Dr. Mark O'Doherty

101 Ways Islam Gives Love to the Bible Mohamed Moussa Ghounem, 2022-12-17 Love in the Quran is bountiful for the Bible followers. Love is provided to the Bible on assorted levels, from narrations on Adam to Jesus Christ. Love brings people together. In a beautiful and melodious method, the Quran also brings harmony between Jews and Christians. Enjoining the scriptures into one, the Quran mediates, reconciles, and unites. Love comes from mutual understanding and coherent communication. The Quran preserved in its original language and version for nearly 1,400 years, has been a clear untainted light of guidance, removing immoral laws and dispelling evil traditions. Numerous curses and questionable killings have been lifted and revealed. According to the Bible, at the final moments of Jesus Christ, despite repeated pleas by the Messiah, God had forsaken Jesus, abandoning Jesus at his time of need: "At about three in the afternoon Jesus cried out with a loud voice, Eli, Eli, lema sabachthani? that is, My God, My God, why have You forsaken Me? (Matthew 27:46) Upon a closer examination, we discover that God throughout the Bible has forsaken humans, while the Quran clarifies the Bible accounts to show how God loves humans, thus providing love to the Bible. While God does forsake evil doers, it is all too evident in the Bible that the righteous are also forsaken. This study will show the ways the Bible forsakes humans compared to the relevant verses in the Quran on how humans are loved.

Love in the Religions of the World Paul Caringella, Gregory Kaplan, 2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion – it is a matter of concern for everybody. For irrespective of whether one believes in God, religion is a major characteristic of identity. And in the post 9/11 world, every educated person is aware of how important it is to understand what others believe. This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world. Eschewing the comforting, but ultimately erroneous and dangerous idea that all religions believe more or less the same thing, each essay examines the role and nature of love in a major religion of the world. It is an invaluable guide for students, teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world's religions. It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures.

Peace Within Our Grasp Crandall R. Kline, Jr., 2009-06-05 This book is dedicated to the memory of these two good friends and all the others from the Army Specialized Training Program (ASTP) at the Texas Western College in El Paso, Texas

who gave their lives that the rest of us in the 12th Armored Division might live. John Fuchs and John Haufle were in the 17th Armored Infantry, 12th Armored Division and they were killed in action in Alsace, France in the winter campaign of 1944-45. The rest of us in the 12th Armored Division have had 60 more years to live, getting married, raising families and building careers. It is fitting that we give some time to studying the causes of wars and speaking out to make the changes in the United Nations that are necessary to make it effective in bringing peace.

Healing Pakistan □ Improving Human Rights, Gender Mainstreaming and Religious Education in the Islamic Republic of Pakistan Dr. Mark O'Doherty, 2017-11-21 Pakistan, the world's fifth-most-populous country, is fighting for its survival. This summer, erratic monsoon rains battered the country from north to south - Sindh, the southernmost province, received 464% more rain over the last few weeks than the thirty-year average for the period. At the same time, Pakistan's glaciers are melting at a rate never seen before. These two consequences of the climate crisis have combined to create a monstrous super-flood that has ravaged the country. Ninety per cent of crops in Sindh have been damaged; Faisal Edhi, who runs Pakistan's largest social welfare organisation, the Edhi Foundation, has warned that those who don't die from the floods risk death by starvation. A famine is coming; the only question is how soon? Economic losses are estimated to be in excess of \$30bn, 50 million people have been internally displaced, there is the threat of a malaria epidemic as floodwater lies stagnant - satellite images have shown the shocking formation of a 100km-wide inland lake in Sindh due to overflowing from the Indus River - and there is no doubt that a generation will be cast backwards as already meagre education and health services are violently disrupted. More than 400 children have died and with winter coming and millions left without shelter, many more will. This is a tragedy of nightmarish proportions and yet if you live outside of Pakistan, you probably haven't heard much about it at all. Given its near total lack of interest in the fate of Pakistan, it would seem that the rest of the world hasn't considered that this epic humanitarian crisis is a peek into the apocalyptic future that awaits us all. The horrors faced by the country today are a clear warning of the consequences of universal and rapacious climate breakdown. Human beings have destroyed our one and only planet; what is happening in Pakistan today is proof of that. Our voracious burning of fossil fuels, obnoxious disregard for the wild and natural world we inherited, and criminal consumption means that no country, no matter its wealth, will be immune from the consequences of global heating. Today it is Pakistan, tomorrow it will be California, France, Australia, the world. Hence we strongly encourage the International Community to support Pakistan economically - as well as ecologically - during these difficult times in Pakistan. In particular, to save innocent civilians and children - and prevent further loss of life in the future.

Healing Saudi Arabia □ Improving Human Rights, Gender Mainstreaming and Religious Education in the

Kingdom of Saudi Arabia Dr. Mark O'Doherty, 2017-10-05 REGARDING: Women, Life and Freedom. Farideh Moradkhani, a niece of Iran's Supreme Leader Ali Khamenei and an outspoken critic of the Islamic Republic, has been sentenced to three years in prison, her lawyer said. Moradkhani was arrested after she declared her support for the ongoing anti-regime protests in Iran and called on the international community to cut ties with Tehran. Moradkhani's lawyer, Mohammad Hossein Aghasi, said on Twitter that his client was initially sentenced to 15 years in prison. Aghasi said Moradkhani was tried by Iran's Special Clerical Court - a court independent of the country's judiciary. The court is tasked with prosecuting clerics and answers only to the supreme leader. Aghasi said the court had no jurisdiction over his client's case given she is not a cleric. He did not say what Moradkhani had been charged with, and there has been no comment from authorities or state media on the case. Moradkhani has been critical of the regime in the past and was arrested on two other separate occasions - earlier this year and in 2018. Badri Hosseini Khamenei, Moradkhani's mother and a sister of Supreme Leader Ali Khamenei who lives in Iran, declared her opposition to her brother's regime and called on military forces to join protesters before it is too late, in a letter shared by her France-based son. Ali Khamenei's Revolutionary Guards and mercenaries should lay down their weapons as soon as possible and join the people before it is too late, the letter read. As my human duty, many times I brought the voice of the people to the ears of my brother Ali Khamenei decades ago. However, after I saw that he did not listen and continued the way of [ex-Supreme Leader Ruhollah] Khomeini in suppressing and killing innocent people, I cut off my relationship with him, she said. Protests have swept across Iran since September 16 when 22-year-old Iranian Kurdish woman Mahsa Amini died after her arrest by the morality police in Tehran. Demonstrators have been calling for the downfall of the regime in movement that has become one of the boldest challenges to the Islamic Republic since its establishment in 1979. 458 people, including 63 children and 29 women, have been killed by security forces in the protests, according to the Oslo-based rights group Iran Human Rights (IHR). Hence it is imperative to topple the regime, so that Basic Human Rights can be manifested in Iran. Love and Light / Woman, Life and Freedom/ □□□ □□□□ □□□ Mark

Healing America □ Improving Social Cohesion, Education and Global Solidarity in the United States of America Dr. Mark O'Doherty, 2017-11-02 ATTN: William Joseph Burns, PM Rishi Sunak, Richard Moore, Director Avril Danica Haines, President Alexander Van der Bellen, Mr. Olaf Scholz, Mr. Bruno Kahl, Emmanuel Macron, Monsieur Bernard Emié, Karl Nehammer, Werner Kogler, Sigrid Maurer, Michael Ludwig, Alexander Schallenberg, Karoline Edtstadler, Omar Hajjawi-Pirchner, Johanna Mikl-Leitner, Gerhard Karner, Walter Thurnherr, PM Ulf Kristersson, PM Jonas Gahr Støre, PM Kyriakos Mitsotakis, PM Giorgia Meloni, Taoiseach Leo Varadkar, etc. REGARDING: Relocation of Work Premises and transfer of funds into our Bank Account; if applicable. REQUESTING PROTECTION FROM PRESS FREEDOM ATTACKS AND RELOCATION OF WORK PREMISES. It is worth noting, that the NGO BTB-Global Peacebuilding frequently has the task to pacify and bring peace to a country or warring factions in a failed state - such as Iran, Syria, Afghanistan, Myanmar, France, Israel-Palestine, Italy,

China, Austria and Russia - which is very delicate PEACEBUILDING and DIPLOMATIC work, where just a slight disturbance and distraction can cause a political calamity of global impact. Hence it is very much in the interest of the governments in the International Community to provide us with a proper and secured Home Office and Basic Income - so that we can conduct our work properly and efficiently. Your assistance regarding this matter would be much appreciated. PS: All those fine folks in the Intelligence Community, protecting my internet space are doing a very good job. Keep up the good work:) However, I would like to inform those fine folks that the time has come to implement a relocation of my Work Premises - so that the high quality of our work in Peacebuilding can be upheld. So should somebody send me a genuine good offer - whether from the public or private sector - please forward it to me. Furthermore, should certain individuals or organizations be withholding funds that rightfully belong to me - whether in Europe or America - please arrange the transfer of the funds into my bank account, so that I have the freedom to relocate to a place of my choice. The Legacy of President Barham Salih and Prime Minister Mohammed Tawfiq Allawi □ A Study of Human Rights Violations, Corruption, Poverty and Political Instability in the Republic of Iraq Dr. Mark

O'Doherty, 2020-02-19 The death of a young YouTube star at the hands of her father has sparked outrage in Iraq, as so-called honour killings continue in the conservative country. Tiba al-Ali, 22, was killed by her father on 31 January in the southern province of Diwaniya, interior ministry spokesperson Saad Maan said on Twitter on Friday. Police had attempted to mediate between Ali - who lived in Turkey and was visiting Iraq - and her relatives to resolve the family dispute in a definitive manner, Maan said. Ali's father was reported to have been unhappy about her decision to live alone in Turkey. Maan said that after the police's initial encounter with the family we were surprised the next day ... with the news of her killing at the hands of her father, as he admitted in his initial confessions. He did not give further details on the nature of the dispute. Ali had gained a following on YouTube, where she posted videos of her daily life and in which her fiancé often appeared. She had travelled to Turkey with her family in 2017, but she refused to return home with them and stayed in the country and lived there since, the police source said. Her death has sparked uproar among Iraqis on social media, who have called for protests in Baghdad on Sunday to demand justice in response to her death. Women in our societies are hostage to backward customs due to the absence of legal deterrents and government measures - which currently are not commensurate with the size of domestic violence crimes, wrote veteran politician Ala Talabani on Twitter. Human rights activist Hanaa Edwar told AFP that, according to voice recordings attributed to Ali, she left her family ... because she was sexually assaulted by her brother. The

Iraqi Observatory for Human Rights also reported the allegation. AFP could not independently verify the authenticity of the voice recordings. Amnesty International condemned the horrific killing, saying the Iraqi penal code still treats leniently so called 'honour crimes' comprising violent acts such as assault and even murder. Its deputy director for the Middle East and North Africa, Aya Majzoub, said: Until the Iraqi authorities adopt robust legislation to protect women and girls ... we will inevitably continue to witness horrific murders. Hence it is imperative that the Universal Declaration of Human Rights (UDHR) and the Convention on the Elimination of all Forms of Discrimination Against Women (CEDAW) are manifested in the Republic of Iraq.

The Legacy of Benjamin Netanyahu and the Likud Party in Israel □ A Military Government facilitating Disregard for Innocent Life, Overpopulation, Suicide and Violent Extremism in Gaza Dr. Mark O'Doherty, 2018-05-26 Speaking before a group of foreign ambassadors to the United Nations on one of his final days in office, President Reuven Rivlin in New York issued a plea to Palestinian Authority President Mahmoud Abbas to forget about the past and work together with Israel to achieve peace. We are not doomed to live together, we are destined to live together. It's our role to end conflict, Rivlin said in a speech at the tail-end of his farewell tour in the United States. Let's forget about the past. Let's build confidence. There are opportunities to achieve a bright future for our peoples. We are interested in continuing to work with the UN in order to meet the humanitarian needs of the people of Gaza, with whom we have no conflict, Rivlin said. Hence it is imperative that peace and harmony are manifested in Israel-Palestine; and that all parties concerned start working towards a just and fair Middle East peace plan - as well as restoring human rights, human dignity and the UN Convention on the Rights of the Child (UNCRC) in the region. It is also imperative that the Bennett-Lapid government is fair and just; and that policies implemented are free from systemic injustices, so that equal rights and legal equality can be manifested in the land. This also means that Hamas's extremist leaders - in particular Mr. Ismail Haniyeh, Mohammed Deif and Marwan Issa - need to reconcile and make peace with Israel. Otherwise the Gazans must find a new leadership, so that the Gaza blockade can finally be lifted, and the UDHR can be restored in the land. It should also be noted, that more than 2.5 million Palestinians live under Israeli rule but cannot vote in national elections. This must change. All people in the land should be eligible to vote and stand for election - as stipulated in the Universal Declaration of Human Rights (UDHR). This also means that legal equality and equal rights must be manifested in Israel-Palestine by legislation. Hence it is imperative that the Knesset implements the necessary legislation that ALL people in the land are equal under the law, and eligible to vote and stand in national elections. Failure to do so, will increasingly label Israel as an Apartheid State. That is the reality of the situation, Mr Naftali Bennett and Mr Yair Lapid! In other words, the Israeli judicial system alone, will not be able to manifest legal equality in the land. The Knesset - in particular the Bennett-Lapid government - will also have to do its part.

The Legacy of the Social Democratic Party of Austria (SPÖ) – A Dictatorial Party facilitating Abuse of Power, Bureaucratic Despotism and Violations of Human Rights in the Republic of Austria Dr. Mark O'Doherty, 2019-08-15 Having become a proxy party of the right-wing populist ÖVP Party - by falling in line with whatever the ÖVP dictates - the SPÖ Party is unwilling to implement any much-needed reforms in the Republic of Austria. Hence the reason why inequality and poverty

are increasing in Austria dramatically - the SPÖ Party being a willing collaborator in perpetrating inequality, injustice and human rights violations in the country. Austria has also fallen back seven places on the Social Progress Index (SPI); inequality and social discrimination of people increasing dramatically - the SPÖ Party unwilling to advocate the implementation of a Basic Income Guarantee (BIG); which would be necessary to guarantee basic human rights and to stop the discrimination of unemployed people; which causes grave political instability and civil unrest. In a world where there are no guarantees and as citizens who must be under government rule, we should at least be assured that we will be able to feed, clothe and handle the simplest needs of human beings - hence implementing a basic income is an important prerequisite to counteract inequality and to ensure basic human rights in the International Community. It is also imperative that a denazification is implemented in the Republic of Austria. This includes bringing all right-wing extremists in Austria to Justice - in particular from the FPÖ Party - so that Rule-of-Law and the Universal Declaration of Human Rights (UDHR) can be restored in the Republic of Austria. Furthermore, corrupt and criminal officials in the Austrian Nehammer Government - as well as the SPÖ Party - must be brought to Justice; so that Rule of Law, Goodness and Decency can be restored in the Republic of Austria. NB: It should also be noted that some individuals and organizations affiliated with the SPÖ Party are responsible for Press Freedom attacks and politically motivated harassment on the NGO BTB-Global Peacebuilding. This must stop. The NGO BTB-Global Peacebuilding frequently has the task to pacify and bring peace to a country - which is very delicate PEACEBUILDING and DIPLOMATIC work - where just a slight disturbance can cause a political calamity of global impact. Hence it is very much in the interest of Austrian politicians - including the SPÖ Party - to provide us with a proper and secured Home Office and Basic Income; so that the NGO BTB-Global Peacebuilding can conduct its work properly and efficiently.

The Legacy of the Freedom Party of Austria (FPÖ) – A Dictatorial Party facilitating Abuse of Power, Social Inequality and Neo-Nazi Activities in the Republic of Austria Dr. Mark O'Doherty, 2019-08-28 Having emerged from the ashes of the Third Reich, the FP? was founded in 1956 by Anton Reinthaller, a former Nazi functionary and SS officer, who was the inaugural leader of the Freedom Party of Austria (FP?). Since then the FP? has orchestrated rule of law violations in Austria; including the violation of freedom of press, expression and of belief; as well as inciting hatred against immigrants and refugees. With national socialist offences by the FP? increasing in frequency, the FP? needs to improve and reinvent itself ? also in view of links between the 2019 Christchurch mosque shootings and the far-right Identitarian Movement in Austria (IB?). Otherwise the FP? must be made illegal; as it is Austria's duty to combat the resurgence of neo-Nazi activities by way of law. Social challenges ? such as abuse of power and social inequality ? are also explored in this evidence-based study. It should also be noted, that the FP? Party's contribution to global gender equality and global peacebuilding is absolute zero.

Love, Honour and God Mikhail Pelevin, 2025-08-28 Love, Honour and God tells about the talented and determined people who challenged the dominance of the Persophone written culture and created literature in their mother tongue, Pashto. Offering insights into the lives and literary accomplishments of many acclaimed and less known Pashtun authors of the early modern period, this book traces the development of Pashto writings from around 1530 to 1830 as a considered pursuit of an educational mission and a verbal affirmation of ethnic identity. Based primarily on original texts in Pashto verse and prose, the book explores social views, aesthetic preferences and spiritual values that underlie modern ideologies and cultural awareness of Pashto-speaking communities in Afghanistan and Pakistan.
