Though in this timeline, Rachel Amber and Chloe Price left Oregon for the sunny California coast, and Max Caulfield never returned. Steph left Arcadia Bay for Seattle, where she bounced around the punk scene as a drummer. It was whilst on tour with her band, Drugstore Makeup, that Steph first discovered Haven Springs, and the rest is history. Once the pair uncovered the truth behind the Typhoon mining company, Alex and Steph left Haven Springs to start their own band, performing in venues across the states. It was on the road they met troubled teenager, Lily. Discovering Lily had run away from home, Alex and Steph decided to help the teenager unravel the anguish of her powers – the ability to take others' memories – until the only

past left to confront was her own...

Life is Strange #6 Emma Vieceli, 2019-06-26 Mysteriously gifted with the power to rewind time, Max Caulfield used her new abilities to reconnect with her oldest friend, Chloe Price, and to bring to justice the murderers of Chloe’s closest confidante, Rachel Amber. Max’s abilities came at a cost however: if Max altered the original timeline – in which Chloe died of a gunshot wound – a hurricane would destroy their hometown, Arcadia Bay. In one reality, our Max chose to save Chloe’s life, sacrificing Arcadia Bay. A year later, to save herself from a flux of possibilities that was tearing her apart, Max jumped to a new timeline, reconciling the disparate shards of herself in the process. Max may now be whole, but she’s far from unscathed. In an ocean of possibilities, where does she go from here?

Life is Strange #2.3 Emma Vieceli, 2020-12-16 With Max’s help, Tristan was able to use his powers to phase through the Transect and find Chloe in the original timeline. However, he was exhausted and struggled to use his powers again. Chloe, full of renewed hope, told him not to be so hard on himself. In a rare moment of privacy, Rachel confronted Max about her relationship with her Chloe, which Max had kept secret. Rachel apologized to Max for feeling like she had to hide it, and

that Max made her and Chloe better people. In the new timeline, Chloe, Max, and Rachel arrived at Tombstone – a Western re-enactment town in El Paso – dressed as Captain Bluebeard and her crew. The trio were unaware that – in the other timeline – Chloe, Tristan and the High Seas had also arrived in Tombstone. However, rather than dress up in their own pirate outfits, they rented cowboy costumes instead. As Chloe admired herself in the costume-shop mirror, she was taken by surprise when her reflection became a window into the alternate timeline! Chloe ran into Victoria, who was playing the role of Ophelia in her timeline's production of Hamlet. The two caught up over a coffee and Victoria seemed to have left her Queen Bee and Blackwell Academy days behind her. Meanwhile, across the timelines, a water gun fight broke out in the streets of Tombstone and it was everyone for themselves! As Max lived a brand-new pirate adventure, she felt closer to Chloe, and to her home, than ever.

Life is Strange: Forget-Me-Not #1 Zoe Thorogood, 2023-12-13 Life is Strange is a world of choices, in a multiverse of infinite possibilities. Forget-Me-Not takes place in a timeline much like the one you know from Life is Strange: True Colors... but with certain key differences. In this timeline, for instance, infamous Arcadia Bay residents Rachel Amber and Chloe Price fulfilled their dream of escaping to sunny California, and Max Caulfield never returned from Seattle. Here, the future is yet unwritten – and the past is full of surprises. After the death of her mother, Alex Chen was cast adrift in the foster care system, struggling for years with her 'curse' – the ability to sense, absorb, and even manipulate the emotions of other people, with her psychic power of Empathy. On leaving foster care, she reconnected with her older brother Gabe in the small town of Haven Springs, Colorado. When Gabe died in a mining accident, shortly after her arrival, Alex partnered with Gabe's friend and used her growing supernatural powers to bring his killers to justice. As they brought the truth to light, Alex also grew close to, and began dating, local radio DJ and drummer Steph Gingrich. As a former resident of Arcadia Bay and student at Blackwell Academy, Steph Gingrich knows Chloe and Rachel of old. After high school, Steph left for Seattle, where she bounced around the punk scene as a drummer. It was whilst on tour with her two-piece band, Drugstore Makeup, that Steph first discovered Haven Springs – and the rest is history. After revealing the truth of Gabe's death, Alex and Steph left town to start their own band, and are now road-tripping across the States, trying to build a name for themselves, one dive bar at a time...
