A History of Spanish Film Sally Faulkner,2013-04-11 A History of Spanish Film explores Spanish film from the beginnings of the industry to the present day by combining some of the most exciting work taking place in film studies with some of the most urgent questions that have preoccupied twentieth-century Spain. It addresses new questions in film studies, like 'prestige film' and 'middlebrow cinema', and places these in the context of a country defined by social mobility, including the 1920s industrial boom, the 1940s post-Civil War depression, and the mass movement into the middle classes from the 1960s onwards. Close textual analysis of some 42 films from 1910-2010 provides an especially useful avenue into the study of this cinema for the student. - Uniquely offers extensive close readings of 42 films, which are especially useful to students and teachers of Spanish cinema. - Analyses Spanish silent cinema and films of the Franco era as well as contemporary examples. - Interrogates film's relations with other media, including literature, pictorial art and television. - Explores both 'auteur' and 'popular' cinemas. - Establishes 'prestige' and the 'middlebrow' as crucial new terms in Spanish cinema studies. - Considers the transnationality of Spanish cinema throughout its century of existence. - Contemporary directors covered in this book include Almodóvar, Bollaín, Díaz Yanes and more.

Cuando las cosas dejaron de tener sentido Editorial GrupoBuhó,Guillermo Ortiz,2008-04-12 Persecuciones tras Bret Easton Ellis, neones en la nieve con Joaquín Sabina, cafés con Christina Rosenvinge y Nacho Vegas... y la necesidad compulsiva de escribir. Una mezcla de realidad y fantasía en torno a un bar y los primeros pasos de un Chico Escritor. JB y psicólogos, la herencia de la generación grunge cuando se acercan los 30. Un libro que no es una novela, que no es un diario, que es una mezcla de las dos cosas y que gira en torno a la vitalidad y a una ciudad que se escapa entre los dedos.

2009, un año de CINE NOSTRUM Francisco Javier Rodríguez Barranco,2016-10-27 En este libro se analiza el cine español en el norte de África y el cine árabe en el sur de España, referido al año 2009 porque en él se cumple el 400 aniversario de la expulsión de los moriscos de los reinos de España. Por otro lado, 2009 fue el año en que el Instituto Cervantes tomó el relevo del Festival de Málaga de Cine Español en la organización del Festival de Cine Español de Tánger, así como el décimo aniversario de nacimiento de la Fundación Tres Culturas del Mediterráneo de Sevilla. 2009 fue el año de Retorno a Hansala, de Chus Gutiérrez. Y 2009 fue también el año en que surgió la iniciativa Cine nómada en las dos orillas.

Por ello en 2009, un año de CINE NOSTRUM se compilan festivales y eventos cinematográficos en las riberas del Mediterráneo para ilustrar la creatividad de esta zona del planeta y para cimentar puentes culturales a uno y otro lado de este mar de cultura. Todo ello con un estilo ameno que permite el disfrute de todos los públicos.

Tiempo de hoy, 2005-09

Themes in Latin American Cinema Keith John Richards, 2020-03-12 This updated and expanded edition gives critical analyses of 23 Latin American films from the last 20 years, including the addition of four films from Bolivia. Explored throughout the text are seven crucial themes: the indigenous image, sexuality, childhood, female protagonists, crime and corruption, fratricidal wars, and writers as characters. Designed for general and scholarly interest, as well as a guide for teachers of Hispanic culture or Latin American film and literature, the book provides a sweeping look at the logistical circumstances of filmmaking in the region along with the criteria involved in interpreting a Latin American film. It includes interviews with and brief biographies of influential filmmakers, along with film synopses, production details and credits, transcripts of selected scenes, and suggestions for discussion and analysis.

Teatro Solís Daniela Bouret, 2006

Amor impossibilis. Textos y pretextos de escritoras españolas (s.XX-XXI) AAVV, 2020-06-03 De autoras que escriben sobre mujeres, sobre sus relaciones, sus amores, sus pensamientos, sus ideas, sus miedos, sus dramas, sus risas y sus obras va este libro. Utilizadlo como un Gps para encontrar escritoras, a veces poco conocidas y otras invisibilizadas, que muestran una manera distinta de pensar y explicar el deseo entre mujeres. A través de estas autoras raras, muchas veces ocultas en las estanterías más elevadas e inalcanzables de las bibliotecas, podemos emprender un viaje literario por la idea lesbiana a lo largo del tiempo y saber cómo han vivido y a qué se han enfrentado en cada época y, así, reconstruir la historia sáfica, crear una genealogía y encontrar referentes que sirven para algo tan simple de entender como complicado de llevar a cabo: ser quienes queremos ser. No quienes quieren que seamos. En este libro la propuesta es conocer lo que han dicho sobre el lesbianismo y cómo lo han dicho escritoras de nuestro país que han transitado a lo largo del siglo XX, algunas, en épocas tan difíciles y oscuras como el franquismo, que se empeñó, a través de las leyes, la religión e incluso la medicina, en borrar a las mujeres raras del mapa. Ahí están Victorina Durán, Lucía Sánchez Saornil, Pureza Canelo, Elena Fortún, Isabel Franc, Cristina Castillo, Pilar Bellver, Txus García, Maria-Mercè Marçal, Elisabeth Mulder, Ana María Martínez Sagi, Ana María Moix, Alfonsa de la Torre, Susana Hernández... y todas las que completan este volumen, a través de cuyos textos podremos descubrir cómo se ha transformado no solo la idea lesbiana, sino también la percepción que han tenido sobre el amor entre mujeres la sociedad y el poder.

Escritoras canarias del siglo XX Blanca Hernández Quintana, 2003 Este ensayo pretende dar a conocer y sistematizar dentro de un determinado marco histórico-literario a numerosos nombres de autoras canarias que han desarrollado su labor

poética a lo largo del siglo XX, y que en la mayoría de los casos, han pasado desapercibidos. Del mismo modo, se realiza el análisis de la obra de determinadas autoras que han podido tener una mayor presencia en el devenir literario de Las Islas, como Josefina de la Torre, Chona Madera, Pino Ojeda, Pilar Lojendio, Ana María Fagundo, Elsa López y Cecilia Domínguez Luis. Todas ellas se circunscriben dentro de una tendencia realista por sus contenidos, como el amor, la muerte, y el sentido de la vida, que a su vez se compaginan con una riqueza formal, deudora de la evolución poética contemporánea y con reiteradas influencias del surrealismo, de marcada implantación en Canarias.

Cine argentino Claudio España,2005 El renovador periodo del restablecimiento de la democracia en la Argentina tuvo su correlato en la cinematografía nacional. El Fondo Nacional de las Artes dejó registro del mismo en el volumen *Cine Argentino en Democracia (1983-1994)*, realizado bajo la dirección de Claudio España, quien, a su vez, coordina la producción de una historia del cine argentino cuyo tomo inicial hace su aparición: *Cine Argentino: Industria y clasicismo (1933-1956)*, un cuadro interpretativo y evocador de los años que van desde el nacimiento de la pantalla sonora hasta la promulgación de la ley que establece el Instituto Nacional de Cinematografía. En un futuro no lejano verán la luz los tomos siguientes, el correspondiente al cine nacional de la modernidad (1957-1983) y el de la cinematografía muda (1896-1932), con el que concluye la colección
