**Love and Loss** Colin Murray Parkes, 2013-05-13 Loving and grieving are two sides of the same coin: we cannot have one without risking the other. Only by understanding the nature and pattern of loving can we begin to understand the problems of grieving. Conversely, the loss of a loved person can teach us much about the nature of love. Love and Loss, the result of a lifetime's work, has important implications for the study of attachment and bereavement. In this volume, Colin Murray Parkes reports his innovative research that enables us to bring together knowledge of childhood attachments and problems of bereavement, resulting in a new way of thinking about love, bereavement and other losses. Areas covered include: patterns of attachment and grief loss of a parent, child or spouse in adult life social isolation and support. The book concludes by looking at disorders of attachment and considering bereavement in terms of its implications on love, loss, and change in a wider context. Illuminating the structure and focus of thinking about love and loss, this book sheds light on a wide range of psychological issues. It will be essential reading for professionals working with bereavement, as well as graduate students of psychology, psychiatry, and sociology.

**Lessons in Love and Loss** Holiday Mathis, 2019-02-15 Discover your complete horoscope for February 2019! Life can be chaotic and random. We are notoriously uncomfortable with the unknown. Our brains have evolved to filter out most of it, so what gets through are the threats, the changes, and the small things from which we are compelled to try to make order, to look for a pattern, to construct a narrative -- to make sense of the senseless. Holiday Mathis is trying, like we all are, to find the pattern. With her 15 years of experience in astrology and antiquity, Holiday peers through life's lens, connecting the dots and extracting meaning that will help readers know that they are seen and understood, and that we all belong together in this cluster of humanity, multitudes beneath one sky. With short and sweet insights, "Lessons in Love and Loss" serves to enlighten readers as to what to expect in their love lives, careers, health, relationships, financial futures and more this month.

**Narratives of Love and Loss** Margaret Rustin, Michael Rustin, 2020-05-05 Why do some stories written for children have so powerful an emotional resonance for both child and adult readers? This is the question addressed by Margaret and Michael Rustin, in a book which offers a detailed critical reading of some of the best-known modern British and American stories for children by writers such as E.B. White, Philippa Pearce and C.S. Lewis. The authors make use of psychoanalytical

and sociological ideas in their approach, interpreting the stories both as metaphors of states of feeling often experienced by children, and as images of the wider society in which they are written. A particular theme of their discussion is personal and imaginative growth in childhood, and the ways this can be affected, both for better and worse, by separation and loss. In their detailed consideration of the narratives of the stories, the authors avoid theoretical jargon, and concentrate on works which have interest and meaning for adult readers as well as children. *Narratives of Love and Loss* is an important and accessible book which will be of special interest to parents and teachers concerned with children's reading and imaginative play, and to those working in the fields of psychoanalysis, English literature and popular culture.

In this book, we delve into the depths of these universal emotions, examining their profound impact on the human experience. Love, in its myriad forms, has inspired countless works of art, literature, and music, each expressing the unique and universal aspects of this powerful force. From the passionate love of Dante and Beatrice to the enduring love of Odysseus and Penelope, love has been celebrated and cherished as the driving force behind human existence. The death of a loved one, the end of a relationship, or the loss of a cherished dream can leave us feeling bereft and alone. Throughout history, people have sought solace and meaning in the face of loss through art, literature, and storytelling. In the Renaissance, poets like Petrarch and Shakespeare explored the complexities of love and loss in their sonnets and plays, capturing the bittersweet essence of these emotions. As the centuries passed, love and loss continued to inspire writers and artists of all kinds. The Romantic poets of the 19th century, such as William Wordsworth and Percy Bysshe Shelley, found beauty and solace in nature's embrace, while Victorian novelists like Charles Dickens and Charlotte Brontë delved into the depths of human suffering and loss. In the 20th century, modernists like James Joyce and Virginia Woolf experimented with new forms of storytelling to explore the complexities of love and loss in a rapidly changing world. Today, in the 21st century, love and loss remain as relevant and universal as ever. Contemporary writers and artists continue to explore these timeless themes in their work, reflecting the ever-changing nature of love and loss in an increasingly interconnected and globalized world. From the poignant love stories of contemporary fiction to the heart-wrenching songs of modern musicians, love and loss continue to touch our lives and inspire us to seek meaning and connection in a world often filled with uncertainty. **The Price of Love** Colin Murray Parkes,2014-08-01 In the course of a long career Colin Murray Parkes, one of the most important and influential psychiatrists working in the field of bereavement and loss, has produced a body of work which can be considered truly ground-breaking. His early studies involved working alongside John Bowlby in the development of attachment theory and led to his pioneering work on the Harvard Bereavement Project in the USA and at the new St Christopher's Hospice in Britain. Parkes focussed on two psychological processes, grief, which is the painful search for a lost person or object of attachment, and transition, which is the process of changing the assumptive world in ways that ensure that nothing worthwhile need be completely lost. Out of the struggle to resolve the conflict between holding on and letting go of the old assumptions there gradually emerges a new and more mature model of the world. These ideas throw light on a wide range of life change events and have proved useful to people faced with bereavement, physical disabilities, dying, disasters and even terrorist attacks. In recent years he has supported humanitarian efforts in countries including Rwanda, India and Japan. Parkes' career has spanned several decades and touched countless lives. In *The Price of Love*, Parkes presents papers which span the full extent of his career, covering and linking together our understanding of the five major areas of his work: - Love and grief; - Crisis, trauma and transition; - Death and dying; - Disasters; - War and terrorism: breaking the cycle. The papers included here have been carefully selected and annotated to show how Parkes' thinking has developed during a career as researcher, practitioner and educator. In each section of the book psychological and social causes are paired with consequences and interventions (both preventive and therapeutic) and explored from Western and cross-cultural perspectives, all with Parkes' customary clarity and compassion. This unique collection of papers will prove invaluable to psychologists, psychiatrists, palliative care staff, counsellors and students, as well as those studying international conflict and working with the bereaved.

*Grief Is Love* Marisa Renee Lee, 2022-04-12 A trusted grief expert shares advice on how to navigate the loss of a loved one in this incisive and compassionate guide: “calm, lucid prose... humanizing exploration of coping with the life-changing tides of loss” (Kirkus Reviews). In *Grief is Love*, author Marisa Renee Lee reveals that healing does not mean moving on after losing a loved one—healing means learning to acknowledge and create space for your grief. It is about learning to love the one you lost with the same depth, passion, joy, and commitment you did when they were alive, perhaps even more. She guides you through the pain of grief—whether you’ve lost the person recently or long ago—and shows you what it looks like to honor your loss on your unique terms, and debunks the idea of a grief stages or timelines. *Grief is Love* is about making space for the transformation that a significant loss requires. In beautiful, compassionate prose, Lee elegantly offers wisdom about what it means to authentically and defiantly claim space for grief’s complicated feelings and emotions. And Lee is no stranger to grief herself, she shares her journey after losing her mother, a pregnancy, and, most recently, a cousin to the COVID-19 pandemic. These losses transformed her life and led her to question what grief really is and what healing actually looks like. In this book, she also explores the unique impact of grief on Black people and reveals the key factors that proper healing requires: permission, care, feeling, grace and more. The transformation we each undergo after loss is the indelible imprint of the people we love on our lives, which is the true definition of legacy. At its core, *Grief is Love* explores what comes after death, and shows us that if we are able to own and honor what we’ve lost, we can experience a beautiful and joyful life in the midst of grief.

Finding Love After Loss Marti Benedetti, Mary A. Dempsey, 2021-10-11 Guides readers through the emotions and practical concerns of finding love after the death of a partner. Romantic love, in all its permutations, forms one of the most fascinating of human interactions. It also can be one of life's thorniest challenges, especially in a world where relationships often unfold online and, recently, where a pandemic barred face-to-face contact with people outside one's immediate household. Among those seeking romance in increasing numbers is a group that stands apart: the women who, slammed by the death of a spouse, bravely pursue new love. Finding Love After Loss: A Relationship Roadmap for Widows goes to the trenches to interview widows who have embarked, nervously but with hope, on this quest. Their frank and revealing interviews, along with wisdom from relationship experts, provide guidance to other women trying to navigate the relationship

scene when their last date might have been decades ago. Where do widows find new partners? How much should they share in their online profile? What do they tell their friends and family? What about getting naked for the first time with a new man? Who pays when the bill appears at a restaurant? More than any time in U.S. history, the country's widows are seeking another chance at romance. The sheer number of widows—11 million, with an average age in the fifties—makes them a formidable force. They are living longer and have broader views on sex and money. Yet it is difficult for them to find their footing. Many of them have been away from the courtship arena for decades. They may make their return to dating with children and in-laws in tow. They are confused by the new rules and unclear on the expectations but convinced that they are capable of loving again. This book, written by a widow and a co-author who dated a widower, details just how powerful, sometimes daunting, and exhilarating the journey to new love can be. It also unveils the extraordinary ways that widows are reshaping the romance landscape: by tossing traditional marriage vows by the roadside, by skipping marriage entirely, or even by committing to a new partner but living apart. This isn't your grandmother's widowhood scene, not by a long shot. *Finding Love After Loss* examines the crazy, sad, and even zany contributions that people left behind by the death of a partner bring to new relationships. At the same time, it reveals both the amazing resilience of women who have lived through great loss and the irresistible pull of human connection.

*The Language of Love and Loss* Bart Yates, 2024-05-21 When his difficult mother is diagnosed with ALS, a sharp-witted yet sensitive artist reluctantly returns to his New Hampshire hometown – and all the ghosts he left behind. Fans of Andrew Sean Greer, Bryan Washington, and Jonathan Tropper will adore this outrageously funny, deeply touching, buoyant novel from the award-winning author of *Leave Myself Behind*. As it turns out, you can go home again. But sometimes, you really, really don't want to . . . Home, for Noah York, is Oakland, New Hampshire, the sleepy little town where Noah's mother, Virginia, had a psychotic breakdown and Noah got beaten to a pulp as a teenager. Then there were the good times—and Noah's not sure which ones are more painful to recall. Now thirty-seven and eking out a living as an artist in Providence, Rhode Island, Noah looks much the same—and swears just as colorfully—as he did in high school. Virginia has become a wildly successful poet who made him the subject of her most famous poem, "The Lost Soul," a label Noah will never live down. And J.D., the one who got away—because Noah stupidly drove him away—is in a loving marriage with a successful, attractive man whom Noah despises wholeheartedly. Is it any surprise Noah wishes he could ignore his mother's summons to come visit? But Virginia has shattering news to deliver, and a request he can't refuse. Soon, Noah will track down the sister and extended family he never knew existed, try to keep his kleptomaniac cousin out of jail, feud with a belligerent neighbor, confront J.D.'s jealous husband—and face J.D. himself, the ache from Noah's past that never fades. . . . All the while, contending with his brilliant, unpredictable mother.
