Dr. Colbert's Spiritual Health Zone Don Colbert,2025-01-07 FROM NEW YORK TIMES BEST SELLING AUTHOR OF THE SEVEN PILLARS OF HEALTH Did you know that unhealthy emotions such as anger, shame, and stress can rob years from your life? In his latest release, best-selling author Don Colbert, MD, reveals the key to living in divine health—walking in the empowering, cleansing, strengthening love of God. While medical knowledge is incredibly valuable, Dr. Colbert argues that it alone can't lead people to a place of optimum health in their bodies, minds, and emotions. Only love—the eternal, nourishing root of all wellness—can do that. Using scientific evidence, anecdotal stories, proven theories, and biblical principles, Dr. Colbert explains why the best thing we can do to protect ourselves from disease and promote all aspects of health is to learn to walk in God's love. It can help us become disease-resistant, heal relationships, relieve many common maladies, and lengthen our lives. In Dr. Colbert's Spiritual Health Zone, you will discover: The main features of the Love Walk, as it is lived out practically in our behavior The biblical basis for making love the central motivation and characteristic of our lives Why a pessimistic outlook robs so many believers of their joy and peace—and how to become a faith-filled optimist by choice The key role forgiveness plays in turbo-charging our health You don't have to suffer the effects of fear, shame, hopelessness, and other toxic emotions. You can restore your body, mind, and spirit through gratitude, forgiveness,

and other spiritual practices. Join Dr. Colbert on a journey of discovering the true source of life and wellness, learning to live in harmony, peace, and divine health.

A variety of scholarly approaches to a complex and changing phenomenon are juxtaposed with the narration of personal stories of testimony, vital to spirituality and expression of the revival, which give a sense of the dynamism of the movement. Those yet unacquainted with the revival will find a helpful introduction to its history. Those more familiar with the movement will discover new perspectives on its influence.

Miracles : 2 Volumes Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year, Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles. Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts, lending credence to the biblical miracle reports.
