Her Soul to Take: Deluxe Special Edition Harley Laroux, 2024-11-26 *** DELUXE LIMITED EDITION HARDCOVER with exclusive content, stenciled edges, reversible dust jacket, foil stamping, and designed endpapers!*** Like Buffy or The Vampire Diaries but with tons more spice, a titillating fork-tongued demon, and a ritualistic monster cult, the edgy dark romance that set TikTok on fire is now available as a special deluxe, extremely limited edition hardcover for fans of Scarlett St. Claire, Penelope Douglas, and Katee Robert. Leon My reputation among magicians is unblemished. Killer, they call me; killing is what I'm best at. One wrong move and you're dead. Except her. The one I was supposed to take, the one I should have killed. The cult that once controlled me wants her, but I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient—something evil—is waking up . . . and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body—he wants my soul.

Her Life, My words , Her Soul Enrique Palacios / Ana Quiroga, 2012-12-07 Introduction When I first heard of Ana, I needed to know why so many spoke of her. Why did so many, make so much out of wanting to know one woman? I eventually made up my mind to find a way to meet her. There is a very old saying, "curiosity killed the cat," in this case however; I had no way of knowing how much the curiosity would enhance the heart. She was no doubt as described by many, a very beautiful woman. But it was the way she carried herself that captured my interest. She treated all around her equally. No one

was above anyone else in her eyes. Her eyes spoke volumes and her smile hid a past I never dreamed of discovering.

When Kaylee arrives in her new home, strange things begin to happen. Ghosts from her past come back to haunt her, stranger after stranger arrive on her doorstep, and crazy, narcissistic men seem to think they have a sort of claim on her, for one reason or another. Kaylee must learn to live her life in a place that doesn't feel like home, surrounded by people she doesn't know, being forced to accept things about herself she never thought possible. Can she escape those who are after her, who will do anything to get her, or will she lose herself along the way?

Europe in Search of Her Soul Georg von Goldbach, 2024-11-04 The civilization of the modern world takes its origins in the Renaissance in Europe. A Historical reconstruction of the creation of modern Europe since the Renaissance leads to a thorough understanding of the critical and constituent elements that are characteristic of the mindset of Europe and its people. These principal elements are the growing individual consciousness and the role played by the individual in society, the specific European view on progress, and the unique European view on growth. Science and technology are the foundation and basic melody of the Western model of capitalism and life in modern Europe. In their combination, this complex of factors and forces has driven Europe and the West to colonialism and the paradigm of never-ending Expansion. These constituent factors and their systemic interdependencies are characteristic of the mindset of Europe and of the collective historical memory of the Western nations. The specific mindset of Europe and its people is considered the principal root cause of the

economic, political and environmental crises in Europe. Through globalization, the crisis in Europe and the Western-dominated world has spread and is exerting its impact globally. Life on earth has reached a threshold. The crisis is further exacerbated by a lack of globally valid rules for global governance to effectively cope with the crisis. The Global South is not convinced by the suggestions and actions of the Western power elites. Hence, it is high time for Europe and the Western nations to look for an honorable and peaceful outcome. Pragmatic and feasible Steps for a way out of the crisis in Europe are shown in the book. A change in the mindset in Europe and a paradigm shift in politics are demanded.

Her Soul for a Crown Alysha Rameera, 2025-08-12 ****SPECIAL DELUXE EDITION WITH DESIGNED EDGES, CHARACTER ART, MAP, AND MORE.**** For readers of Sarah J Maas, Scarlett St. Clair, and Tasha Suri's *The Jasmine Throne*, this epic, slow-burn romantasy inspired by Sri Lankan mythology follows a fierce orphaned young woman with an affinity for poisons and revenge who would do anything to end the reign of heartless rajas—even sell her soul to the most dangerous cursed god

of all—the Blood Yakka, Reeri. Anula Ramanayake of Anuradhapura calculated her ascent the moment she was orphaned—when her village burned in an endless war and the gods forsook her prayers. First, she would marry the raja. Then, she would poison him and take the throne for herself and her people. But when an unexpected coup thwarts her careful plans, Anula is left with one desperate option. She offers her soul to the cursed gods she renounced in exchange for the crown. In the Second Heavens, Reeri the Blood Yakka, the most dangerous and powerful of his clan, hears her prayer. For eons, he's waited for such a valuable offering—one that could finally give him the chance to kill his divine tormentor and return his fellow Yakkas to their former glory on earth. Reeri accepts Anula's bargain, tethering them until their goals are achieved, or until they die. As the war presses on, Anula must move quickly or lose her chance to become the first raejina. But while she is skilled at many things, especially in stopping hearts, the closer she grows to Reeri, the more she finds her own heart at risk. And when the time comes to fight enemies both human and divine, Anuradhapura and the Heavens will never be the same.

The Twin Souls: Books 1 & 2 of the Eternity Series Holly Newhouse,2014-11-23 A person can have many soul mates in a lifetime but, each person has only one twin soul in each life. This belief taught to me by my grandmother is one that has always filled me with wonder. As a young child, she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls. The legend is as old as creation itself. It is said that as the creator was making human

beings he was surrounded by souls to place in them. The creator decided to take a single soul and split it in half creating twin souls. He then took the two twin souls and touched them together as light as a butterfly's kiss. The twin souls were then separated and placed respectively into man and woman. The creator lightly touched them together so that when they meet one day, they will recognize the other's soul as their twin. This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever. I am "Sumanitu taka kici mani wiya" which means she who walks with the wolf and live with my elderly grandmother, Shetawahki, who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe.

Thus to Fling Her Soul Jennifer De Leon, 2025-02-25 This work is about performance, vulnerability, brokenness, age, and the Call. It is autobiographical, the journey of an experienced dancer-choreographer with recognition nationally and internationally. As, additionally, an academic with several degrees, Jennifer De Leon's work is supported by theoretical research. Her approach is hermeneutical phenomenological and includes some of her PhD material. Laying aside the academic strictures of university research, however, provides the author entry to a spiritual dimension giving her scope to explore the Call. The spiritual, artistic, theoretical, and whimsical support the story about how and why, despite age, injury, and pain, flinging the soul is a worthy alternative to giving up. This book is thus universally relevant for all who are aging or know pain, loss, or despair, and yet are drawn by the Call to not give up. The goal of this book is to inspire hope--offering a vision as to how life with age, injury, pain, or vulnerability, can be lived not just satisfactorily, but abundantly.
