What Better Place to Die Bernhoff A. Dahl, 2012-01-21 Mt. Washington, New Hampshire It was truly a "dark and stormy night," perhaps the darkest and stormiest of my life, for I came to within five key minutes of death... my death... because my rescuers were about to give up! As a physician and pathologist, I had developed a close professional relationship

with “death and dying” ... but not with my dying... certainly not with my death! During the long night, as I lay waiting for rescue in “whiteout” conditions, with wind gusts to 98 miles per hour, and then waiting for my Death, I had abundant time to think about living, to think about dying. It has been said since ancient times that to know how to live one must first learn how to die. Bernhoff A. Dahl, M.D., author, speaker, consultant, humorist, and veteran mountaineer shares his life - threatening experience in a positive, motivational, and inspirational message focusing on three admonitions: Be prepared to die! Have a plan to live! Do it now! After taking the trip to the mountain with Dr. Dahl, he will lead you through the three admonitions and start you on your own Journey Into the Self. Elaine Pearson Dahl (1949-2010), author, civic leader, offshore sailor, and white water champion not only help create this book, but she lived the three admonitions, right to the end. Included is an adaptation of Dr. Dahl’s international bestselling Optimize Your Life!, for which Mark Victor Hansen, co-author of the Chicken Soup for the Soul book series noted: “Everyone needs to be strategic. My friend Dr. Bernie, makes it easy to understand and do-instantly!” Dr. Dahl’s story was featured on The Learning Channel’s StormForce series.

Within the Madness That Is Grief Jeanette Fagan, 2012-11 This book is about the grief of a sudden young death and the madness that I was hurled into as a result. On March 12th 2004 I found my beloved brother dead at his flat and I was overcome with the grief that followed. I am a Registered General Nurse and have dealt with death and suffering within my profession for over 20 years. However, the impact of my grief after finding Kevin dead led to a nervous breakdown, the loss of my beloved job and the sense of myself as a person. I have had to write this book not only for me but also for the countless

people out there who as I type are getting a phone call, a knock on the door, the news that a young person has died suddenly. The impact of this type of grief is within the pages of my book and I hope that my words and emotions experienced will support you within the madness that is created. But mainly it is for Kevin because I could not let his death mean nothing because he meant everything to me and his family. In memory of Kevin this book has been wrote but it is mainly intended for those that are left behind to live within the madness that their loss has created.

Breaking The Inner Chain Malik Boyd,2014-04-01 Are you searching for your purpose in life? Are you ready for a breakthrough but can't seem to find it? *Breaking the Inner Chain* is an introspective look into the mind, heart and soul, addressing the paralysis, stagnation and other impediments that we've allowed to shackle our spirit and take us away from our God given promise. This book compassionately addresses the mix of personal, practical, and biblical issues surrounding the challenges of breaking through the mental chains and roadblocks that affect our success. Inside, we tackle the following questions: • How does God speak to me through His general revelation? • How can I recognize the daily lessons in everyday life scenarios? • How can I create my breakthrough moment? • What is the spiritual mindset of success? • Is it possible to adjust my mindset despite a difficult past? • How do I build a legacy that lasts?

Secrets of the Lighthouse Santa Montefiore,2014-08-05 Set in Ireland on the wild coast of Connemara, this hauntingly romantic novel tells the story of a young woman who goes in search of her family's past and ends up discovering her future. Ellen Trawton is running away from it all. She hates her job, she doesn't love the aristocratic man to whom she is engaged, and her relationship with her controlling mother is becoming increasingly strained. So Ellen leaves London, fleeing to the one place she knows her mother won't find her, her aunt's cottage in Connemara. Cutting all her ties with chic London society, Ellen gives in to Ireland's charm and warmth, thinking her future may lie where so much of her past has been hidden. Her imagination is soon captured by the compelling ruins of a lighthouse where, five years earlier, a young mother died in a fire. The ghost of the young wife, Caitlin, haunts the nearby castle, mourning the future she can never have there. Unable to move

on, she watches her husband and children, hoping they might see her and feel her love once more. But she doesn't anticipate her husband falling in love again. Can she prevent it? Or can she let go and find a way to freedom and happiness? The ruggedly beautiful Connemara coastline with its tightknit community of unforgettable characters provides the backdrop for this poignant story of two women seeking the peace and love they desperately need. For each, the key will be found in the secrets of the past, illuminated by the lighthouse.

The Last Colonials Don Corbly, 2009-11-11 The Last Colonials describes life in the 1700s in the northern colonies of America, what our ancestors ate, the clothes they wore, and how they eked out a living in Pittsylvania Country, the uncivilized land west of the Allegheny Mountains that separated the eastern parts of Pennsylvania and Virginia from their far western lands. It compares the wealthier eastern colonists' way of life with the poorer settlers who lived in the far lands. Read how the early settlers coped with the Indians who killed entire families in the scattered settlements. Learn how the settlers made clothes from plants and animals, how they preserved food, what their children went through at school, and how the strict Puritans maintained law and order. The colonial era ended when the colonists won their War of Independence from England and became citizens of the new United States. This book will take you through their years of strife, toil, and their ultimate success in creating the American Industrial Revolution.

Timber Courtney Lynn Rose, Even if she never remembers us, I'll never stop loving her. Dermot Timber O'Shea Caelan Finnigan is mine. Just because she's technically a clubwhore and I haven't claimed her as my ol' lady doesn't change a thing. She's been mine since she was twenty-three— she just didn't realize it. Even though I swore I'd never take an ol' lady, things are changing. I'm changing. Watching my sister getting married, my older brother having a baby— I want all that. And I don't want it with anyone but Caelan. It's taken me years to buck up the courage to tell her, and I do . . . at my sister's wedding. And then my past and actions as an Enforcer come back to bite me in the ass, taking away the only thing that means a damn— her. One gunshot changes everything. Just because they didn't kill Caelan doesn't mean they didn't take her from me. After waking from a coma, she has no idea who she is . . . she doesn't know who I am. She remembers nothing about us. Not my love for her, not our history, not how tightly she holds my soul in the palm of her hand. I'm going to find the shooter, and then I'm going to bathe in their blood . . . but all that won't ensure that Caelan ends up mine. No. Now, I also have to make her fall in love with me all over again.

Experience May Vary Brandon Rose, 2024-05-20 As we know, "experience may vary" when it comes to life, and no two events end the exact same way. *Experience May Vary* is a fictional look into a nonfiction life, told from the perspective of an alternate timeline from current day. A story for the ages, this book creates a picture of what Seattle would have looked like if it never became the metropolis it is today, and being self-governed by shadows working in the background. It creates a world that anyone can immerse themselves into without needing any prior knowledge. *Experience May Vary* can be as real or as fictional as the reader wants it to be. It's a small shred of the life of one man for future generations. Let's all share what we have seen, heard, and accomplished in this crazy thing called life. About the Author Brandon Rose grew up reading Brian Jacques and Terry Brooks as a kid and into teenage-hood. As a movie buff, he always enjoys a good story that can draw you in and leave a lasting impression. He drew a lot of inspiration from David Duchovny in his role in *Californication*. Brandon currently lives in Gold Bar, WA.
