Horror Comics in Black and White Richard J. Arndt,2013-01-21 In 1954, the comic book industry instituted the Comics Code, a set of self-regulatory guidelines imposed to placate public concern over gory and horrific comic book content, effectively banning genuine horror comics. Because the Code applied only to color comics, many artists and writers turned to black and white to circumvent the Code's narrow confines. With the 1964 Creepy #1 from Warren Publishing, black-and-white horror comics experienced a revival continuing into the early 21st century, an important step in the maturation of the horror genre within the comics field as a whole. This generously illustrated work offers a comprehensive history and retrospective of the black-and-white horror comics that flourished on the newsstands from 1964 to 2004. With a catalog of original magazines, complete credits and insightful analysis, it highlights an important but overlooked period in the history of comics.

The Nth Doctor Randy Lofficier, Jean-Marc Lofficier, 2003-04-20 Over the last three decades, several film production companies have held the rights to make a Doctor Who movie. To this day, intense speculation surrounds the details of these unmade productions. Here, for the first time, is an in-depth exploration of the Doctor Who films that almost were, including detailed synopses and extracts from the scripts themselves, interviews with the writers, behind-the-scenes articles explaining how these productions came to be, why the contemplated films were never shot, and the role played by stars such as Leonard Nimoy and Steven Spielberg. The Nth Doctor is a lot of fun by showing the process of how Doctor Who might have started again, we can get a lot of insight about why it is one of our favorite programs. Michael Lee, Minnesota Doctor Who Information List I really enjoyed this look at what Doctor Who might have been. The Nth Doctor is a nice addition to the range of non-fiction Who and covers an area about which little was previously known. David Howe, Howes Who
