**Clever badges - Chromebook webcams not working? : ...** Clever badges - Chromebook webcams not working? Hi there. Not really sure where to reach out for this but Clever's help center isn't turning up much help. **Clever Chromebook Login : r/k12sysadmin - Reddit** Oct 22, 2020 · However if you do miss a few cyber students and they get the clever badge, you can search for their device on the admin console (resent user based on student email) and move them to the correct ou, and the clever login will go away within 10 minutes - it's rather quick. Clever badge login not showing up : r/k12sysadmin - Reddit Nov 29, 2023 · Clever badge login not showing up I have a few chromebooks that recently stopped showing the clever badge login upon booting up. It is a random few. Can anyone give me tips for troubleshooting?? ( cameras are working fine, the option doesn't even pop up\_ Clever vs Google SSO for third party apps : r/k12sysadmin - Reddit Mar 14, 2022 · Clever vs Google SSO for third party apps We are currently exploring setting clever up for our Elementary school and during setup we kind of stumbled upon a question. We currently have clever set up for Kindergarten students to log in with QR code badges. What exactly is the benefit of using Clever to SSO into third party apps over Google? *clever login with ipads : r/k12sysadmin - Reddit* Nov 4, 2022 · clever login with ipads Has anyone used clever to log into ipads to setup a kids profile? We have ipads in our k-2 classes and are using the badges for logging into the clever app, but I want to try to leverage ios' user profiles to make sure kids are logged in as themselves and not accessing other kids work by mistake. **Strange login issue when students log into Clever using Google ...** Aug 31, 2023 · Strange login issue when students log into Clever using Google SSO on Chromebooks We are having a really strange issue when some of our students (small percentage so far) use Google SSO to sign-in to Clever on their Chromebook. We push a link to our Clever portal to the Chromebooks. Clever? : r/k12sysadmin - Reddit Sep 28, 2021 · Which login method is being used? We only allow Google and Badge sign in. If a user is logged in to multiple Google accounts then the Clever sign in doesn't work. We have them visit Google.com and click the profile icon to sign out of the extra accounts and that fixes the only login issue we have consistently experienced. *Are there any alternatives to Clever on the market? : r/edtech* Clever has earned this same power, except there isn't an Android competitor on the market for Clever. Clever doesn't take this power for granted, their quality control process ensures that applications that are available on their dashboard are pedagogically sound and results-driven. **Clever Badge Login Issue On Chromebooks : r/k12sysadmin** Jan 21, 2020 · The only issues we ever ran into with Clever before we stopped using it

was due to our content filter and random things that would get blocked along the route between clever and us. Silly question, but did you try removing any filtering along the process? We used a hotspot to track it down previously. *Clever?* : *r/k12sysadmin* - *Reddit* Apr 30, 2021 · Clever charges the app provider for the integration, it's how they make money. Means it's free to us as end users, but some app providers don't integrate, especially if the app is already offered for free to EDU customers and they don't get any payback from government programs for providing the service.
