Steve Daily

Discovering Your Spiritual Gifts Kenneth C. Kinghorn, 1984-06-23 Written to help believers discover their spiritual gifts, this helpful book features a unique personal inventory method.

The Charismatic Movement and Gifts of the Spirit Under a Microscope Don Polson, 2017-03-02 There have been many books written on this topic, but this book is sure to be different than any you have read before. All who have read the manuscript said they gained new insights into these spiritualities. The author takes a look at the modern charismatic movement from its start at Azusa Street and follows it to what it has grown into today. His point is that, to be a truth seeker, you can't be afraid to take these issues head-on. He discusses the baptism in the Holy Spirit, a totally different view on gifts, true biblical empowerment (strength through weakness, the Paul model), and thirty-three things we receive the instant we become Christians. The last and hardest chapter to write was the topic of the modern-day tongues movement. Is it biblical? Is there a real and a counterfeit? and how can it be tested based on the Bible?

The Quotations of the New Testament from the Old Franklin Johnson, 1896

Spiritual Gifts R. Paul Stevens, 2011-10-20 In this eight-session LifeGuide® Bible Study, R. Paul Stevens helps you to recognize your spiritual gifts and leads you to use those gifts to glorify God in your relationships, your work and your world.

The Spiritual Gifts Chuck Missler, 2023-01-25 The apostle Paul told the Corinthian Christians, "Now concerning spiritual gifts, brethren, I would not have you ignorant." Sadly, today many people are confused about the person and work of the Holy Spirit. • Who or what is the Holy Spirit? • What are the gifts of the Spirit? • Are the gifts of the Spirit for today? • Do all Christians have spiritual gifts? • What is the greatest sign of being filled with the Holy Spirit?

Know Your Spiritual Gifts Mark Stibbe, 2000 Here is a new edition of this important book from one of the most influential charismatic churches in the UK. Many Christians hunger for the gifts of the Holy Spirit described in the new Testament, but don't know how to discern their validity or fully use their potential. In this book, Mark Stibbe examines the biblical presentation of these gifts, and applies it for Christians to use in all areas of their life and service today. He helps us discern true authenticity in the realm of spiritual power, and exercise the responsibility which accompanies the Spirit's gifting. Most importantly, he helps us to become more faithful and fruitful disciples of Christ.

Ellen G. White A Psychobiography Steve Daily, 2020-12-16 This explosive work contains a great deal of highly

documented material on the life and movement of Ellen G. White that Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and psychology are the primary disciplines employed. It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet's mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers will feel that you are writing to them, and makes the book of increased value. There is the same question with Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, *Inside the Mind of Joseph Smith: Psychobiography and the Book of Mormon* I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of History, University of Wisconsin-Madison, author, *Prophetess of Health*

The Spiritual Gifts Challenge Rachel Linkswiler, 2018-11-29 Discover what the Bible says about the gifts of the Holy Spirit. God provides everyone with spirit-given abilities for their walk of faith. Learn about those gifts and put that knowledge to action in the Spiritual Gifts Challenge.

Mountain Top Life Devotional 2022 Dr. D. K. Olukoya, Life-changing encounter with the God that answers by fire through a daily devotional. Its enriching and edifying. Start your day right with God.

The Gift of Prophecy in 1 Corinthians Wayne Grudem, 1999-10-27 Dr. Grudem discusses the relevance, purpose and function of prophecy in the church today. He provides fresh understanding that preserves the distinctive authority of Scripture, while giving the church space to enjoy Holy Spirit's most edifying gifts.

Holy Ghost & Spiritual Gifts Connie Jackson, 2022-03-15 Have you ever wondered how the gifts of the spirit work? Are the gifts of the spirit still in operation today? How do I know if it's God speaking? It is my hope that this book will answer many of the questions that people ask today and give a greater understanding of the Holy Ghost and working of the spiritual gifts.

The Inspiration of Holy Scripture William Lee, 1865

Kingdom Theology G. Carlton Moore, 2024-06-18 What this book argues for in today's twenty-first-century church was a hallmark doctrine of old school Presbyterianism of the nineteenth century: the doctrine of the spirituality of the church. Which eschatological approach one uses will affect one's understanding of the nature and practice of missions. Mission creep—the expansion of the church's original objective(s)—is a real concern for the contemporary church, and how one

understands eschatology affects one's focus on missions. The mission of the church is narrow (Matt 28:18-20), and the calling of individual believers is broad (Rom 12:1-2). If we fail to make this crucial distinction, the church's mission will lose its biblical emphasis. And if the church's mission is lost, then the authority structure, instantiated in the offices and officers of the church, devolves into illegitimacy, because the church is no longer advancing the kingdom ends she was mandated to do by King Jesus. If the institutional church fails to do this, we will be relinquishing and abdicating and abandoning our most singular and particular and peculiar kingdom of God vocation: the harvesting, gathering, and perfecting of the saints.

Discover Your Kid's Spiritual Gifts Adam Stadtmiller, 2012-01-03 In this accessible and practical guidebook, moms and dads will encounter the biblical evidence for childhood spiritual gifts as they look closely at the stories of David, Mary, Samuel, and Jesus--all young people who demonstrated God's gifts at work in their lives. Next, parents will begin to identify their children's spiritual gifts through a uniquely designed assessment tool. And finally, they'll discover specific ways to help their children serve the Body of Christ through their gift or mix of gifts.

Spiritual Gifts and Abilities ~ I Follow Ollie Fobbs, 2016-05-04 This project called Spiritual Gifts and Abilities, as well as I Follow, were two works that has taken my faith to a higher level of understanding, there are many things about Spiritual Gifts that I did not know, until I began working on this book, I Follow however, is a true story about a certain thing that happened in my life, and how I managed to walk it out in faith utilizing certain aspects of Spiritual Gifts. Spiritual gifts and abilities are the things that can take us to another level of who we are now, right now, not ten years from now, but the reality is this, if we don't know, then it cannot help us, remember, we are killed off daily for the lack of understanding, in the things of godliness concerning us and each other.

Visitations to Heaven and Talking with Angels Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth, the sun, the moon, and all the constellations? Prior to standing on a cloud and viewing all of Heaven's beauty and glory, my answer would have been an emphatic no. However, I found myself standing on a fluffy, impenetrable white cloud, witnessing the beautiful holy city called Heaven, and then I saw Him. His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon. There is no verbal vernacular to adequately describe the exquisite golden streets, breathtaking jeweled walls, fragrances incomparable to any on earth, and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords. There are nine classifications of Angels, all having different assignments. Some have four faces, one resembling that of a man and the other three faces are the likenesses of animals. Only the Angels assigned to mankind sent to provide assistance, directions, encouragement, instructions, or to reveal or fulfill the plan of God resemble human beings. There is life after death and a Heavenly home where Yeshua Hamashia, Jesus the Christ, resides and where He has a prepared a residence for all those who love Him. Many personal visitations of Angels and that of Heaven are included in this

writing. In fact, it was an Angel who prompted me to pen this book, and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural!

Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia, 2024-01-05 Toward the end of his life, the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days. Building on the finished work of Christ, by the power and gifting of the indwelling Holy Spirit, believers do these works as prophets, priests, and kings in what the church has called the “gifts of the Holy Spirit.” Through study of the Old Testament saints who filled these offices, Christ (to whom they point), and important New Testament texts, Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually-gifted ministry. This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum. This book lays out a path for taking seriously the Lord’s assertion that in these last days, by the power of the Spirit and for the glory of God, the church will do great things.

Understanding Spiritual Gifts Robert L. Thomas, 1978 This thorough study of spiritual gifts will help Christians understand their God-given gifts and how they should use those gifts in the church. Thomas explains each gift, examining them in the light of the Word. He also deals with the issues concerning the source, purpose, and nature of spiritual gifts. *Understanding Spiritual Gifts* will give readers new insight into how their gifts can be used for God's glory and service.
