

The Fifty Year Mission The Next 25 Years

Richard A. Hall

The Fifty-Year Mission Mark A. Altman, Edward Gross, 2016-08-30 “The oral history of the Star Trek franchise boldly continues” with inside stories and commentary from The Next Generation to the films of J.J. Abrams (Kirkus Reviews). This is the true story behind the making of a television legend. There have been many books written about Star Trek, but never with the unprecedented access, insight and candor of authors Mark A. Altman and Edward Gross. Having covered the franchise for over three decades, they’ve assembled the ultimate guide to a television classic. The Fifty-Year Mission: Volume Two is an incisive, no-holds-barred oral history telling the story of post-Original Series Star Trek, told exclusively by the people who were there, in their own words—sharing the inside scoop they’ve never told before—unveiling the oftentimes shocking true story of the history of Star Trek and chronicling the trials, tribulations—and tribbles—that have remained deeply buried secrets . . . until now. The Fifty-Year Mission: Volume Two includes the voices of hundreds television and film executives, programmers, writers, creators, and cast, who span from the beloved The Next Generation and subsequent films through its spin-offs: Deep Space Nine, Voyager, and Enterprise, as well J.J. Abrams’ reimagined film series.

The Fifty-Year Mission: The Next 25 Years: From The Next Generation to J. J. Abrams Edward Gross, Mark A. Altman, 2016-08-30 Volume two of a fifty-year oral history of Star Trek by the people who were there sharing never-before-told stories.

Star Trek, History and Us A.J. Black, 2021-03-29 Since 1966, the Star Trek television franchise has used outer space and the thrilling adventures of the crews of the U.S.S. Enterprise to reflect our own world and culture. Kirk and Spock face civil rights issues and Vietnam war allegories while Picard, Data, and the next generation seek an ordered, post-Cold War stability in the Reagan era. The crews of Deep Space Nine, Voyager and Enterprise must come to terms with our real life of war, manifest destiny in the 21st century, and the shadow of 9/11. Now, as the modern era of the franchise attempts to portray a utopia amidst a world spinning out of control, Star Trek remains about more than just the future. It is about our present. It is about us. This book charts the history of Gene Roddenberry's creation across five decades alongside the cultural development of the United States and asks: are we heading for the utopian Federation future, or is it slipping ever further away from reality?

The Fifty-Year Mission: The First 25 Years Edward Gross, Mark A. Altman, 2016-06-28 “Breathtaking in scope and depth,

this [uncensored oral history] is a must-read for Star Trek lovers” (Booklist, starred review). The original Star Trek series debuted in 1966 and has spawned five TV series spin-offs and more than a dozen feature films. The Fifty-Year Mission is a no-holds-barred oral history of five decades of Star Trek, told by the people who were there. Full of behind-the-scenes detail and surprising revelations, it is the unauthorized, uncensored, and unbelievable true story behind the making of a pop culture phenomenon. In their own words, hundreds of television and film executives, programmers, writers, creators and cast members unveil the oftentimes shocking story of Star Trek’s pioneering vision, constant reinvention, and ever-expanding universe—an epic saga that spans from the classic series to the animated show. More than just a book for Star Trek fans, The Fifty-Year Mission is for all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone.

Fifty-Year Mission Edward Gross, 2016-08-30

Star Trek's Philosophy of Peace and Justice José-Antonio Orosco, 2022-02-24 Countering the dystopic and the apocalyptic, Star Trek's Philosophy of Peace and Justice introduces political philosophical reflections on peace, justice, and non-violence through dramatic plots in the utopian Star Trek Universe. Using key insights from a global array of philosophers, thinkers, and activists, including Martin Luther King Jr., Cesar Chavez, Angela Davis, Martha Nussbaum, Johan Galtung, and Desmond Tutu, José-Antonio Orosco guides readers through different Star Trek episodes, applying key concepts from peace and justice studies. In the Star Trek Universe, seemingly impossible realities, based on peace and justice exist indefinitely in a post-scarcity society marked by economic cooperation. Orosco continues its bold utopian mission and brings new challenges to the field of peace and justice studies that center anti-racism and intersectional theory to encourage the exploration, over conquest, of our own galaxy.

Star Trek and the Tragic Hybrid Carolyn Burlingame-Goff, 2024-05-28 Spock, Data, Worf, B'Elanna Torres, Seven of Nine, Odo, Michael Burnham, Soji. Many of Star Trek's most beloved characters are children of two worlds, the products of competing biologies, materials, and cultures. Their popularity is unsurprising: authors mine conflicted identities for dramatic effect, and viewers see their own struggles reflected in the challenges of individuals who never seem to quite fit in. This book demonstrates that the tradition is not new. Spock and his fellow hybrids have their roots in anti-slavery literature. Abolitionist authors introduced protagonists who were both Black and White, yet not fully accepted as either. Divided at their core, the attempts of these noble yet tortured individuals to bridge their two races inevitably ended in tragedy. Gene Roddenberry and his successors thrust the character type into the future, using it to explore the evolving racial attitudes of their times. Star Trek's tragic hybrids have asked audiences to see beyond color, to embrace multiculturalism, to accept mixed-race identity, and, finally, to acknowledge the consequences of systemic oppression.

The Palgrave Handbook of Popular Culture as Philosophy Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use; using popular culture is a necessary evil, something merely

useful for reaching the masses with important philosophical arguments. But works of pop culture are important in their own right--they shape worldviews, inspire ideas, change minds. We wouldn't baulk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984--why aren't *Star Trek* and *Superman* fair game as well? After all, when produced, the former were considered pop culture just as much as the latter. This will be the first major reference work to right that wrong, gathering together entries on film, television, games, graphic novels and comedy, and officially recognizing the importance of the field. It will be the go-to resource for students and researchers in philosophy, culture, media and communications, English and history and will act as a springboard to introduce the reader to the other key literature in the field.

Fighting for the Future Sabrina Mittermeier, Mareike Spychala, 2020 This volume on *Star Trek: Discovery* brings together eighteen essays and one interview from a variety of disciplines including cultural and media studies, literary studies, history and political science. The essays examine the narratives and production history of the new series while situating it within the larger *Star Trek* franchise.

The American Villain Richard A. Hall, 2020-12-02 *The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television* provides one go-to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s, pop culture has focused on what makes a villain a villain. The Joker, Darth Vader, and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally, such bad guys as Angelus from *Buffy the Vampire Slayer* and Barnabas Collins from *Dark Shadows* have emphasized the desire for redemption--even in the darkest of villains. Various incarnations of Lucifer/Satan have even gone so far as to explore the very foundations of what we consider evil. *The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television* seeks to collect all of those stories into one comprehensive volume. The volume opens with essays about villains in popular culture, followed by 100 A-Z entries on the most notorious bad guys in film, comics, and more. Sidebars highlight ancillary points of interest, such as authors, creators, and tropes that illuminate the motives of various villains. A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad.

Nobody Does it Better Edward Gross, Mark A. Altman, 2020-02-11 The ultimate oral history of the only gentleman secret agent with a license to kill... and thrill...telling the incredible, uncensored true stories of the James Bond franchise and spy mania. For over five decades, the cinematic adventures of James Bond have thrilled moviegoers. Now, bestselling authors Mark A. Altman and Edward Gross take you behind-the-scenes of the most famous and beloved movie franchise of all-time filled with reflections from over 150 cast, crew, critics and filmmakers who reflect on the impact of this legendary movie franchise as well as share their thoughts about their favorite (and least) favorite 007 adventures and spy mania which gripped fans the world over in the wake of the success of the James Bond films. From Russia--with love, course--to Vegas, from below the bright blue waters of the Bahamas in search of a missing nuclear weapon to the top of the Golden Gate

Bridge, from below the seas in Stromberg's new Noah's Ark of Atlantis into orbit with Hugo Drax, *Nobody Does It Better: The Complete Uncensored, Unauthorized Oral History of James Bond* tells the amazing, true story of the birth of James Bond through the latest remarkable James Bond adventures as well as the Spy mania classics that enthralled the world. It's Bond and Beyond from the critically acclaimed authors of the bestselling *The Fifty-Year Mission* and *So Say We All*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Robots in Popular Culture Richard A. Hall, 2021-07-12 *Robots in Popular Culture: Androids and Cyborgs in the American Imagination* seeks to provide one go-to reference for the study of the most popular and iconic robots in American popular culture. In the last 10 years, technology and artificial intelligence (AI) have become not only a daily but a minute-by-minute part of American life—more integrated into our lives than anyone would have believed even a generation before. Americans have long known the adorable and helpful R2-D2 and the terrible possibilities of Skynet and its army of Terminators. Throughout, we have seen machines as valuable allies and horrifying enemies. Today, Americans cling to their mobile phones with the same affection that Luke Skywalker felt for the squat R2-D2. Meanwhile, our phones, personal computers, and cars have attained the ability to know and learn everything about us. This volume opens with essays about robots in popular culture, followed by 100 A-Z entries on the most famous AIs in film, comics, and more. Sidebars highlight ancillary points of interest, such as authors, creators, and tropes that illuminate the motives of various robots. The volume closes with a glossary of key terms and a bibliography providing students with resources to continue their study of what robots tell us about ourselves.

Star Trek M. Keith Booker, 2018-09-15 First airing in 1966, with a promise to “boldly go where no man has gone before,” *Star Trek* would eventually become a bona fide phenomenon. Week after week, viewers of the series tuned in to watch Captain Kirk, Spock, and the rest of the crew of the USS Enterprise as they conducted their five-year mission in space. Their mission was cut short by a corporate monolith that demanded higher ratings, but *Star Trek* lived on in syndication, ultimately becoming a multibillion-dollar media franchise. With merchandise spin-offs, feature films, and several television iterations—from *The Next Generation* to *Discovery*—*Star Trek* is a firmly established part of the American cultural landscape. In *Star Trek: A Cultural History*, M. Keith Booker offers an intriguing account of the series from its original run to its far-reaching impact on society. By placing the *Star Trek* franchise within the context of American history and popular culture, the author explores how the series engaged with political and social issues such as the Vietnam War, race, gender, and the advancement of technology. While this book emphasizes the original series, it also addresses the significance of subsequent programs, as well as the numerous films and extensive array of novels, comic books, and merchandise that have been produced in the decades since. A show that originally resonated with science fiction fans, *Star Trek* has also intrigued the general public due to its engaging characters, exciting plotlines, and vision of a better future. It is those exact elements that

allowed Star Trek to go from simply a good show to the massive media franchise it is today. *Star Trek: A Cultural History* will appeal to scholars of media, television, and popular culture, as well as to fans of the show.

The Fifty-Year Mission: The Complete, Uncensored, Unauthorized Oral History of Star Trek: The First 25 Years Edward Gross, Mark A. Altman, 2016-06-28 Volume one of a fifty year oral history of Star Trek by the people who were there, in their own words, sharing never-before-told stories.

"Hailing frequencies open" Thomas D. Parham, III, 2019-07-29 *Star Trek: The Next Generation* blended speculative science fiction and space opera in its portrayal of communication. Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal. This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek (while enticing millions of viewers). These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show, explaining their extreme devotion.

Strange Novel Worlds Caroline-Isabelle Caron, Kristin Noone, 2024-06-18 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967, close to 900 tie-in novels, anthologies, and omnibus editions have been published. Star Trek tie-in novels have had a significant influence on Western popular culture. The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe, and many stand as near equal builders of the Star Trek franchise, next to Gene Roddenberry, his producers, and the many creators of the later series. With such a vast and varied body of work, tie-in books form a rich and deep cultural phenomenon, the history and content of which are worthy of concerted study. Despite the enduring popularity of the franchise they are based on, no previous essay collection has ever focused on the numerous and widely diverse books of Star Trek tie-in novels. This collection does just that by examining the tie-in works as relevant literature. The essays primarily focus on tie-in books published from 1990 to 2022, and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs. fanfiction and merits of the genre. The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021.

Exploring Star Trek: Voyager Robert L. Lively, 2020-03-19 In 1995, *Star Trek: Voyager* brought a new dynamic to Star Trek's familiar, starship oriented, show. Lost 70,000 light-years in space, Voyager and its crew faced an uncertain and changeable future, echoing anxieties felt in the United States at the time. These fifteen essays explore the context, characters, and themes of *Star Trek: Voyager*, as they relate to the culture and zeitgeist of the 1990s. Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway, Kes and Seven of Nine, while essays on identity examine the show's intersections with disability studies, race and multiracial identities, family dynamics, and emerging AI and humanity. Using the epic journey of Homer's *Odyssey* as a starting point for

the series, and ending with an examination of the impacts of inception at the birth of the internet age, this book shows the many ways in which Voyager negotiated different perspectives for what the future of the galaxy and the USA could be.

The Routledge Handbook of Star Trek Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek, its history, its influence, and the scholarly response to the franchise, as well as possibilities for further study. This volume aims to bridge the fields of science fiction and (trans)media studies, bringing together the many ways in which Star Trek franchising, fandom, storytelling, politics, history, and society have been represented. Seeking to propel further scholarly engagement, this Handbook offers new critical insights into the vast range of Star Trek texts, narrative strategies, audience responses, and theoretical themes and issues. This compilation includes both established and emerging scholars to foster a spirit of communal, trans-generational growth in the field and to present diversity to a traditional realm of science fiction studies.

Inspired Enterprise Glen E. Swanson, 2025-08-01 Star Trek is a phenomenon, spinoffs and reruns have been a near constant presence on international television for more than 50 years. More than a dozen feature films have been produced, with many more on the way.

Fifty-Year Mission: the Next 25 Years: Volume Two: from the Next Generation to J. J. Abrams Edward; Altman Gross, Mark A. Altman, 2016-08-29 This is the unauthorised, uncensored and unbelievable true story behind the making of a pop culture phenomenon. The original Star Trek series debuted in 1966 and has spawned five TV series spin-offs and a dozen feature films, with an upcoming one from Paramount arriving in 2016. The Fifty Year Mission is a no-holds-barred oral history of five decades of Star Trek, told by the people who were there. Hear from the hundreds of television and film executives, programmers, writers, creators and cast as they unveil the often shocking, always fascinating story of Star Trek's ongoing fifty-year mission - a mission that has spanned from the classic series to the animated show, to the many attempts at a relaunch to the beloved feature films. Make no mistake; this isn't just a book for Star Trek fans. Like Saturday Night Live's bestselling *Live From New York*, here is the next volume for all fans of pop culture and anyone interested in the nuts and bolts of a television touchstone.

The Fifty Year Mission The Next 25 Years Introduction

The Fifty Year Mission The Next 25 Years Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Fifty Year Mission The Next 25 Years Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Fifty Year Mission The Next 25 Years : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet

Archive for The Fifty Year Mission The Next 25 Years : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Fifty Year Mission The Next 25 Years Offers a diverse range of free eBooks across various genres. The Fifty Year Mission The Next 25 Years Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Fifty Year Mission The Next 25 Years Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Fifty Year Mission The Next 25 Years, especially related to The Fifty Year Mission The Next 25 Years, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Fifty Year Mission The Next 25 Years, Sometimes enthusiasts share their designs or concepts in PDF

format. Books and Magazines Some The Fifty Year Mission The Next 25 Years books or magazines might include. Look for these in online stores or libraries. Remember that while The Fifty Year Mission The Next 25 Years, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Fifty Year Mission The Next 25 Years eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Fifty Year Mission The Next 25 Years full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of The Fifty Year Mission The Next 25 Years eBooks, including some popular titles.

FAQs About The Fifty Year Mission The Next 25 Years Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take

regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Fifty Year Mission The Next 25 Years is one of the best book in our library for free trial. We provide copy of The Fifty Year Mission The Next 25 Years in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Fifty Year Mission The Next 25 Years. Where to download The Fifty Year Mission The Next 25 Years online for free? Are you looking for The Fifty Year Mission The Next 25 Years PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Fifty

Year Mission The Next 25 Years. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Fifty Year Mission The Next 25 Years are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Fifty Year Mission The Next 25 Years. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to

access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Fifty Year Mission The Next 25 Years To get started finding The Fifty Year Mission The Next 25 Years, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Fifty Year Mission The Next 25 Years So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Fifty Year Mission The Next 25 Years. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Fifty Year Mission The Next 25 Years, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside

their laptop. The Fifty Year Mission The Next 25 Years is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Fifty Year Mission The Next 25 Years is universally compatible with any devices to read.
