**The Way of Hope** Melissa Fisher, 2017-07-04 Most churches today struggle to answer the same-sex relationship debate that is quickly transforming our culture, our kids, and our churches. As a result, Christians struggle to demonstrate love and grace to those with same-sex attraction. That means that more and more people who are looking for truth and a place where they belong are deciding that the church is either indifferent to their struggle or outright hostile to people like them. There's a better way--the way of hope. With deep understanding born from her own painful experiences, Melissa Fisher shows that somewhere between the extremes of condemning and condoning is compassion. In this book, she aims to equip the church to make a positive difference in the lives of those hurting from relational or sexual brokenness. Perfect for pastors, parents, siblings, and friends of the ten million people in America who identify as LGBTQ, who long to love them well.

Pride: A Celebration in Quotes Caitlyn McNeill, 2019-06-10 To celebrate the 50th anniversary of the first Pride Parade, this book offers inspiring words of wisdom on loving yourself as you truly are. These thoughtfully selected quotations are the perfect way to honor the 50th anniversary of the Stonewall riots and the first Pride parade. Taken from throughout history and from a variety of voices, they celebrate everything the LGBT community has achieved, looking at inclusivity across the board and reminding us that love is one of the world's greatest powers. Quotes include: "We, the people, declare today that the most evident of truths—that all of us are created equal—is the star that guides us still; just as it guided our forebears through Seneca Falls, and Selma, and Stonewall." —Barack Obama I've never been interested in being invisible and erased. —Laverne Cox To be yourself in a world that is constantly trying to make you something else is the greatest accomplishment. —Ralph Waldo Emerson

*All in the Same Boat* Susan G Holmen, 2020-11-18 On the journey through significant personal transition, emotional pain, struggle, and fear are inevitable, and all of us are in the same boat. No one is immune to loss and difficult times. We are all challenged, knocked down or wounded by life sometimes. Transforming these occurrences into an enriching experience is a choice. Choosing to transcend trials and tragedies and grow from them is a spiritual decision and moves us further up the

spiral of growth. This work is meant to inform, touch, and inspire readers to do just that. The author tells the story of learning to live more fully and consciously as she moved through times of extreme anguish, bewilderment and loss. She describes how “The 4 Rs” helped her transcend those trials. These are the fundamentals that see us through tough times. With stories, information and exercises, the book provides valuable guidance for weathering the storms and navigating the byways of life, moving readers toward acceptance, authenticity and meaning.

**Touching God** Ellyn Sanna, 2002 Touching God is a gentle invitation to an experience of God that is immediate and intimate. Drawing from both her own life and a range of sources, author Ellyn Sanna shows how the lived symbol is often more truly felt than the theology behind it. A profound awareness of this helps us counter a cold, abstract image of God and make all of life sacramental.

**Mother Shock** Andrea J. Buchanan, 2009-03-13 According to Andrea Buchanan, Mother shock is the state in which many new parents exist during those first confusing, chaotic and often comical years of parenting. It is the clash between expectation and result, theory and reality. It is the twilight zone of 24-hour-a-day living; where life is no longer neatly divided into day and night; the triple-impact of hormonal imbalance, sleep deprivation, and physical exhaustion. It is the stress of trying to acclimate quickly to the immediacy of mothering; a new conception of oneself, one’s role in the family and in the world; a fearful new level of responsibility, and a new delegation of domestic duties. In this much-needed and delightfully funny collection of essays, Buchanan shares the insight she gains as she moves through the stages of mother shock. From Fear of the Double Stroller and Confessions of a Bottle Feeder to I’m an Idiot and Everything I Needed to Know I Learned in Playgroup, Buchanan details the unimaginably difficult and unbelievably rewarding process of becoming a mother.

**Invisible Companions** J. Bradley Wigger, 2019-07-23 From the US to Nepal, author J. Bradley Wigger travels five countries on three continents to hear children describe their invisible friends—one-hundred-year-old robins and blue dogs, dinosaurs and teapots, pretend families and shape-shifting aliens—companions springing from the deep well of childhood imagination. Drawing on these interviews, as well as a new wave of developmental research, he finds a fluid and flexible quality to the imaginative mind that is central to learning, co-operation, and paradoxically, to real-world rationality. Yet Wigger steps beyond psychological territory to explore the religious significance of the kind of mind that develops relationships with invisible beings. Alongside Cinderella the blue dog, Quack-Quack the duck, and Dino the dinosaur are angels, ancestors, spirits, and gods. What he uncovers is a profound capacity in the religious imagination to see through the surface of reality to more than meets the eye. Punctuated throughout by children's colorful drawings of their see-through interlocutors, the book is highly engaging and alternately endearing, moving, and humorous. Not just for parents or for those who work with children, Invisible Companions will appeal to anyone interested in our mind's creative and spiritual possibilities.

Screenwriting for a Global Market Andrew Horton, 2004-04-01 Cinema is a truly global phenomenon and screenwriters who limit their ambitions to Hollywood can unnecessarily limit their careers. This text provides the practical know-how for breaking into the global marketplace.

*Once Upon a Time* Debbie Macomber, 2014-03-11 Argues that each individual's life is a never-ending story, and uses the elements of a story to show readers how to understand their lives better, showcasing the big picture God writes in each person's story.

*I Hated You Because You Were My Favorite Teacher* Donna Wilberding, 1995 I HATED YOU BECAUSE YOU WERE MY FAVORITE TEACHER is a compilation of anecdotes & memories that Donna Wilberding collected during the first 15 years of her 19-year teaching career. The kids encouraged me to do a book. Writing the book was easy. I had 10 scrapbooks & 600 quotes from kids. It took a one year leave of absence, writing eight hours a day, to complete the volume. As stated in the Foreword, I HATED YOU... permits the reader to step inside the author's shoes & walk through the labyrinth of the classroom, experiencing the highs & lows that teachers experience on a daily & sometimes hourly basis. Wilberding revisits & discusses the happy & sad, positive & negative relationships she has had with her students. What makes I HATED YOU... UNIQUE is that she describes the MANY, MANY times, that she has LEARNED MORE from her students than they did from her!! One reviewer writes, From its intriguing title to its uplifting conclusion, I HATED YOU... is a moving story of one teacher's journey toward personal-fulfillment & professional growth & the UNFORGETTABLE STUDENTS who made the journey possible.
