Our Lady of Charity Maria Morera Johnson,2019-04-05 Maria Morera Johnson grew up knowing the virgencita—the Virgin Mary—and had a special love for Our Lady of Charity, the patroness of Cuba. Even after Johnson moved to the United States, Our Lady of Charity continued to influence her life. In her new book, the bestselling and award-winning author shares her childhood recollections of the devotion to the patroness of her native country and stories of how Mary helped her deepen her faith and led her to Jesus. Johnson also invites you to know Mary in a new way and to allow devotion to the Blessed Mother to help you open your heart to others and to grow in faith and love. The origin of the devotion to Our Lady of Charity in Cuba comes from a seventeenth-century story of three men who were tossed about at sea during a violent storm. They prayed to Mary for her protection and the storm suddenly disappeared. They found a statue of the Blessed Mother holding Jesus and a gold cross floating in the water. The statue included the inscription: “I am the Virgin of Charity.” The statue was completely dry as it floated in the water. Our Lady of Charity is not a Church-approved apparition; nevertheless, several popes—including St. John Paul II and Pope Francis, who celebrated Mass at her shrine during his visit to Cuba in 2015—have supported devotion to Mary under this title. Johnson, author of the bestselling *My Badass Book of Saints*, traces the history of Our Lady of Charity in Cuba and how the devotion was spread by emigrants as they left their country behind. Johnson weaves

the story of the devotion with Cuba's history, memories of her homeland, and tales of her journey back to Cuba for the first time since her childhood during Pope Francis's 2015 Apostolic Visit. Throughout *Our Lady of Charity*, Johnson shares her devotion to Mary and passion for her Catholic faith. This evocative spiritual memoir is part history and part memory, part modern-day travelogue and part meditation on the role faith, family, and devotion have on how we live and love.

5 Minutes with the Saints Lou DeFra, Ann Primus Berends, 2014-09-22 Building on the popularity of *5 Minutes with Christ* (2011), this unique book of meditations draws on insights and anecdotes from great Catholic saints on the subject of education to encourage and inspire teachers and others on the front lines of Catholic education. Drawing its inspiration from the great saints and founders of religious orders dedicated to teaching, *5 Minutes with the Saints* offers today's educators the bite-sized moments of spiritual motivation and affirmation they need to continue their challenging and often thankless work. Each reflection features a short excerpt on the spirituality of Catholic education by saints such as André Bessette, Ignatius Loyola, and Elizabeth Ann Seton, followed by a personal reflection and a short prayer. Like *5 Minutes with Christ*, this book was crafted from the writings of members of the University of Notre Dame's Alliance for Catholic Education (ACE), the most prestigious Catholic educator-training program in America.

Experience the Bible Elizabeth Pietrantonio, 2023-05-12 Elizabeth Pietrantonio takes readers on a daily journey through scripture, reflecting on God's faithfulness to His people and our response to His love. Approaching the Bible story through an historical timeline following the fourteen narrative books, she connects the events of the Old Testament with their fulfillment in the New, gently challenging readers to pursue lives of holiness and devotion to God. Each day, readers will discover how the passages relate to their own personal journeys. With a re-energized faith, they will pray more fervently and see God's hand not only in the history of the world, but in their own lives as well. Readers will enjoy the adventure as they cheer on the heroes, plunge into despair with the prophets, and fight alongside the people. Daily reflections and quotes from saints, Christian writers and theologians engage readers in the world they live in today. By the end of the 365-day journey, readers will see their own journeys in light of salvation history. Although written from a Catholic perspective, *Experience the Bible* can inspire readers from all church traditions to fall in love with God's Word and apply it to their lives daily. It is an ideal resource and will make an excellent addition to many personal and church libraries.

Choosing Joy Dan Lord, 2012-11-15 What is joy? Ask ten different people and you'll get ten different answers. Yet if you asked: a man who grew up fatherless and destitute in the slums of Atlanta a young widow who decided to bring a neglected

garden back to life in spite of agonizing physical pain and a deeply wounded spirit or author Dan Lord himself, ex-frontman for a popular indie rock band each would point to the one source of their joy: Jesus. They made the choice for joy, against all odds, and so can you, though the obstacles might seem insurmountable. Worry and anxiety, pain and suffering, the daily grind -- all these and more can block your path. When faced with such challenges, is it possible to get past the barriers, let go, and experience God's joy? When you look around, you might wonder -- although joy is a fruit of the Spirit, it doesn't seem to be hanging visibly from many Christian boughs. Choosing Joy aims to change that -- and change your life in the process -- as it helps you discover the key to this most attractive but seemingly elusive gift. Choosing Joy will help you overcome the obstacles and focus your heart, mind and strength on God so that you can receive the happiness and peace that the world cannot give.

The Seven Sacraments of the Catholic Church Romanus Cessario, 2023-06-20 There are seven sacraments administered in the Catholic Church. What are they, and what do they do? Why do human beings require sacramentalized, visible realities to seal their confession of faith in Jesus Christ? Why does the Catholic Church administer the sacraments in the way that it does? Leading Catholic theologian Romanus Cessario, OP, offers an in-depth explanation of the seven sacraments celebrated in the Catholic Church. He addresses the rationale for the sacraments and provides detailed exposition of each one, highlighting the importance of the Catholic tradition--and of Thomas Aquinas, in particular--for contemporary reflection on the sacraments. This book examines why participation in the sacramental life of the Church is required for the believing Christian and helps readers understand the role the sacraments play in the sanctification of the world.

The Christian State of Life Hans Urs Von Balthasar, 2012-07-09 This book, one of von Balthasar's masterworks, is a profound meditation on the Christian's choice of a state of life according to God's will. It discusses the lay, religious, and priestly states of life, and examines the ways in which we recognize and respond to the call of God. Written in a deeply Ignatian spirit, the book provides a comprehensive meditation on Saint Ignatius' Call of Christ and demonstrates that we must answer Christ's call if we want to give greater proof of our love. The goal of this meditation is to understand why the act of choosing a state of life is possible and necessary--so that we can arrive at the perfection of Christian love in whatever state or way of life God may grant us to choose. It affirms that the act of choosing a Christian state of life is found in the Gospels and emanates from the personal meeting of the believer with Jesus Christ. Among the topics in this book are the following: The Great Commandment, Creation and Service, Grace and Mission, Image and Truth, The Nature of the Call, and The Historical Actuality of the Call. A milestone in the Catholic theology of vocation. This book could change your life. - America

Encountering Signs of Faith Allison Gingras, 2022-10-28 After a friend gave Allison Gingras a Miraculous Medal, she began to incorporate it and other sacramentals into her personal prayer time and family devotions. She soon discovered that these tangible signs—which Catholics believe prepare us to receive the grace of the sacraments—helped both her and her profoundly deaf daughter connect with God and the spiritual motherhood of Mary, who is intimately connected to so many of these practices. Blessings, prayers, devotions, and objects such as rosaries and scapulars are forms of sacramentals. In *Encountering Signs of Faith*, Gingras—founder of Reconciled to You ministries—shares the story of how these helped her discern the adoption of her daughter from China, strengthened her faith as she waited to meet her, helped her bond with the toddler, and taught her daughter about her faith. Gingras offers examples of saints who inspired and embraced sacramentals, including Juan Diego, Faustina, Bernadette, and Venerable Patrick Peyton. You will also learn about the spiritual benefits of incorporating sacramentals such as sacred images, novenas, prayer cards, lectio divina (sacred reading), and holy water into daily life. Reflection questions and grace-building activities are included with each chapter. Gingras will guide you and your

family to experience these sacred signs in a new way and to connect you more meaningfully to Jesus, Mary, and the saints.
