**The Gothic in Children's Literature** Anna Jackson,Roderick McGillis,Karen Coats,2013-10-11 From creepy picture books to Harry Potter, Lemony Snicket, the Spiderwick Chronicles, and countless vampire series for young adult readers, fear has become a dominant mode of entertainment for young readers. The last two decades have seen an enormous growth in the critical study of two very different genres, the Gothic and children's literature. The Gothic, concerned with the perverse and the forbidden, with adult sexuality and religious or metaphysical doubts and heresies, seems to represent everything that children's literature, as a genre, was designed to keep out. Indeed, this does seem to be very much the way that children's literature was marketed in the late eighteenth century, at exactly the same time that the Gothic was really taking off, written by the same women novelists who were responsible for the promotion of a safe and segregated children's literature. This collection examines the early intersection of the Gothic and children's literature and the contemporary manifestations of the gothic impulse, revealing that Gothic elements can, in fact, be traced in children's literature for as long as children have been reading.

**Mystic** Peter James Ford,2023-10-19 "Mysticism in Newburyport" is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes

and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.

The Mystery Garth Nix, Sean Williams, 2013-05-28 New York Times-Bestselling Authors: Magically gifted twins must find a treasure before it falls into the wrong hands in a tale with "plot twists aplenty" (Booklist). Jack and Jaide Shield are troubletwisters—gifted with magic and cursed by The Evil, a force that will stop at nothing to destroy their world. Now an old man in an even older house has died mysteriously. The house holds something very important to The Evil—and Jack and Jaide must race to find it, even though they don't know what it looks like or where it is. But Jack and Jaide aren't the only ones searching for the treasure. And as the mystery gets bigger and bigger, they're not sure who they can trust. Even friends are beginning to act suspicious. And their father, who should be their strongest ally, is leading them into treacherous territory. At the heart of all magic is mystery, and at the heart of this mystery is nothing less than the key to controlling magic. It's going to take the two troubletwisters to the edge of their Gifts in order to figure this one out. "Exploring the ideas of secrets, self-identity, and trust, and with plot twists aplenty and intriguing new characters, this one delivers." —Booklist

**Above the Veil** Garth Nix, 2001 As they grapple with their individual fates, Tal and Milla become entangled in a revolution being planned against the Chosen of the Castle. But nothing is as it seems, and the revolution may be the cover for something much more sinister.

**Vision Quest** Peter James Ford, 2023-12-13 “VISION QUEST” is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter’s journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter’s late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid explosions in his mind of ‘seemingly’ past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter’s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. The source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title “MYSTICISM IN NEWBURYPORT” with an eighth bonus/companion book called “MYSTIC”. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

*The Missing* Garth Nix, Sean Williams, 2014-04-29 “The Troubletwisters are back and the stakes are higher than they’ve ever been” in this fantasy adventure by the New York Times–bestselling authors! It isn’t just the town of Portland that’s threatened, it’s the whole Earth . . . and certain dimensions beyond. The Wardens have devised a plan to get rid of The Evil once and for all. The only problem is that destroying The Evil may also mean abandoning some innocent people—including one of the twins.
