Paula von Gleich

An Autobiography Angela Y. Davis, 2022-03-10 'Riveting; as fresh and relevant today as it was almost 50 years ago. The words fire off the page with humour, anger and eloquence' Guardian A powerful and commanding account of the life of trailblazing political activist Angela Davis Edited by Toni Morrison and first published in 1974, *An Autobiography* is a classic of the Black Liberation era which resonates just as powerfully today. It is reissued now with a new introduction by Davis, for a new audience inspired and galvanised by her ongoing activism and her extraordinary example. In the book, she describes her journey from a childhood on Dynamite Hill in Birmingham, Alabama, to one of the most significant political trials of the century: from her political activity in a New York high school to her work with the U.S. Communist Party, the Black Panther Party, and the Soledad Brothers; and from the faculty of the Philosophy Department at UCLA to the FBI's list of the Ten Most Wanted Fugitives. Told with warmth, brilliance, humour, and conviction, it is an unforgettable account of a life committed to radical change.

Angela Davis Angela Y. Davis, 2022-01-18 "An activist. An author. A scholar. An abolitionist. A legend." —Ibram X. Kendi This beautiful new edition of Angela Davis's classic *Autobiography* features an expansive new introduction by the author. "I am excited to be publishing this new edition of my autobiography with Haymarket Books at a time when so many are making collective demands for radical change and are seeking a deeper understanding of the social movements of the past."

—Angela Y. Davis Angela Davis has been a political activist at the cutting edge of the Black Liberation, feminist, queer, and prison abolitionist movements for more than 50 years. First published and edited by Toni Morrison in 1974, *An Autobiography* is a powerful and commanding account of her early years in struggle. Davis describes her journey from a childhood on Dynamite Hill in Birmingham, Alabama, to one of the most significant political trials of the century: from her political activity in a New York high school to her work with the U.S. Communist Party, the Black Panther Party, and the Soledad Brothers; and from the faculty of the Philosophy Department at UCLA to the FBI's list of the Ten Most Wanted Fugitives. Told with warmth, brilliance, humor and conviction, Angela Davis's autobiography is a classic account of a life in struggle with echoes in our own time.

The Angela Y. Davis Reader Joy James,1998-12-10 For three decades, Angela Y. Davis has written on liberation theory and democratic praxis. Challenging the foundations of mainstream discourse, her analyses of culture, gender, capital, and race have profoundly influenced democratic theory, antiracist feminism, critical studies and political struggles. Even for readers who primarily know her as a revolutionary of the late 1960s and early 1970s (or as a political icon for militant activism) she has greatly expanded the scope and range of social philosophy and political theory. Expanding critical theory, contemporary progressive theorists - engaged in justice struggles - will find their thought influenced by the liberation praxis of Angela Y. Davis. The Angela Y. Davis Reader presents eighteen essays from her writings and interviews which have appeared in *If They Come in the Morning*, *Women, Race, and Class*, *Women, Culture, and Politics*, and *Black Women and the Blues* as well as articles published in women's, ethnic/black studies and communist journals, and cultural studies anthologies. In four parts - Prisons, Repression, and Resistance, Marxism, Anti-Racism, and Feminism, Aesthetics and Culture, and recent interviews - Davis examines revolutionary politics and intellectualism. Davis's discourse chronicles progressive political movements and social philosophy. It is essential reading for anyone interested in contemporary political philosophy, critical race theory, social theory, ethnic studies, American studies, African American studies, cultural theory, feminist philosophy, gender studies.

Contextualizing Angela Davis Joy James,2023-12-28 Angela Davis is iconic as an international figure but few recognize the educational, political and ideological contexts that formed the public persona. Excavating layers of networks, activists, academics, polemicists, and funders across the ideological spectrum, Joy James studies the paradigms and platforms that leveraged Angela Davis into recognition as an activist and radical intellectual. Beginning in Alabama in 1944 with Davis's birthplace and ending in California in 1970 with a surrogate political family, James investigates context in order to better understand the agency and identity of Davis. Her chronology marks key events relevant to Davis, Black communities, and the US: AntiBlack repression under Jim Crow, Black bourgeois southern families, revolutionaries, elite education, communist parties, international travels, undergrad and graduate schooling-all interconnect and play a part in Davis's rise in stature from persecution as a UC graduate student to the UC Presidential chair some three decades later. Set against the backdrop of 21st-century US democracy and the rise of neofascists, James highlights of the centrality of those considered ancillary to US liberation movements. She unpacks the contradictions of iconography and revolutionary agency and shows how a triumphal figure from a symbolic era of struggle became the icon of the rare peoples' victory.

Conversations with Angela Davis Sharon Lynette Jones,2021-07-29 When Angela Davis (b. 1944) was placed on the FBI's Ten Most Wanted list in 1970 and after she successfully gained acquittal in the 1972 trial that garnered national and

international attention, she became one of the most recognizable and iconic figures in the twentieth century. An outspoken advocate for the oppressed and exploited, she has written extensively about the intersections between race, class, and gender; Black liberation; and the US prison system. *Conversations with Angela Davis* seeks to explore Davis's role as an educator, scholar, and activist who continues to engage in important and significant social justice work. Featuring seventeen interviews ranging from the 1970s to the present day, the volume chronicles Davis's life and her involvement with and influence on important and significant historical and cultural events. Davis comments on a range of topics relevant to social, economic, and political issues from national and international contexts, and taken together, the interviews explore how her views have evolved over the past several decades. The volume provides insight on Davis's relationships with such organizations as the Student Nonviolent Coordinating Committee, the Communist Party, the Green Party, and Critical Resistance, and how Davis has fought for racial, gender, and social and economic equality in the US and abroad. *Conversations with Angela Davis* also addresses her ongoing work in the prison abolition movement.

Social Controversy and Public Address in the 1960s and Early 1970s Richard J. Jensen, 2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history. Examining the liberal movements of the era as well as those that opposed them, this volume offers analyses of the rhetoric of leaders, including those of the civil rights movement, the Chicano movement, the gay rights movement, second-wave feminism, and conservative resistance groups. It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s. This time period is still a fertile area of study, and this book provides insights into the era that are both provocative and illuminating, making it an essential read for anyone looking to learn more about this time in America.

African American Autobiographers Emmanuel S. Nelson, 2002-03-30 There is growing popular and scholarly interest in autobiography, along with increasing regard for the achievements of African American writers. The first reference of its kind, this volume chronicles the autobiographical tradition in African American literature. Included are alphabetically arranged entries for 66 African American authors who present autobiographical material in their works. The volume profiles major figures, such as Frederick Douglass, Zora Neale Hurston, Richard Wright, Maya Angelou, James Baldwin, and Malcolm X, along with many lesser known autobiographers who deserve greater attention. While some are known primarily for their literary accomplishments, others have gained acclaim for their diverse contributions to society. The entries are written by expert contributors and provide authoritative information about their subjects. Each begins with a concise biography, which summarizes the life and achievements of the autobiographer. This is followed by a discussion of major autobiographical works and themes, along with an overview of the autobiographer's critical reception. The entries close with primary and secondary bibliographies, and a selected, general bibliography concludes the volume. Together, the entries provide a detailed

portrait of the African American autobiographical tradition from the 18th century to the present.

Encyclopedia of African American Society Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports? How about African American Academy Award winners? Or perhaps you're asked about more complex social issues regarding the unemployment rate among African Americans, or the number of African American men on death row? If these questions sound familiar, the Encyclopedia of African American Society is a must-have for your library. This two-volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today's society. Approaching the field from a street level perspective, these two volumes cover topics of universal interest in America: rap music, sports, television, cinema, racism, religion, literature, and much more. The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends—slavery, segregation, separate but equal—that are often ignored in favor of mere facts. This is a definitive, reliable, and accessible entry point to learning the basics about African American society. The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism, affirmative action, and the civil rights movement. More than just a who's who, these volumes emphasize social issues and events—those filled with significance and consequence through history. Civil Rights, economic growth, law and justice, and politics—with all of their numerous subcategories—receive substantial coverage. The encyclopedia naturally contains hundreds of articles on notable African Americans (Martin Luther King, Jr., Jackie Robinson, Miles Davis), groundbreaking events (Emancipation Proclamation, Los Angeles Riots), sports and culture (Rap Music, Jazz), and significant heritage sites (Apollo Theater). This much needed two-volume encyclopedia should become a staple in collections at school, public, and academic libraries. Readers of all ages, backgrounds, and ethnic or racial groups will find fascinating material on every page. Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross-referenced for easy links from one topic to another Reader's guide facilitates easy browsing for relevant articles Clear, accessible writing style appropriate for high school and college students and interested lay readers Comprehensive index and bibliography Topics Covered Concepts and Theories Fine Arts, Theater, and Entertainment Health and Education History and Heritage Literature Media Movements and Events Music and Dance Organizations and Institutions Places Politics and Policy Popular Culture Religion and Beliefs The Road to Freedom Science, Technology, and Business Social Issues Special Populations Sports Advisory Board Sherri L. The Black Border and Fugitive Narration in Black American Literature Paula von Gleich, 2022-03-07 This book tests the limits of fugitivity as a concept in recent Black feminist and Afro-pessimist thought. It follows the conceptual travels of

confinement and flight through three major Black writing traditions in North America from the 1840s to the early 21st century. Cultural analysis is the basic methodological approach and recent concepts of captivity and fugitivity in Afro-pessimist and Black feminist theory form the theoretical framework.
