Log Cabin Lyrics Laurence Carlyle Tatum,1918

April Airs Bliss Carman,1916

Is It Really Just a Small World? Sandra Boyce Ghost,2011-06-07 When two neighbors who live in Bucksport, Tennessee unexpectedly meet in New York City, they usually say the same thing, Well, its a small world! This seems to be the phrase that always accompanies a remarkable coincidence. But what if it isnt coincidence at all? What if these extreme happenings could be orchestrated by God, to get our attention, to further His plan for our lives, or as some kind of heavenly protection? Have doubts about that? Well, Is It Really Just A Small World? promises to show one coincidence after another, all laced together in the life of one woman with the love of a heavenly valentine. The autobiography of Sandra Ghost reads like a page-turning soap opera when as a teen she tries to swim upstream in a troubled home life and uses marriage as an escape from the parental river of alcohol. Physical abuse ends this union and a second marriage promises all her dreams will come true, until she finds herself desperately trying to win her new husbands approval to no avail. She feels planted in the country with the crops and a newborn baby, and tries to imitate the housewives on TV, submissively trying to just tie a starched apron around her troubled mind. In a fluke of circumstances, Sandy is thrust into singing onstage. This occurrence blossoms into a surprising career as a nightclub entertainer with bookings all over the US and Canada, appearances on television, plus a recording contract. And this is when the miracles begin to happen... So, fasten your spiritual seat belt, get prepared for the ups and downs of a heavenly roller coaster ride that will leave you breathless with what the world would deem to be remarkable coincidences. (While this autobiography is told with humor and candor, it reflects solid and astonishing answers to prayer. When there are encounters with others whose stories of miracles also cross the path of the author, she has included affidavits by those involved to speak of the veracity of the episode.)

Unexpected Gifts Maria H. Thompson,2009-11 This book is about being human. Poetry is human. It is a look into the soul, daily living, and poetic presece of daily life. Every passion and pain of my own world has been turned into poetry, a story revealed. A book filled with beauty and surprise, unexpected gifts. This book is about the solitary moments in life, things that you have done and experienced and discovered that you've actually found them to be meaningful.

Songs from the Earth John Harris,1977

Blinded by the Sun Adam Salomon,2012-04-12 Motivated by the dream of becoming the next big thing, Dever, a Brooklyn-based metal band, storm their way through New York's nightclubs, making themselves known as a force to be reckoned with. Their intense live shows, coupled with their prowess of combining classic and contemporary elements of rock attract an ever-growing fan base with each concert. On stage and in the public eye, the band is larger than life due to front man Scott Ferrara's passion and powerful presence. Away from the limelight and manic-depressive, Ferrara senses there is more to life than just the mind-expanding evenings of sex, drugs, and rock n' roll and desperately seeks ways to change his

complacent routine. It is only after he falls for fellow singer Amanda Campbell that he realizes the magnitude of the challenge he's taken on.
