Now Faith Music Min. Jermayne Wilks,2019-10-24 Music, in short, is a series of patterns. Being able to identify those patterns makes it easier and faster to learn songs. Learning songs is not the only part of being a musician. Applying your music ability to the church service beyond music is key. Knowing the difference between practice and rehearsal, modulate and invert, and being able to identify and translate different genres allows you assist in getting the Word of God out. Music is secondary only to the Word of God in the church service, which, in turn, makes the musician a very important part of the worship service. This book equips all levels of musicians, from beginners to seasoned vets.
