There is No Death Florence Marryat, 2019-11-25 In her provocative exploration of life beyond the mortal coil, *There is No Death*, Florence Marryat weaves an intricate narrative that blends elements of spiritualism, fiction, and personal experience. Published in 1891, the book captures the Victorian fascination with death and the afterlife, employing a distinctive style characterized by its lyrical prose and the author's keen psychological insight. Marryat's work reflects the era's emerging interest in spiritual phenomena, addressing the question of existence after death through a series of compelling vignettes that challenge societal perceptions and invite contemplation on the transcendent nature of life. Florence Marryat, an accomplished English novelist and an advocate for spiritualism, was profoundly influenced by the themes of life and death throughout her writing career. As the daughter of a successful novelist, she was immersed in literature from a young age. Her experiences with loss and her personal engagement with spiritualist circles informed her perspective, driving her to articulate the complexities of the human condition and the possibility of an afterlife in her compelling narrative. This profound work is recommended for readers interested in the intersection of literature, spiritualism, and philosophical inquiry. Marryat's eloquent prose invites audiences to ponder the mysteries of existence and death, making it an essential read for those seeking a deeper understanding of the human experience.

Transition - There Is No Death Janie McCorkle, 2017-01-19 Do you want to know what happens when you take your last breath on earth? Do you want to know the process of your transition to the other side? Do you want to know where you go and who you will see? Do you want to know the message Janie got from the Holy Trinity in 2004 for all humanity? This is a story that begins in 1957, upon her mother's car accident and transition to the other side, but not before transferring her metaphysical gifts to her at five years old, which she kept a secret until now. She had physical and mental abuse from family members on herself and her two brothers. She was kidnapped by two convicts released from San Quentin at eighteen years

old. She was groomed to be a servant by family members and called names to take away confidence from childhood through her adult years. She would always pray and have a relationship with God and Jesus, but she never got an answer until the Holy Trinity experience that night in 2004, and she became more gifted. She has experienced visits from the divine, master teachers, and earthbound ghosts. She fought the evil, dark side with red eyes many times. She has experiences with angels and guides, like Paramahansa Yogananda. She named the Korean war and World War 2 hero spirit that visited. She has seen relatives and friends that have passed. She has experiences with nonhuman entities and with the Mayan spirits since age eleven until now and is still progressing with metaphysical gifts. She has done healings and has all the clairs: clairsentience, clairvoyance, clairauidence, and claircognizance. She reads quantum physics (the reading of color and light) and has many other gifts. There is no death, just transition. Don't be afraid anymore. It is a natural process to graduate from the earth school. Janie

EVERLASTING GOSPEL OLUMBA OLUMBA OBU,2020-08-25 The Everlasting Gospels are the Holy Words spoken directly from God's mouth. The voice of The Heavenly Father transcends from His High throne to all mankind to adhere to. The Word, which created the world in the beginning, is now to recreate, reconstruct, and reform the entire world and humanity according to The Father's Will as it is done in heaven. The kingdoms of this world have become the Kingdom of our Lord and His Christ and this Working Document is the only Constitution of the New World. The contents of this Everlasting Gospel is a testimony to the fulfilment of the promise of Our Lord Jesus Christ, that the Comforter will come to teach all things, lead people to the accurate knowledge of the truth and inform of things to come (John 16: 7-14), which has in truth materialised. The Will of Our Heavenly Father is done on earth as it is done in heaven. John 16: 7-14 "Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment: Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more; Of judgment, because

the prince of this world is judged. I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you.” His Coming was revealed to many prophets, both past, and present. Astrologers and scientists are aware of His Omnipotence, Omnipresence, and Omniscience. Some try to conceal or ignore the truth, while others are confused, disturbed, and without the capacity to comprehend. The purpose of this compilation is to reveal the Truth for the salvation of the entire world. The Holy Spirit is personified and His Everlasting Gospels, in this Divine Document, expatiates and shines greater light on many issues affecting our lives and environments physically, socially, and spiritually. The gospels provide answers to questions that have remained unanswered, challenge misconceived doctrines, corrects entrenched wrong believes, and reframes questions that were, hitherto, wrongly asked. The maxim which says that “a tree is known by its fruit” is germane to the Everlasting Gospel as the unparalleled wisdom in its contents affirm that God, the Quickening Spirit, is on earth directing all the affairs in the world, setting the captives free, and fulfilling His promises. God has answered the plea in the Lord's Prayer as nominated in the Holy Bible, i.e. Thy Kingdom come, thy will be done on earth as it is done in heaven. That Kingdom has come. It is the Brotherhood of the Cross and Star, a Kingdom in reality and in practice with God Himself as the foundation and Head of the Monarchy. The government is theocratic and Love is the law. The Holy Spirit is warning everyone about the need to turn a new leaf and begin to love one another and all creation of God to escape the impending predicaments and calamities already befalling the world, and, especially, the final judgement of God. The Everlasting Gospel Volume 1 is a collection of some of the numerous Gospels and Bible Lectures delivered daily, and sometimes twice daily every day of the year, by the Holy Spirit personified in Leader Olumba Olumba Obu over a period spanning over forty years. The Gospels are delivered in the Efik dialect and interpreted into other languages, including English, by human interpreters. Interpreting Efik to English is a challenging task as Efik is a complex language with a lot of nuances and contexts. The priority of the interpreters is to, as much as possible, provide the English equivalents of the gospels being delivered and not try to contextualize or second guess the meaning.

The Development of Dogma Guy Mansini, 2023-10-27 The Development of Dogma examines the nature of dogmatic statements and the causes of development. It devotes particular attention to the emergence of the form of dogmatic statements at the Council of Nicaea, but notes how this form is anticipated in the New Testament. It situates dogma and its development within the matrix of the great fundamental theological realities of Scripture, Tradition, and Magisterium. Fr. Mansini examines at some length how the Church comes to recognize a development as a genuine development rather than as a distortion of the word of God. The Development of Dogma is especially valuable today for its discussion and defense of the philosophical presuppositions of dogma, which are often simply presupposed but should not be ignored in a complete account of development. These presuppositions touch on fundamental philosophical issues, including the nature of knowledge, the objectivity and trustworthiness of names, and the various logical forms employed in understanding how development is related to a closed revelation. The historicity of human knowledge is also addressed, and the role of dogma itself in heading off the extreme relativism the historical nature of man is supposed to imply for ecclesial faith and life. The Church's dogma about dogma enunciated at the First Vatican Council is also examined. The role of certain fundamental concepts in understanding the possibility of the irreformability of dogma it speaks of is expressly addressed—concepts in principle accessible to all human beings and that enable a trans-cultural, trans-temporal proposal and reception of revealed truth.
