remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. The Keeper Charles Martin, 2025-04-01 USA TODAY and ECPA bestselling series Combine James Patterson and Colleen Hoover and you'll start to understand why readers are riveted by the *Murphy Shepherd* series from *New York Times* bestselling author Charles Martin: gripping action, heart-wrenching emotion, and deep questions that deserve to be considered. *Bones*—Murphy Shepherd's teacher, mentor, priest, and friend—is gone. Devastated by the loss and unsure how to continue the rescue work they started, Murph has no choice but to jump back in when the worst happens. His longtime friend and current United States vice president, Aaron Ashley, has been a silent partner in the fight against trafficking. But in spite of having the best security available, his three daughters have been taken bound and blindfolded from their home by an extraction team that left no clues and no trace—just an empty house, a bereft mother, and nine dead Secret Service agents. Only Murph and his team have a hope of finding them. *Bones* may have made the ultimate sacrifice by taking down his own brother and the dark network he led, but there are still others in this network where evil is the currency and power is the prize. Soon Ashley drops out of the presidential race and a new candidate emerges—someone who is ready, too ready, to step into the race and the Oval Office. *Bones* taught Murph that the needs of the one, the lost one, outweigh those of the ninety-nine. In his first rescue without *Bones* beside him, Murph's fight against human trafficking takes him across the globe and through the halls of government to destroy the network and save the lives and souls of those taken. The *Murphy Shepherd* series is simultaneously a tender love story, a heartrending search for freedom, an exploration of the terrible cost of human trafficking, and an anthem to the power of love to create change when it shows up regardless of the cost. *The Keeper* raises the stakes even further, so be ready—you won't want to put it down until you reach the very last page. Where the River Ends Charles Martin, 2009-07-28 'Nobody fights forever, so I prepared myself for two battles. The first was fighting alongside her. We've done that. As well as two can. But, as the years have ticked by, I've seen a second front coming - and it's the tougher of the two. Abbie might still be swinging but she was beat. To be honest, I think she was still in the ring fighting, simply for me. Lately, the thing that had been keeping me up nights was wondering what would happen if I told her that she could let her guard down - that she could stop fighting. What if she was just waiting on me?' Chris Michaels and Abbie Colman should never have met let alone fallen in love. As the only child of South Carolina's most senior senator, Abbie's father had wanted better for her than Chris, who grew up in a trailer park next to the St Mary's river. Abbie and Chris had married quickly and secretly, returning to face her parents' objections that haven't faded even after over fourteen years of marriage. But now Abbie and Chris are coming to the end of the road. Diagnosed with breast cancer four years

before, Abbie's case is now terminal and they've run out of options. Rather than letting Abbie spend her final days in a cold, sterile hospital room, Chris packs their bags and steals away with her in the middle of the night. They carry with them Abbie's 'wish list' - ten things she wants to do before she dies. The wishes are simple, normal; because after four years of non-stop invasive medical treatments, 'normal' is a fleeting memory. Along with taking a final trip with Chris on the river that holds so many memories for them both, Abbie wants to dance with her husband, drink wine on a beach, laugh until it hurts. But as they head for river's end, racing against weather and time, Abbie's father, the press and the police are determined to find them and bring Abbie home...
