Cosmism Yoda Oraiah, 2022-06-09 Standing on the riches of humanity's holy books and traditions, drawing on our wealth of scientific and technological knowledge, and injecting his own creativity and humour, Yoda Oraiah presents his readers with a potential new religion—Cosmism. *Cosmism: A New Hope for Humanity* is a thorough exploration of human belief and creed through history, accompanied by an exhaustive detailing of a new way, a new understanding, and an inspired approach to life. Cosmism is a Space Age philosophical model and belief system that is built upon the aspects of intelligence and consciousness present in the universe. It sees the entire Cosmos as God and humans as part and parcel of this great orderly system we seem to live in. Cosmists believe that since we are part of this Cosmos, we have the capacity to influence its life and evolution, and our relationship with this greatest system is something important to recognize and cherish in our lives. Hard-hitting, thought-provoking, and entertaining, *Cosmism: A New Hope for Humanity* will challenge readers to explore their place in the Cosmos and their relationship with its other inhabitants.

Hiramic Brotherhood William Hanna, 2017-07-18 This novel follows journalist Conrad Banner who is intent on filming a documentary in the Occupied Palestinian Territories. Inspired by his father Mark – an author and foreign correspondent with numerous journalism awards for his coverage in the Middle East – Banner's documentary presents a factually impartial account of the conflict. Hatred and violence was also being continually provoked by Israel's ethnic cleansing of the

indigenous population which was whitewashed by a form of propaganda known as hasbara, or 'explanation'. Such propaganda was aimed at an international audience to portray contentious Israeli action and policies – past and present – in a positive light while providing a negative portrayal of Arabs in general, and Palestinians in particular. Along with Jewish activist Adam Peltz and Palestinian guide Sami Hadawi, Banner finds himself unwelcome, resulting in some hazardous and ultimately fatal consequences. Hiram's Brotherhood is motivated by the blatant denial of human rights to millions of people, and in particular children, by the double standard of Western democracies. Exploring themes of culture, racism, religion and violence, Hanna brings to the fore a compelling story of struggle and divide.

Oust the Dictator Mehr A. Kalami, 2021-05-19 Since millennials, mankind has destroyed and dictated over humankind in the most brutal manner. From total obscurity, the chosen candidate is introduced and promoted by enablers through the International Political Mafia and Global Imperialism and Colonialism. The now powerful dictator is but a puppet of these internationals. Time and often the dictator barely realizes being a servitor of those power-wielders behind the curtain. This applies to Donald J. Trump whose ego and shortcomings made him easily manipulated by those in the Kremlin and other global Mafia bosses. What would be the scenario had Donald J. Trump won the second term in the 2020 presidential elections? Would he begin his term by first suspending the Constitution, declaring martial law, and appointing himself as the Martial Law Administrator? Considering the fact that he played a pivotal role in sending more than fifty thousand rioters to the Capitol Building to riot on his behalf on January 6, 2021 to overturn the presidential election results in his favor through violence and threats. It is easily possible that he could muster nearly five million fanatics and professional agitators to commit wanton acts of violence against those he despises. Perhaps sanity and logic could teach us a lesson to remember and never forget. Ousting the dictator once he is identified; and confronting him or her through non-violence is the only avenue to usher in peace and tranquility.

A Clash of Kings: The Illustrated Edition George R. R. Martin, 2019-11-05 A stunning illustrated edition of the second book in the beloved A Song of Ice and Fire series, for fans of HBO's Game of Thrones Continuing the celebration of the twentieth anniversary of George R. R. Martin's landmark series, this gorgeously illustrated special edition of A Clash of Kings features over twenty all-new illustrations from Lauren K. Cannon, both color and black-and-white, bringing glorious new life to this modern classic. A CLASH OF KINGS A SONG OF ICE AND FIRE: BOOK TWO With a special foreword by Bernard Cornwell Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and Robert Baratheon—who held sway over an age of enforced peace are dead . . . victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns, as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six

factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert's two brothers each seek their own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all of the land feels the tremors.

A Clash of Kings: The Graphic Novel: Volume One George R. R. Martin, 2018-10-02 The first volume of a four-part, full-color graphic novel adaptation of the second book in George R. R. Martin's landmark *Song of Ice and Fire* series, the inspiration for HBO's *Game of Thrones*. The four-part graphic novel adaptation of *A Game of Thrones* proved that George R. R. Martin's *A Song of Ice and Fire* has the power to enchant in any medium. Now the story continues as New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. No Sacred Cows David G. McAfee, Yvette d'Entremont, 2017-08-22 While belief in religious supernatural claims is waning throughout the West, evidence suggests belief in nonreligious supernatural claims is on the rise. What explains this contradiction? How can a society with a falling belief in God have a rising belief in ghosts, psychic powers, ancient astronauts, and other supernatural or pseudo-scientific phenomena? Taking the same anthropological approach he employed in his notable studies of religion, atheist author and activist David G. McAfee turns his attention to nonreligious faith-based claims. Whether going undercover as a medium, getting tested at Scientology headquarters in Los Angeles, or interviewing

celebrity paranormalists and famous skeptics, he leaves no stone unturned in his investigation. As in the case of religion, he finds an unwillingness among believers to critically examine their most closely held convictions. Only once individuals honestly assess their own sacred cows will they be able to ensure that their beliefs conform to the known facts—and that our decisions as a society are based on the best available evidence.

The Smallest Minority Kevin D. Williamson, 2019-07-23 The most profane, hilarious, and insightful book I've read in quite a while. — BEN SHAPIRO Kevin Williamson's gonzo merger of polemic, autobiography, and batsh*t craziness is totally brilliant. — JOHN PODHORETZ, Commentary Ideological minorities – including the smallest minority, the individual – can get trampled by the unity stampede (as my friend Kevin Williamson masterfully elucidates in his new book, *The Smallest Minority*). — JONAH GOLDBERG “The Smallest Minority is the perfect antidote to our heedless age of populist politics. It is a book unafraid to tell the people that they’re awful.” — NATIONAL REVIEW Williamson is blistering and irreverent, stepping without doubt on more than a few toes—but, then again, that’s kind of the point. — THE NEW CRITERION Stylish, unrestrained, and straight from the mind of a pissed-off genius. — THE WASHINGTON FREE BEACON Kevin Williamson is shocking and brutal (RUTH MARCUS, Washington Post), a total jack**s (WILL SALETAN, Slate), and totally reprehensible (PAUL KRUGMAN, New York Times). Reader beware: Kevin D. Williamson—the lively, literary firebrand from National Review who was too hot for The Atlantic to handle—comes to bury democracy, not to praise it. With electrifying honesty and spirit, Williamson takes a flamethrower to mob politics, the “beast with many heads” that haunts social media and what currently passes for real life. It’s destroying our capacity for individualism and dragging us down “the Road to Smurfdom, the place where the deracinated demos of the Twitter age finds itself feeling small and blue.” *The Smallest Minority* is by no means a memoir, though Williamson does reflect on that “tawdry little episode” with The Atlantic in which he became all-too-intimately acquainted with mob outrage and the forces of tribalism. Rather, this book is a dizzying tour through a world you’ll be horrified to recognize as your own. With biting appraisals of social media (“an economy of Willy Lomans,” political hustlers (“that certain kind of man or woman...who will kiss the collective ass of the mob”), journalists (“a contemptible union of neediness and arrogance”) and identity politics (“identity is more accessible than policy, which requires effort”), *The Smallest Minority* is a defiant, funny, and terrifyingly insightful book about what we human beings have done to ourselves.

The Wit & Wisdom of Tyrion Lannister George R. R. Martin, 2013-10-29 The perfect gift for fans of George R. R. Martin’s *A Song of Ice and Fire* novels and HBO’s *Game of Thrones*: a collection of wicked one-liners from the incomparable Imp of Casterly Rock, fully illustrated by Jonty Clark! “My mind is my weapon. My brother has his sword, King Robert has his warhammer, and I have my mind . . . and a mind needs books as a sword needs a whetstone if it is to keep its edge.” The jealous masses of the Seven Kingdoms may call him Halfman, but none have ever accused Tyrion Lannister of being a halfwit. His golden tongue has saved his skin slightly more often than it has landed him in mortal peril. Now, this special illustrated

volume preserves his most essential knowledge for future generations, featuring time-tested guidance on such varied subjects as . . . The art of persuasion “The best lies are seasoned with a bit of truth.” Fine dining “A little honest loathing can be refreshing, like a tart wine after too much sweet.” The fair sex “The young ones smell much better, but the old ones know more tricks.” Royal politics “Crowns do queer things to the heads beneath them.” Common ailments “A sword through the bowels. A sure cure for constipation.” At once charming, insightful, and ruthlessly irreverent, *The Wit & Wisdom of Tyrion Lannister* is short on pretense and overflowing with finely crafted gems—just like the man himself.

A Clash of Kings (HBO Tie-in Edition) George R. R. Martin, 2012-03-06 THE BOOK BEHIND THE SECOND SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. A SONG OF ICE AND FIRE: BOOK TWO In this thrilling sequel to *A Game of Thrones*, George R. R. Martin has created a work of unsurpassed vision, power, and imagination. *A Clash of Kings* transports us to a world of revelry and revenge, wizardry and warfare unlike any we have ever experienced. A comet the color of blood and flame cuts across the sky. And from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when kings clash, the whole land trembles.

The Dr. Gideon Fell Mysteries Volume One John Dickson Carr, 2018-10-02 Three Golden Age British-style whodunits from the Edgar Award-winning writer Agatha Christie called "a master magician . . . the king of the art of misdirection." One of the most popular Golden Age mystery authors, John Dickson Carr was also lauded by his peers. Agatha Christie offered him the highest praise from one mystery writer to another: "Very few detective stories baffle me, but Mr. Carr's always do." And Dorothy Sayers enthused: "Mr. Carr can lead us away from the small, artificial world of the ordinary detective plot into the menace of outer darkness. . . . Every sentence gives a thrill of positive pleasure." Featured in Carr's widely acknowledged masterpiece, *The Hollow Man*, Dr. Gideon Fell is a portly sleuth whose formidable intellect is the terror of every criminal in London and the envy of every detective in Scotland Yard. *The Blind Barber*: Aboard the majestic ocean liner *Queen Victoria*, the theft of a reel of top-secret government film sets off a chase involving stolen jewels, massive marionettes, and a corpse that won't stay put. It will take the timely intervention of Dr. Fell to cut through the shipboard shenanigans and unmask a killer. "A good mystery and lots of fun in the bargain." —*The New York Times* *Death-Watch*: A clockmaker is puzzled by the theft of the hands from a monumental new timepiece he is preparing for a member of the nobility. When one of the stolen hands is found buried between a policeman's shoulder blades, stopping his clock for all time, Dr. Fell comes to the aid of Scotland Yard, putting him squarely in the path of a madman with nothing but time on his hands. "There has probably never been, either in real life or in fiction, a more elaborately planned crime than this one." —*The New York Times* *To Wake the Dead*: On a wager, mystery novelist Christopher Kent travels from Johannesburg to London with only the cash in his wallet and the clothes on his back. He arrives with twenty-four hours to spare, his wallet and stomach both empty. But while having breakfast at a luxurious hotel, he is implicated in the murder of a guest. Fleeing the scene, Kent takes refuge with Dr. Fell. For Kent, getting to London was easy. The trick will be avoiding the hangman. "An excellent novel of crime and puzzlement." —*The New York Times*
