Keeping Faith in Faith-Based Organizations Dean Pallant, 2012-03-05 The world's poorest people are struggling to access quality, affordable health care. Change is urgently required. Faith-based organizations deliver more than 40 percent of health services in many of the poorest places. This book argues FBOs can--and must--deliver quality health services without sacrificing their faith in the process. Dean Pallant asks an awkward question: If its faith does not drive an FBO, whose faith does? Pallant visited Salvation Army health ministries in more than forty countries in four years, and this book records his global reflections structured around a practical theological model of enquiry. His goal is to identify a faithful future for hundreds of Salvation Army hospitals and clinics and thousands of congregation-based health ministries. Pallant finds answers in the work of Karl Polanyi, John Wesley, Stanley Hauerwas, William Booth, and Luke Bretherton, among others. Pallant challenges the bio-medical definition of health and proposes a comprehensive appreciation of people as healthy persons--the people God created us to be. Pallant's proposals are bold and far-reaching for the Salvation Army and other FBOs. They are insightful and challenging for everyone--of whatever faith--committed to improve the health of the poorest people.

Essays Chiefly on the Original Texts of the Old and New Testaments Thomas Kingsmill Abbott, 1891

Reading the Epistles of James, Peter, John & Jude as Scripture David Nienhuis, Robert W. Wall, 2013-12-19 Through a

detailed examination of the historical shaping and final canonical shape of seven oft-neglected New Testament letters, Reading the Epistles of James, Peter, John, and Jude as Scripture introduces readers to the historical, literary, and theological integrity of this indispensable apostolic witness. While most scholars today interpret biblical texts in terms of their individual historical points of composition, David Nienhuis and Robert Wall argue that a theological approach to this part of Scripture is better served by attending to these texts' historical point of canonization -- those key moments in the ancient church's life when apostolic writings were grouped together to maximize the Spirit's communication of the apostolic rule of faith to believers everywhere. Reading the Epistles of James, Peter, John, and Jude as Scripture is the only treatment of the Catholic Epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection.

Dream It, Live It Shane Perry,2017-06-28 Each of us has an internal drive that grows restless from living a mundane and goalless life. Shane Perry has seen people overcome seemingly impossible circumstances to live the life of their dreams. These people are not special or separate from the rest of us. They are, in fact, just like us with only one difference—they dared to capture a vision in their minds and to hold it there until it became a reality. Shane Perry has followed the principles in this book. They have worked for him, time and time again. They are timeless truths rooted in Scripture, and they carry great validity when followed and applied. We were all put on earth for a purpose and we each have been given the tools to follow that purpose. By following the six principles outlined in this book, you can live the awesome life you were meant to live. But this will only happen when you get a revelation of who you are and of what God has specifically created you to do in this life. Then you can formulate a vision, complete with goals and plans, that will chart the course to get you there.

Postils for Preaching John Rollefson,2016-12-09 Postils for Preaching repristinates an old term for commentaries on the appointed texts by assisting preachers in their time-honored calling of preaching the Word. Post illa, some think, probably refers to the reflecting after this (meaning upon the texts) that preachers must do in the context of the lives of their congregations and larger communities. These essays do not aim to be sermons but sermon-starters, goads and incitements to consider the assigned texts with serious imagination and good humor, all in the context of the church year and its inter-textual connections. The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old (Matt 13:52). Please consider these postils a thesaurus (treasury) from which to borrow insights, references, and allusions as needed and found of value.

Some Thoughts... Kyle Morton,2021-10-18 From the back of the book: I had some thoughts and a burden about the Bible, the Message, and Life. And so I began writing and sketching. And this is as far as I have gotten. It is not perfect, but it is

good enough [for now]. I hope you can enjoy it. Some of it may be challenging. Allow yourself time to acclimatize... little by little. And may the Lord help us be more balanced. Together and as Individuals.
