black migrant workers in the Caribbean, race relations in Cuba, Latin American communists in the USSR, Luís Carlos Prestes in Brazil, the U.S. and Puerto Rican communist and Nationalist parties, peace activist networks in Latin America, communist women in Guatemala, transnational student groups, and guerrillas in El Salvador. Contributors: Marc Becker, Jacob Blanc, Tanya Harmer, Patricia Harms, Lazar Jeifets, Victor Jeifets, Adriana Petra, Margaret M. Power, Frances Peace Sullivan, Tony Wood, Kevin A. Young, and Jacob Zumoff

Biografía del profesor Dr. D. Vicente Sos Baynat. Sos Paradinas, Alejandro,2014-10-20 Orgulloso de sus padres, el autor refleja e ilustra en el libro la trayectoria vital del geólogo castellonense V. Sos Baynat (1895-1992), y la injusticia cometida contra él, con las oportunidades profesionales perdidas para toda la vida. No sólo describe meticulosamente los aspectos biográficos, sino que detalla con precisión el contexto histórico y político que le tocó vivir. Aun así, constata con satisfacción que, al fin, pasados los decenios, la sociedad le devolvía el honor, le restituía el nombre y la valía, le reconocía su inmenso trabajo y dedicación a la ciencia.
