NO SAINT RIA. WILDE,2022

All the Broken Pieces Ria Wilde,2023-02-14 Emery When I met him I didn't realize who he was. I still didn't when I let him take me back to his hotel for the night. I never expected to see him again. Until I found him on my father's couch, revealing him and I are connected in more ways than simply a one night stand. To make it worse, he was a Saint, part of the ruling mafia family that owned the city of Redhill. I should have stayed away at that point. I had a lot at risk and my own mess to deal with, but it wasn't that easy. Not when he kept showing up, and that one night turned to two, and then three... I was drawn to him as much as he was to me. We should have stayed away from each other. If we did, maybe there wouldn't be more than my heart on the line... Atlas She was a distraction I didn't see coming. A light in the dark. I was no good for her, not with my demons and my past. She deserved better. And yet I kept taking, kept devouring all that she was willing to give. My life was dangerous. I was dangerous. But she didn't run from me and maybe if she did we wouldn't be in this mess. But I'm a selfish man and the games I play are ones that only end in shattered pieces. She'll learn soon enough that I'm no good. But it'll be much too late by then. I should have known how this would end. How could someone so broken hope for a happy ending, after all? All the Broken Pieces is a standalone dark mafia romance from the author of the Twisted City Duet & No Saint. As this is a dark romance please expect some content that will not be suitable for all readers and is intended for readers 18+ All content & TWs can be found at the beginning of the book.

The Little Review "Ulysses" James Joyce,2015-01-01 James Joyce's *Ulysses* first appeared in print in the pages of an American avant-garde magazine, *The Little Review*, between 1918 and 1920. The novel many consider to be the most important literary work of the twentieth century was, at the time, deemed obscene and scandalous, resulting in the eventual seizure of *The Little Review* and the placing of a legal ban on Joyce's masterwork that would not be lifted in the United States until 1933. For the first time, *The Little Review "Ulysses"* brings together the serial installments of *Ulysses* to create a new edition of the novel, enabling teachers, students, scholars, and general readers to see how one of the previous century's most daring and influential prose narratives evolved, and how it was initially introduced to an audience who recognized its radical potential to transform Western literature. This unique and essential publication also includes essays and illustrations designed to help readers understand the rich contexts in which *Ulysses* first appeared and to trace the complex changes Joyce introduced after it was banned.
