*Unapologetic* Natalie Frost, 2022-04-12 Take your power back and learn to love yourself. Being a female can come with some real challenges, even in today's society. Trying to find the best way to navigate the world can be tricky, especially when you are feeling alone. In candid, relatable prose, Natalie Frost shares some of the lessons that she's learned during her life so far. Drawing on her experience as a trauma survivor as well as a stepmom, her advice is particularly targeted at girls and young women who often receive destructive messages about their worth and agency as they grow up. This book addresses topics such as rape, abusive relationships, self-image, anxiety, suicidality, and family relationships, while also offering concrete advice on self-care and mental wellness. By sharing her personal history, Frost offers a thoughtful and tenderhearted exploration of mental health for girls and women. *Unapologetic* will be of particular interest to young women in their teens and early twenties, as well as to people in blended families.

*Checkmate: Unapologetic* Pamela Ann , Book Four in the *Unapologetic* Series. "Death is not the greatest loss of life. The greatest loss is what dies inside us while we live." —Norman Cousins Having a taste of paradise, only to have it immediately snatched from your grasp, was without a doubt the most excruciating experience one could have the misfortune of coming across. River Ellis couldn't fathom how things had spiraled out of control. Like a domino effect, once it was put into motion, it was unstoppable. One monumental ache after the other. Did he have enough strength to be the pillar of hope? Or would he cower from life's punishing blows, tormenting him until he was utterly and hopelessly crippled? But above all, could he protect the woman he'd vowed to spend the rest of his life with?

**Unapologetic** Dan Desmarques,2024-09-16 In today's world, many people are led to failure and mental illness by a vast array of false ideas shared by people who are not competent enough to be taken seriously. Realizing that this reality permeates our habits and choices doesn't come without a serious confrontation with the truth, which often means accepting our own mistakes along the way. The ability to make better choices in life depends fundamentally on this awakening. Without it, our potential will always be limited by our false beliefs. “Unapologetic: Embracing Your True Self in a World of False Ideas”, clearly presents many examples of factors that interfere with your ability to achieve success and greater happiness. By looking at various situations from a more pragmatic perspective, you will be guided to your true self. Everyone needs to know that what we choose to believe makes a difference in our results.

Savage: Unapologetic Pamela Ann , “‘Tis one thing to be tempted, another thing to fall.” - William Shakespeare Temptation is a wild dance—a tug of war of will, of faith, testing your limits, stretching your boundaries until you succumb to its wicked spell. Once it’s touched you—tainted you—there’s no turning back. It stays with you, feeding your doubts, nurturing your insecurity. Love...it can only go so far until it could no longer heal you. When your soul seeks for something darker, an element harder to define and you find yourself lost, forever searching for that missing piece that promises to complete you, there’s no turning back. Like a ticking time bomb, I knew sooner or later everything would begin to crumble. I should’ve known better.

Frank Bellamy Meets the Angel of Death Septimus Paul, 2023-10-27 After avenging the death of his son, Frank Bellamy

receives an offer he is forced to accept. The five-member New York Mafia Commission politely suggested he accept their invitation to become the boss of the Washington, DC, crime districts. The FBI and the CIA step in and pressure him to accept the offer. The FBI and the CIA, in collaboration with the Russian government, need Bellamy's help to crush an international drug ring and identify the main players in Russia and the US. To do so, he has to work closely with a Russian FSB agent, the Angel of Death. The Angel is a ruthless but seductive Russian assassin, whose personal agenda is to kill Bellamy who months earlier had killed her lover, Hans Klaus. He had killed Klaus to prevent him from assassinating the US president. (Read Frank Bellamy: The Assassins.) Bellamy also finds himself threatened by the New York Mafia who now resent his interference in their drug activity. Moreover, the Russian Mafia want his head because Klaus had worked for them. He is suspicious of the CIA whose interest in the drug distribution business may not be what it seems. In addition, he is uncertain who the Angel of Death actually represents: the Russian government, the CIA, the Russian Mafia, or her family's poppy-growing and opium-distribution business in Afghanistan. Before it's all over, Bellamy knows he may have to dispatch the Angel to hell.

Love Lives Carol Dyhouse, 2021-02-11 The story of how women's lives, loves, and dreams have been re-shaped since 1950, the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage, Mr Right, and happy endings... Cinderella stories captured the imagination of girls in the 1950s, when dreams of meeting the right man could seem like a happy ending, a solution to life's problems. But over the next fifty years women's lives were transformed, not by the magic wand of a fairy godmother, nor by marrying princes, but by education, work, birth control - and feminism. However, while widening opportunities for women were seen as progress, feminists were regularly caricatured as man-haters, cast in the role of ugly sisters, witches or wicked fairies in the fairy-tale. This book is about the reshaping of women's lives, loves and dreams since 1950, the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance, and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings. It ends with the runaway success of Disney's Frozen, in 2013 - a film with relevance to very different times. Along the way, it illuminates how women's expectations and emotional landscapes have shifted, asking bold questions about how women's lives have been transformed since 1950. How have women's changing life experiences been mirrored in new expectations about marriage, intimacy, and family life? How have new forms of independence through education and work, and greater control over childbearing, altered women's life ambitions? And were feminists right to believe that sexual equality would improve relationships between men and women?

**Flashback** Zorro Daddy, 2021-06-30 This is an adult age play story about the love between an age play couple. It is adult material and therefore is not intended for minors to read. Athena has just become unemployed, the company she faithfully worked for having gone under. When a virus shuts down the world for a year, this is what can happen. Through a chance meeting, she chooses to reinvent her life when she meets a guy who has a very specific interest in common with her ... ageplay. How uncanny is that? And how unlikely is it to meet someone who loves ABDL the same as she? It really isn't all that hard to believe ... for soulmates. His name is Harrison, a hard-working sports agent who needed to find a cure for his workaholism. He is a Daddy and she is a BabyGirl and they both need the dynamic in their lives in a way that neither of them could have imagined. Getting her a temporary job at the office where he works, Harrison has her move in with him. And suddenly, their lifestyle turns into the Daddy-n-BabyGirl dream. Almost like a real-life fairy tale. But in all good fairy tales, there is a struggle ... a villain to defeat. The villain in this story is a secret that Athena keeps from him. And in doing so, the very survival of a soulmate match made in Heaven, weighs in the balance. Flashback is a tale of diaper changes, nighties, sippy cups, spankings, short skirts, the business of sports, tummyflies, sex between the sheets, sex on the kitchen table, crinkling, whimpering, moaning, health, stitches, contracts, flying blouse buttons, flying baby powder, soulmates, premonitions and the future being discovered in the present. It is a sexual, emotional, intellectual, affectionate and fetish-laden read. Join Athena and Harrison as they move swiftly to learn if soulmates are real and if there is such a thing as a skirt that is too short to hide her diaper at the office. This is adult material and therefore is not intended for minors to read.

**The CEO's Fabulous Ex-Wife** Lucia Love, 2024-12-27 When Zora was sick during the early days of her pregnancy, Ezra was with his first love, Piper. When Zora got into an accident and called Ezra, he said he was busy, when in actual fact, he was buying shoes for Piper. Zora lost her baby because of the accident, and throughout her stay at the hospital, Ezra never showed up. She already knew that he didn't love her, but that was the last straw for the camel's back, and her fragile heart could not take it anymore. When Ezra arrived home a few days after Zora was discharged from the hospital, he no longer

met the woman who always greeted him with a smile and cared for him. Zora stood at the top of the stairs and yelled with a cold expression, "Good news, Ezra! Our baby died in a car accident. There is nothing between us anymore, so let's get a divorce." The man who claimed not to have any feelings for Zora, being cold and distant towards her, and having asked her for a divorce twice, instantly panicked.

**Everything we Dream** Kate Smith, 2018-06-10 Three deceptively simple little words... Three simple words. Words Savannah longs to say, but doesn't dare. She's made that mistake once already, at great risk to her fragile heart. Brandon seems perfect; the attractive, driven, medical resident with a bright, shining future. But nobody is truly perfect, and the rough edges and his reluctance begin to show. Hold on? Or cut him loose? Savannah is torn between the messages from her heart and the logic ruling her head. Three little words. Words Brandon vows to hold in his heart for that someone special. He's never said them; not to anyone. His imperfect home life has taught him the value of caution. He has issues, and he knows it. But a chance meeting with Savannah may just force him to confront them. This young woman might be his perfect fit; if he'd met her five years in the future. Their future seems uncertain, but fate intervenes, drawing them closer together. Hard choice arise. Or are they choices at all? Repeat the past? Or break the cycle? Three deceptively simple little words. They just might be everything we dream.

**Unspoken.... Because Love that Truly Loves.... Sometimes Stay Hidden** Atulya, 2025-08-04 Unspoken... Because love that truly loves... sometimes stays hidden is a collection of fourteen simple yet emotionally touching stories, set against the everyday backdrops of ordinary lives. The delicate threads that bind these stories are memory, longing, regret, and love left unexpressed. The characters we meet — in a school, on a college campus, aboard a train, or at a quiet restaurant — could be you or me. There are no dramatic events, only quiet turning points and moments of realization that shape lives in lasting ways. Written with tenderness and restraint, these stories draw from the emotional undercurrents of common people — a scientist who loses his family, a mother of two who meets a father-like figure, a retired man seeking closure, and men who couldn't speak... and live with longing ever after. There are no perfect endings here — only deeply human ones. Inspired by the narrative simplicity of R.K. Narayan and the emotional candour of Ruskin Bond, Unspoken invites readers to pause, reflect, and perhaps remember someone they once knew — or once were. These are stories of what was said, what was meant, and what was felt but never spoken. In the silences between the lines, something lingers.
