Mary and the Church at Vatican II: The Untold Story of Lumen Gentium VIII Laurie Olsen, 2024-07-01 This masterful work by Dr. Laurie Olsen uncovers the behind-the-scenes story of the Dogmatic Constitution on the Church Lumen Gentium VIII based on unpublished records from the Vatican Apostolic Archives, including internal memoranda, private notes, never-before-heard audio recordings of closed-door sessions, and more. This monumental achievement of archival research provides a window into what really happened at Vatican II—the council’s inner workings and maneuvers to steer Lumen Gentium VIII in a direction that would profoundly affect marian devotion and the study of mariology from that moment on.

Mary in Our Life Nicholas Joseph Santoro, 2011-08-12 *Mary In Our Life: An Atlas of the Names and Titles of Mary, The Mother of Jesus, and Their Place in Marian Devotion* presents the 1,969 names, titles, and appellations used to identify the Blessed Virgin Mary over the centuries in terms of their history and related events. Within these titles and their history can be seen the official and private attitudes and prejudices of the times; government pressures, conflicts, and interdictions; internal problems within the Catholic Church; and startling examples of dedication, devotion, and piety. Taken together, Marian titles are a real-life story of the Catholic faith.

Eloquent Images Giuseppe Capriotti, Pierre-Antoine Fabre, Sabina Pavone, 2022-08-16 The Christian image in the process of modern globalisation Drawing on original research covering different periods and spaces, this book sets out to appreciate the specific place of images in the history of evangelisation in the long modern period. How can we reconceptualise the functions of the visual mediation of the gospel message, both in terms of the production and reception of this message and in terms of its effective mediators, artists, religious, and cultural ambassadors? The contributions in this book offer multiple geographical and historical insights regarding the circulation of the image on the global scale of the Christianised world or the world in the process of being Christianised, from China to Iberia. Combining the contribution of historians and art historians, the authors highlight the points of intercultural encounter and tension around preaching, catechesis, devotional practices and the propagandistic use of images. Through its aesthetic and social study of the image, and by examining the inner and outer borders of Europe and the mission lands, *Eloquent Images* contributes significantly to the history of evangelisation, one of the major dynamics of the first European globalisation.

The Miraculous Image in the Late Middle Ages and Renaissance Erik Thunø, Gerhard Wolf, Accademia di Danimarca, Bibliotheca Hertziana, Max-Planck-Institut, 2004 The present volume results from the conference L'immagine miracolosa nella cultura tardomedievale e rinascimentale, which was held at the Danish Academy in Rome, 31 May - 2 June 2002. The aim of the conference was to shed light on a body of visual material, often neglected by art history, and thus to call attention to a new field of study in the visual arts of the Late Middle Ages and the Renaissance.

Structures of Reform: The Mercedarian Order in the Spanish Golden Age Bruce Taylor, 2021-10-01 During the

sixteenth and the seventeenth centuries the Mercedarian Order of friars, founded in the 1220s, underwent a period of reform from which it emerged utterly transformed. This study sets out to examine not only the context of that reform - the policies of the crown and the papacy, the condition of Catalonia and Spain at large, the circumstances prevailing within the Order and the dialogue with its past - but also to grasp the essence of monastic reform itself against this diverse background. The imposition of other than purely religious criteria onto the reform agenda alerts us to the deeper implications of monastic change in Early Modern Europe. For the Mercedarians the result by 1650 was a wholly new Order; the evolution of this process, by turns calculated and unexpected, is here explored.

The Holy Portolano / Le Portulan sacré Michele Bacci, Martin Rohde, 2014-12-11 In the late Middle Ages, a trans-Mediterranean network of holy sites developed, linked to one another by sea routes. Due to their locations, they stood out as symbolic intersections between the sea, the land, and the heavens. The essays in this volume describe the specific sacred geography of the sanctuaries situated along medieval sea routes and examine their characteristics from the perspectives of history, religion, and art history.

The Living Image in the Middle Ages and Beyond Kamil Kopania, Henning Laugerud, Zuzanna Sarnecka, 2025-02-25 This edited volume discusses images that bleed, speak, cry, move, and behave in ways we usually attribute to living creatures. Living images have been the object of devotion as well as targets of destruction, and they have been marginalised in both culture and cultural studies for their ambivalence as well as their transgressive nature. But what is it that makes images the

loci of such powerful properties? The present volume is an attempt to recuperate the living image, draw it from the margins, and re-illuminate its importance for cultural history. The title of this book reflects the ambition of the contributions to navigate between the Middle Ages of the past and the Middle Ages of the present. Our aim is to provide new theoretical reflections and methodologies concerning the study of material agency and “living images” both historically and today. The chapters include close examination of surviving objects and archival research, as well as theoretical reflections, and span chronologically and geographically across Europe from North to South, medieval to modern. The book will be of interest to scholars working in art history, medieval studies, material culture, theatre studies, and religious history.

La mujer que venció al mal Gabriele Amorth, 2013-04-10 El padre Gabriel Amorth ofrece en este libro 31 meditaciones espirituales sobre la Virgen María, estructuradas a modo del tradicional «mes de María». Los textos del P. Amorth, apoyados en la Sagrada Escritura y la enseñanza eclesiástica, recorren el itinerario terrenal de María de Nazaret (su nacimiento, la anunciación, la visitación, la natividad, la epifanía, la huida a Egipto, las bodas de Caná, la pasión o pentecostés), así como las principales tradiciones sobre la Virgen (los dogmas de la Inmaculada y la Ascensión, el nombramiento de Madre de la Iglesia, el reconocimiento de su inmaculado corazón, las apariciones, el Rosario o su papel como Mediadora). El acercamiento a la vida de la Virgen, la primera redimida, la primera discípula y la primera colaboradora, lleva al lector al conocimiento de la relación tan especial y fuera de lo común que se estableció entre María y su hijo Jesús.

Motorcycle tour Sardinia Wolfgang Pade, 2023-05-12 Here is the experience of a motorcycle trip over the entire island of Sardinia, from the point of view of a biker, reported. The motorcycle tour starts in Illingen near Stuttgart and goes through Switzerland to Italy to the port of Genoa, from where I take the car ferry to Sardinia overnight. On the beautiful and natural island I move into my headquarters in Samugheo, this mountain village is located in the center of Sardinia. From there, I ride my motorcycle in a star shape to the daily destinations that are of interest to me and document them in the book. The routes of the daily tours can be taken in the itinerary or on a visual overview. After very many driven kilometers on Sardinia it goes back again over night on the car ferry from Olbia to Genoa, in order to drive on the next morning with the motorcycle over Italy and Switzerland to Illingen with Stuttgart. This travelogue contains 14 color pages and detailed maps of the motorcycle tour.

LA CITTÀ PALINSESTO/I. Tracce, sguardi e narrazioni sulla complessità dei contesti urbani storici: Memorie, storie, immagini Francesca Capano, Massimo Visone, 2020 [Italiano]: Oggetto di questo volume è l'articolato patrimonio di tracce, di immagini, di narrazioni che costruiscono la città contemporanea. Parliamo di realtà urbane che vanno rilette e raccontate per parti, per strati, a ritroso, in maniera tale da poter sbrogliare quell'intricata matassa di sovrapposizioni che si sono succedute nel corso del tempo. Sono tracce molto spesso ancora in situ, talvolta nascoste, qualche volta modificate, ma

anche distratte, frammentate, malcelate e nascoste ./[English]:The subject of this book is the complex heritage of traces, images and narratives that build the contemporary city. We are talking about urban realities that must be reread and recounted in parts, by layers, backwards, in such a way as to be able to unravel that intricate skein of overlaps that have occurred over time. They are traces very often still in situ, sometimes hidden, sometimes modified, but also distracted, fragmented, poorly concealed and hidden.
