Homespun Devotion Linda Smock, 2022-10-31 While growing up in the south in the mid-1900s, Linda Smock learned many phrases that were used to pass on wisdom. These colloquial sayings sometimes had roots in biblical principles, while others came from men such as Benjamin Franklin. Smock, a sinner saved by grace who desires to be a better disciple of Jesus, shares a collection of idioms used in daily conversations intended to help believers develop a closer relationship with God, to sense His guidance, and to see how he uses everyday events to help all of us grow in our walk with Him. Combined with biblical stories and principles that serve as guidance for living, Smock enhances the idioms with personal stories and provides examples from life on the farm as a child. Included are prayers created specifically to match each idiom. *Homespun Devotion* is a compilation of devotional idioms accompanied by scripture, prayers, and personal stories shared to help Christians live a better life while growing closer to God.

*The Yuletide Factor* Tim J Huff, 2015-09-01 *The Yuletide Factor: Cause for Perpetual Comfort and Joy* brilliantly rises to the level of Tim Huff's previous best-selling and award-winning works, *Bent Hope* and *Dancing with Dynamite*, challenging a

status quo population to look for, and become, “Christmas people,” every day of the year. But, make no mistake; this is not just “another” Christmas book, but rather one that will be equally at home in a springtime picnic basket or on a summertime dock chair as it will in a December stocking hung by the chimney with care. Beyond its exhilarating collection of seasonal short stories, The Yuletide Factor takes readers on a timeless journey, touching down when and where even nuances of the Christmas spirit have left indelible legacies, often at the unlikeliest of times and in the most improbable of places. Prepare yourself for an unpredictable adventure in faith, an unapologetic summons for goodness, a fascinating exploration of the human spirit, and a tender invitation to the soul.

I'm Grown LaFondra Willis-Dunn, 2020-02-25 Growing up in one of the largest inner cities in the south, Ylonia leaned more to the times around her; more so, than the lessons, her parents would speak to her. I’m Grown is loosely based on real illustrations in the fictitious life of eight different characters: Ylonia, Denise, Tyraneishia, Tre’Quan, Junior, Cassie, Blake, and Shaneka. The main fictitious character, Ylonia, narrates the book and is in no means a real-life character or person. From manipulation by an impressionable male, Ylonia found herself expecting her first child and subject to statistical ridicule. Feeling her life was over and there was nothing that she could do to change her situation; she settled in the cultural norms of just surviving in the inner city. After many more disappointments and feelings of betrayal by her then-husband and so-called friends, Ylonia began to open up and seek counsel in the people she felt was in a position that she desired to be in one day. Armed with the knowledge of what it takes to get where she wanted to be in life, Ylonia started strategizing how she can apply their steps to her situation without ending up on the street in the process. I'm Grown is collated in three parts: loose illustrations from her past; the assessment and resolution to those seemingly unavoidable and constant roadblocks, as well as, a workbook to help the readers begin their journey to strategizing to a better way of succeeding in life.
