

# Leadership Secrets Of Attila The Hun

**Mark Steyvers**

**Leadership Secrets of Attila the Hun** Wess Roberts,1985 This is the book you've heard about. The book that leaped to the top ranks of the bestseller lists. The book that's got the business world reading, thinking, and quoting. This is the book that reveals the leadership secrets of Attila the Hun-the man who centuries ago shaped an aimless band of mercenary tribal nomads into the undisputed rulers of the ancient world, and who today offers us timeless lessons in win-directed, take-charge management.

**Leadership Secrets of Attila the Hun** Wess Roberts,1990-04-01

Leadership Secrets of Attila the Hun Wess Roberts,1987

*Victory Secrets of Attila the Hun* Wess Roberts,2012-06-20 This sequel to Leadership Secrets of Attila the Hun goes beyond the first book's focus on individual leadership and applies Attila's wisdom and lessons to the challenges of leadership in organizations. As essential for business managers and leaders as its now classic predecessor.

Leadership Secrets of Attila the Hun Wess Roberts,2007-10-15 Explains how the legendary military commander's principles of leadership can be applied to contemporary business situations in the '90s.

**Victory Secrets of Attila the Hun** Wess Roberts,1993-01

The New Psychology of Leadership S. Alexander Haslam,Stephen D. Reicher,Michael J. Platow,2010-09-13 Winner of the University of San Diego Outstanding Leadership Book Award 2012! Shortlisted for the British Psychological Society Book Award 2011! Shortlisted for the CMI (Chartered Management Institute) Management Book of the Year Award 2011-2012! According to John Adair, the most important word in the leader's vocabulary is we and the least important word is I. But if this is true, it raises one important question: why do psychological analyses of leadership always focus on the leader as an individual - as the great I? One answer is that theorists and practitioners have never properly understood the psychology of we-ness. This book fills this gap by presenting a new psychology of leadership that is the result of two decades of research inspired by social identity and self-categorization theories. The book argues that to succeed, leaders need to create, champion, and embed a group identity in order to cultivate an understanding of 'us' of which they themselves are representative. It also shows how, by doing this, they can make a material difference to the groups, organizations, and societies that they lead. Written in an accessible and engaging style, the book examines a range of central theoretical and

practical issues, including the nature of group identity, the basis of authority and legitimacy, the dynamics of justice and fairness, the determinants of followership and charisma, and the practice and politics of leadership. The book will appeal to academics, practitioners and students in social and organizational psychology, sociology, political science and anyone interested in leadership, influence and power.

**Leadership Resources** Center for Creative Leadership, Greensboro, NC.,2000 This guide provides over 300 pages of resources suggested by leadership educators in surveys, Center for Creative Leadership staff, and search of library resources. This eighth edition is half-new, including web sites and listserv discussion groups, and it places a stronger focus on meeting the needs of human resources professionals and corporate trainers. An annotated bibliography groups leadership materials in several broad categories: overview; in context; history, biography and literature; competencies; research, theories, and models; training and development; social, global, and diversity issues; team leadership; and organizational leadership (180 pages). Includes annotated lists of: journals and newsletters (9 pages); instruments (21 pages); exercises (41 pages); instrument and exercise vendors (5 pages); videos (29 pages); video distributors (4 pages); web sites (6 pages); organizations (21 pages); and conferences (9 pages). (Contains a 66-page index of all resources.) (TEJ)

**Effective Leadership in Nigeria** Dr. Onyema G. Nkwocha,2012-01-04 Effective Leadership In Nigeria: Practical Ways To Build an Effective, Inspiring, Transformational and Visionary Leadership and Governance in Nigeria is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems: - principles, processes, procedures and practical applications inherent in effective, inspiring, visionary and enthusiastic leadership. It attempts at instituting, building and encouraging good, effective, and visionary leadership in the nation and that is currently, virtually lacking. From the outset, the author makes it clear that this writing is not designed to model or fit any known leadership paradigm, theory or management style. Rather, based on relevant research on leadership as it impacts the Nigerian situation, the book attempts to explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better. The book is written and organized in a way that reflects and captures the contemporary experiences, frustrations, psychological emotions, aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country, their concerns, questions, dreams, and the expectations that have virtually gone unmet in the past more than half a century. Properly elucidating what leadership means, and differentiating it from rulership this book couldn't have come at a better time to assist Nigeria's leadership-struggles! A masterpiece, Dr. Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge. The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of

meaningful leadership, its principles, processes and pragmatic applications. The book is a must read!

HOW TO WORK FOR AN IDIOT (Volume 1 of 2) (EasyRead Super Large 24pt Edition) ,

Leadership Philip Sadler, 2003 Leadership MBA Masterclass provides an analysis of leadership styles, qualities and behaviours, drawing upon examples from the real world and addressing leadership issues covered in MBA courses.

*Women and Leadership* Karin Klenke, 2004-01-01 This book examines women's access to leadership roles and how these roles are perceived in society. It represents one of the first scholarly examinations of the burgeoning field of leadership. Using real-life examples and case studies of prominent women, Dr. Klenke explores the complex interactions between gender, leadership, and culture. Topics include the changing conceptions of leadership, women leaders in history, contemporary leadership theories, barriers to women's leadership, and women leaders worldwide. This volume is of primary interest to educators and students involved in women's studies programs as well as in courses in gender and leadership.

**Value Leadership and Capacity Building** Adel Safty, 2004 Adel Safty leads a distinguished group of scholars, researchers, and practitioners in the field of leadership in a multidisciplinary, multicultural, and critical inquiry into leadership in various social contexts. They thus address issues related to leadership and Public Policy, Leadership and Management, Leadership and Capacity Building and Leadership and Self-Development. The contributors include Mrs. Harriet Fulbright (USA), Mr. Enver Yucel (Turkey), Dr. John Kane (Australia), Ambassador Ingmar Karlsson (Sweden), Dr. Mansour Elagab (Sudan), Dr. Hafiza Golandaz (India), Ms. Marina Tyasto (Russia), Ms. Cristina Lamana (Spain), Dr. Carol Allais (South Africa), Dr. Stanley Gryskiewicz (USA), Dr. Nawal Amar (USA), Dr. Bruce Lloyd (England) Dr. Christos Nicolaidis (Greece), Dr. Ajay Chhibber (India), Dr. Muhsin Mengütürk (Turkey), and others.

*The Navy Chaplain* , 1990

*Lead to Succeed* Rick Pitino, 2001-12-04 Learn how to be a leader from one of sports' greatest teachers, Rick Pitino. As Rick Pitino says, great leaders aren't born great; they learn great leadership along the path of life. From the time Pitino first became a coach at twenty-four, he has been a student of leadership in all its forms, studying how great leaders from legendary coaches to American presidents to world humanitarians are able to inspire and motivate others. He discovered that all leaders, on the court and off, in business, politics, or civil rights, have certain qualities in common; these leaders share key traits that make people want to listen to them and follow them. Now, in *Lead to Succeed*, Rick Pitino shares the ten traits of great leadership he discovered and has cultivated in himself, and shows readers how they, too, can become leaders in their business and personal lives. As the former coach of the Kentucky Wildcats who turned the team around from probation status to a 1996 NCAA championship, Pitino relates stories of this experience, and other leadership lessons from his career. When Rick Pitino joined the Boston Celtics in 1997, he took on the biggest challenge of his professional life, becoming not only head coach but also president of the Celtics. In addition to coaching professional athletes with

multimillion-dollar contracts, he was assuming a leadership role of an organization saddled with salary cap problems, limited talent, misfortune in the draft lottery, and bombarded by adversity on all sides. Facing these adversities, Pitino has relied on a leadership strategy based on his years of learning from leaders around him and from his own mistakes and successes. Leading isn't about being a dictator; nor is it about people-pleasing. As Pitino shows in *Lead to Succeed*, leadership is about communication, consistency, and selflessness. In addition to illustrating how these traits apply in a variety of business situations, Pitino addresses these issues: How you can be an effective business leader and still be honest When it's best not to delegate How the past can hurt you How to get your team out of a slump While Pitino has had great success with his players, he has also convinced thousands of people in companies across America that his leadership message applies in the workplace as well. *Lead to Succeed* is for anyone who wants to inspire and motivate others--be it your employees or colleagues, or members of an organization you belong to, or your family. A perfect book for executives, managers, and sports fans, *Lead to Succeed* can make great leadership within reach.

**How to Say it Business Writing that Works** Adina Gewirtz,2007 A practical manual introduces a simple and effective ten-step program for developing persuasive and successful business writing, explaining how to determine the proper audience, select the most effective words, create polished prose, and more. Original.

**A Better Way to Think about Business** Robert C. Solomon,2003 This one-of-a kind business manual will show you how to be ethical without sacrificing profit.

An Insider's Guide To Working for the Federal Government Dan Lindner,2020-10-01 What is it like to work for the federal government? What are day-to-day operations like? How do I get a job in the Beltway? For anyone asking these questions, author and longtime federal employee Dan Lindner draws on more than forty years of experience to provide the answers. With simple, to-the-point, explanations of the different branches and agencies of government, Lindner guides prospective employees and contractors through the halls of bureaucracy, giving readers everything they need to know to excel in the federal environment. Along the way, Lindner provides "100 Lessons"—nuggets of advice for almost any situation. *An Insider's Guide to Working for the Federal Government* tells you how to get the job, how to thrive in the job, and how to retire. There's even an additional chapter covering Lindner's own career "war stories."

**The Psychology of Leadership** David M. Messick,Roderick M. Kramer,2004-09-22 In this book, some of the world's leading scholars come together to describe their thinking and research on the topic of the psychology of leadership. Most of the chapters were originally presented as papers at a research conference held in 2001 at the Kellogg School of Management of Northwestern University. The contributions span traditional social psychological areas, as well as organizational theory; examining leadership as a psychological process and as afforded by organizational constraints and opportunities. The editors' goal was not to focus the chapters on a single approach to the study and conceptualization of leadership but rather to display

the diversity of issues that surround the topic. Leadership scholars have identified a host of approaches to the study of leadership. What are the personal characteristics of leaders? What is the nature of the relation between leaders and followers? Why do we perceive some people to be better leaders than others? What are the circumstances that evoke leadership qualities in people? Can leadership be taught? And so on. The contributions to this book examine these important questions and fall into three categories: conceptions of leadership, factors that influence the effectiveness of leadership, and the consequences and effects of leadership on the leader. All in all, the chapters of this volume display part of a broad spectrum of novel and important approaches to the study of the psychology of leadership. We hope that they are equally useful to those who are or would be leaders and to those who study the topic. As recent events have served to remind us, it is too important a topic to be ignored by psychologists.
