Ever-Loving Truth Voddie T. Baucham Jr., 2023-09-26 Truth is under attack. The gospel is under attack. We must be aware and equipped if we are going to respond. Voddie Baucham has a message for Christians in today's culture—it's time to take a stand for the truth. In *The Ever-Loving Truth*, this powerful preacher and teacher addresses the cost of being a twenty-first-century Christian and helps readers apply the unchanging truth of God's Word to contemporary life issues. The book draws parallels between committed Christians in our society and the New Testament writers, Peter and John, as followers of Christ who proclaimed and stood for truth in their non-Christian environment. You will find this compelling study leads you to evaluate what it means to be a Christian today and how to apply God's unchanging truth to a variety of circumstances.

Family Driven Faith: Doing What It Takes to Raise Sons and Daughters Who Walk with God Voddie T. Baucham, Jr., 2007-06-07 This bold book is an urgent call to parents—and the church—to return to biblical discipleship in and through the home.

Family Shepherds (By the author of Family Driven Faith) Voddie Baucham Jr., 2011-11-18 God has mandated the transfer of his truth from one generation to the next. Because this transfer takes place primarily in the home, Voddie Baucham Jr. seeks to guide men in faithfully shepherding their families. Derived from Baucham's monthly meetings with men in his church, *Family Shepherds* calls men to accountability for their God-given responsibilities as husbands and fathers. This book will inspire them to live better, love better, and lead better so that their families will thrive in every way. Baucham's clear style and practical approach will help men protect their marriage, raise kingdom-minded children, value the synergy between church and home, and navigate difficult family dynamics. It will inspire them to carefully evaluate and live out their role in all areas of life. *Family Shepherds* is a book that every father needs and that every church will want as a resource for training the men in their congregations.

What He Must Be Voddie Baucham Jr., 2009-01-30 All parents want their daughters to marry godly young men. But which qualities, specifically, should they be looking for? What will you say when that certain young man sits down in your living room, sweaty-palmed and tongue-tied, and asks your permission to marry your daughter? What criteria should he meet before the two of them join together for life? *What He Must Be... If He Wants to Marry My Daughter* outlines ten qualities

parents should look for in a son-in-law, including trustworthiness, a willingness to lead his family, an understanding of his wife's role, and various spiritual leadership qualities. Author Voddie Baucham follows up on his popular book *Family Driven Faith* with this compelling apologetic of biblical manhood. By studying the principles outlined in his book, parents who want their daughter to marry a godly man—as well as those who want their sons to become godly men—will be well equipped to help their children look for and develop these God-honoring qualities.

Expository Apologetics Voddie Baucham Jr., 2015-10-31 Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, *Expository Apologetics* sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers a reason for the hope that is in you.

Summary of Voddie T. Baucham's Fault Lines Milkyway Media,2021-08-25 Buy now to get the main key ideas from Voddie T. Baucham's *Fault Lines* In *Fault Lines* (2021), Voddie T. Baucham addresses the recent growth of Critical Race Theory (CRT) in the United States, especially after the death of George Floyd and the emergence of the Black Lives Matter movement. This has resulted in the increased adoption of its byproduct, Critical Social Justice (CSJ), and its worldview among many Americans in general and Christians specifically. Baucham warns about the hidden effects of this new wave on Christian denominations, and the slow and unnoticed replacement of the Christian worldview with its CSJ counterpart, which strips people from their connection to God, turning them into disciples of a vague schema that will ultimately divide them from each other as well.

God's Design for the Church (Foreword by Glenn Lyons) Conrad Mbewe,2020-09-15 What Is the Church? Foundational Truths from God's Word At the beginning of the twentieth century, Christians in Africa numbered approximately nine million—by the end, that number had grown to more than 380 million. As the number of Christians continues to grow, African pastors are often overwhelmed and in desperate need of guidance. Drawing from three decades of pastoral experience in Zambia, Conrad Mbewe has written a comprehensive handbook specifically for African pastors and church leaders. Structured around twenty commonly asked questions about God's design for the church, this helpful resource covers topics ranging from the definition of church and the role of church members to the importance of doctrine. Through this book, Mbewe aims to equip pastors and leaders with biblical principles that will permeate the landscape of Africa and transform its churches for generations to come. Published in partnership with the Gospel Coalition.

The Voice of Public Theology Ted Peters,2022-11-07 Public theologians are already thundering like prophets at climate change and racial injustice. But the gale force winds of natural science blow through society as well. The public theologian should be on storm watch.

Family Matters Shane Burnett,2022-08-01 Do you remember the television show Family Matters? I've often wondered

what the title actually meant. Did it mean that the family was important, or did it mean that they were going to address issues of the family? In reality, both of those answers are true, and that is exactly what this book addresses. The goal of this book to strengthen our families by helping us realize how important we are to God and learning how to incorporate Him into our daily life issues. You are going to see that many Christian families have unintentionally lost their biblical grip on the home; however, this book will give easy strategies to get it back. God simply wants us to worship Him every day and teach our kids to worship Him every day. One of the first things you will learn is to destroy the mythical definition of the word worship. Society has made us believe that we can't worship God without professional church help; therefore, we cannot effectively worship in our homes. Most people associate worship with an organized activity that usually takes place inside a church building. Worship takes place anytime one's attention is focused on God. This includes prayer, reading Scripture, listening to preaching, and simply talking about God with others. The thought of family worship as an organized nightly event that includes all elements of a church service has to be eliminated. Families who do this are to be commended; on the other hand, most families are intimidated by this and therefore decide to do nothing at all. This book will teach you how to routinely engage your family with God and strengthen your relationships with Him and each other. God will help you deal with family matters because family matters to Him.

The Ministry Of Marriage (CD). Voddie Baucham, Baucham urges parents to prepare their daughters for a calling established by God- marriage. He encourages fathers to give their daughters a vision for being wives and mothers and to equip them for this critical role.
