

# The Gospel Of Mary Magdalene Free

## P. C. Sense

**The Gospel of Mary** Esther De Boer, 2005-06-20 The success of Dan Brown's Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary. Here, the author examines Mary Magdalene's influence on the beginnings of Christianity and asks what was her impact and her message? And furthermore, what became of her and her ideas? Esther de Boer studies the Gospel of Mary (the only Gospel to be named after a woman) to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo, the letters of Paul and the Gospel of John. She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context. In order to determine this context, the study identifies the different portrayals of Mary Magdalene in the New Testament, analyses their concepts of discipleship and their views on women, and investigates their historical 'reality'. Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John, and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus.

The Gospels of Mary Marvin W. Meyer, 2004-04-06 An analysis of the role of Mary Magdalene in the origins of Christianity presents the Gospel of Mary and other religious writings, contending that the Church suppressed her story and that she was among Jesus's closest followers.

*The Gospel of Mary Magdalene* Jean-Yves Leloup, 2002-02-01 Restores to the forefront of the Christian tradition the importance of the divine feminine • The first complete English-language translation of the original Coptic Gospel of Mary, with line-by-line commentary • Reveals the eminence of the divine feminine in Christian thought • Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene. Also known as Miriam of Magdala, Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection. In most theological studies she has been depicted as a reformed prostitute, the redeemed sinner who exemplifies Christ's mercy. Today's reader can ponder her role in the gospels of Philip, Thomas, Peter, and Bartholomew--the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church. Mary's own gospel is among these, but until now it has remained unknown to the public at large. Orthodox theologian Jean-Yves Leloup's

translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the first time in English. The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere. What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world.

**The Gospel of Mary of Magdala** Karen L. King, 2003 Lost for more than fifteen hundred years, the Gospel of Mary is the only existing early Christian gospel written in the name of a woman. Karen L. King tells the story of the recovery of this remarkable gospel and offers a new translation. This brief narrative presents a radical interpretation of Jesus' teachings as a path to inner spiritual knowledge. It rejects his suffering and death as a path to eternal life and exposes the view that Mary Magdalene was a prostitute for what it is--a piece of theological fiction. The Gospel of Mary of Magdala offers a glimpse into the conflicts and controversies that shaped earliest Christianity.

*The Gospel of Mary* Dr. Samuel Wyndham, 2025-01-14 The Hidden Gospels: Exploring the Lost Texts of Early Christianity - The Gospel of Mary In this compelling exploration of early Christian writings, The Hidden Gospels uncovers the secrets of one of the most intriguing and controversial texts of the ancient world: The Gospel of Mary. Long considered lost to history, this fragmentary manuscript offers a unique and profound perspective on the life, teachings, and legacy of Mary Magdalene. Through careful analysis and historical context, this book delves into the Gospel's radical reinterpretation of Christian beliefs, revealing a more personal and mystical side of Jesus' message that challenges traditional doctrine. It explores the themes of inner spiritual knowledge, the role of women in early Christianity, and the tensions between the Gnostic and orthodox traditions. The Gospel of Mary, with its enigmatic teachings and mysterious fragments, has captivated scholars and spiritual seekers alike, raising questions about faith, authority, and the hidden history of Christianity. The Hidden Gospels invites readers to uncover this lost text's transformative power and its relevance to modern spiritual exploration. Join us on a journey through time and theology, where the forgotten wisdom of early Christianity can offer new insight into our own faith, identity, and understanding of the divine.

**The Gospel of Mary** MARK M. MATTISON, 2013-08-05 Lost and forgotten for more than a thousand years, the only ancient Gospel named after a woman apostle emerged from the sands of Egypt just over a century ago. Originally written in Greek early in the second century and later translated into Coptic, Mary Magdalene's Gospel comes to vivid life in this fresh translation with contemporary reflections on the ancient wisdom of this recovered treasure. Note on the cover artwork: The title format on the front cover is patterned after the inscription at the conclusion of the fifth-century Coptic text of the Gospel According to Mary.

*The Gospel of Mary* Esther A. de Boer, 2004-05-01 The Gospel of Mary, the only known gospel that is named after a

woman, has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity. What was her impact and her message? What became of her and her ideas? This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. It proposes a new perspective on matter and nature in the Gospel of Mary, suggesting that it is not to be categorized as a gnostic writing. Furthermore, the study argues that Mary's teaching in the Gospel of Mary is more closely related to the writings of Philo, the letters of Paul and the Gospel of John than to the Nag Hammadi Codices. As such, the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene, but rather demonstrates the esteem of believers belonging to a broader Christian context.

A Free Enquiry Into the Origin of the Fourth Gospel P. C. Sense, 1899

**The Complete Idiot's Guide to the Gnostic Gospels** J. Michael Matkin, 2005 The founding of the early Christian Church had as much to do with politics and intrigue as it did with theology and religion. This history and the documents uncovered at the Nag Hammadi site in Egypt have formed the basis of some of the most interesting and mysterious questions today. Was Mary Magdalene a disciple of Jesus? What role did Jesus mother Mary play? What does the Gospel of Thomas tell us? Enter *The Complete Idiot's Guide to the Gnostic Gospels*. Expert author J. Michael Matkin has provided easy and understandable overviews to all these major works and more. With chapters discussing each of the major and minor documents found at Nag Hammadi, the book also includes an overview of Gnosticism and its most influential people. Readers get an easy, understandable view of the early Church, these relatively new documents, and their meaning to modern religion and philosophy today.

The Synoptic Gospels Set Free Daniel J. Harrington, 2009 Presents the Gospels of Matthew, Mark, and Luke in an interpretative context that frees them from Anti-Judaism and Anti-Semitism

*The Truth Which Sets Free* Peter Dunstan, 2007-02-26 He who has ears let him hear. Jesus said those words many times. What did he mean? He also declared, The truth will set you free. Which truth? Free from what? This book will tell you in no uncertain terms, a message to be stapled on the world's bulletin board for any who pass by, and in particular for those who have the right ears. It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy, especially Christianity. It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations. Along with many other surprises you will discover that the word church is not even in the Bible! This investigation covers most aspects of the Church with special reference to its origin in early times: fathers, councils, creeds, buildings, names and titles, saints, priesthood and clergy, celibacy, ordination, confirmation, sacraments, tithes, sabbaths, festivals, gospels and media, assurance, second-coming and ecumenical beliefs. All these are weighed against Scripture, namely the teachings of Christ, the apostles and prophets, and found to be either

non-existent, obsolete, not the same thing or quite the opposite! However, these concepts did not materialize from nothing; all came from someone, somewhere. The revelation of each source will be quite a shock for readers who thought they had a handle on the facts. Well-documented and researched but written in dynamic style, this presentation is often moving and alarming. This is the truth which sets free.

**A free enquiry into the origin of the Fourth gospel, by P.C. Sense** Bernard J. Sage, 1899

*The Four Gospels of Jesus the Christ* Robert Luthmers, 2011-07-30 The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament. By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy, gender, anti-Semitism and the sixteenth century's distortions inherent in King James I's promotion of the divine right of kings. From the discoveries and research over the last fifty years I have been inspired by the Gospel of Mary, the Gospel of Thomas, and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible.

**How Jesus Broke the Rules to Set You Free** Sharon Jaynes, 2015-10-01 Popular speaker, teacher, and author Sharon Jaynes offers fresh understanding to the meaningful encounters women in the Bible had with Jesus. She spends time with Jesus' mother, the woman at the well, Mary Magdalene, and others, and she brings to life their experiences with the forgiveness, healing, and compassion of Jesus. As you explore with Sharon how God interacted with these women, you'll uncover exciting and wonderful encounters, and you'll see that He has great dreams for you today. He continues to transform women from insignificant to highly esteemed disgraced to full of grace guilty to forgiven You will discover God's heart and hope for you as He lovingly exchanges your heartache, hopelessness, or shame for the beauty of wholeness.

**Forty Sermons Preached at the Parish-church of St. Mary Magdalene, Milk-street, London** Anthony Farindon, 1663

*The Truth Sets Women Free* J. Lee Grady, 2014-10-07 Is it scriptural for a woman to be a pastor? What should the response be to an abusive relationship? Is it OK for a woman to work outside the home? Go ahead...ask the tough questions! Although women in the United States have civil freedoms, equal rights in the workplace, and the full protection of law, many church leaders continue to quench the fire that burns in our sisters. We deny them equal rights to participate in the life of the church, and we slam the door on opportunities for leadership. In *Women and the Church* Grady takes these attitudes to task, providing answers from God's Word that will set women free. This is not a safe Christian book that tells women to sit quietly and obediently in the back of the church. For far too long the church has prevented women from answering God's call on their lives. It's time for a change! I will not be satisfied until the church repents for its gender prejudice and then fully releases women to obey the call of God on their lives. —J. Lee Grady

**The Templar Papers** Oddvar Olsen, 2006-01-01 The Templar papers, author and historian Oddvar Olsen has assembled a veritable Who's Who of experts to unravel the mystery.

Setting the Captives Free Marion L. S. Carson, 2016-11-24 Setting the Captives Free explores how a theological understanding of slavery goes against the idea of a God who is loving and just with the intention of being widely used in churches, activist organisations and groups, and by individuals. Ardently arguing that slavery is incompatible with Christianity, Marion Carson analyses how both anti-slavery and pro-slavery movements have been justified with the help of Scripture. In Setting the Captives Free, she provides an answer to the question What can the Bible say to us about contemporary human trafficking? By looking through important passages from the Old and the New Testament, Carson suggests what they might have to say to us about slavery in the twenty-first century. She analyses how Christians changed their views of slavery after its abolition, before closely examining what the Bible has to say about slavery in general, especially with regards to prostitution. At the end of each chapter, study questions are included to aid individual and group discussions in the hope that they will increase awareness of human trafficking and encourage more Christians to become actively involved in its eradication.

**The Strange Woman** Gail Corrington Streete, 1997-01-01 In the worlds of ancient Israel and early Christianity, political and religious laws limited women's options. But some women created options by participating in adultery, prostitution, and other sexual variances, thus resulting in a kind of independence not available to other women. These actions subverted the social system, leading to punishment for some women and power for others.

*Let the Oppressed Go Free* Luise Schottroff, 1993-01-01 This important collection draws together fascinating recent studies by a leading European scholar of aspects of the New Testament of special interest to women. These essays, translated for the first time, will deepen feminist scholarship in the English-speaking world. Includes insightful depictions of the Virgin Mary, Mary Magdalene, and the women at Jesus' grave.

## **The Gospel Of Mary Magdalene Free** Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable.
