We Are "The My People" in the Bible Carl L. Jones, 2020-03-17 This book is the accumulation of years of study of my life and experiences, teaching, learning, study and learning. The BIBLE says study to show thyself approves to GOD (ELOHIYM). This book began because of what men have been (taught) preaching that JESUS died on a friday and rose from the grave early Sunday morning. According to Matthew 12:40 states For as Jonah was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth. So, when preachers preach JESUS died on friday and rose early Sunday morning. I realize this to be INHERENTLY WRONG and grievously mistaken as TRUTH, and according to what is written in the word of YAH. It is my hope to those that will read this book, that it will open their eyes to the truth of YAH. What is truth? John 17:17 b says THY WORD IS TRUTH. PERIOD. We face so many challenges in interpreting THE WORD OF YAH, but it meaning is truth. THE RAUCH HA'QODESH has given it the correct meaning or will. Just ask. We need to just listen up to THE HOLY SPIRIT. Let THE HOLY SPIRIT walk you in all of HIS WAYS. Be led by the truth and not by men's false or false preachers telling you a lie or a deception, but believe YAH. Merchants will sell us as lie as long as they get their green dollars. The easier bunny, good friday, santa claus, and christmas tree and all these lies. These white masters refused to admit the Hebrew slaves were coming to america that this was the real holocaust. Our forefathers were treated worst than animals. Stinking flesh chain up one to another not being able to freely move, not being able to bath, brush their teeth, dying on the slave ships and being thrown over board and feed to the sharks, not being able to wipe our booty from the dung and piss coming out of our bodies, women menstruating on themselves, diseases, having babies on those slave ships, chained to each other on this long and hot journey, force to eat, sometime using brute force to make us eat, raping our women and sometime the men. And once we came into the america we were sold, children separated from fathers and mothers, we were placed in holes, and hung up like an animal and beaten in an inch of our lives for not taking the slave master name he gave us. We were not allow to read and learn the language for it was against the law and if we were caught learning to read the penalty was severed. WE ARE THE TRUE NATION OF ISRAEL. As YAH told Avram your seeds shall be in strange lands for 400 years and I will Exodus them out of that strange land and I will punished that nation. The 400 years has ended and the exodus is near. The other sheep which are not of this fold will also be Exodus also. And Let The People Of YAH say Amein! At the end of this life we will all be judged by YAHUSHA. John 5:22 For THE FATHER judgeth no

man, but hath committed ALL judgment unto the son.

America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper, 2023-04-23 God's timing is not our timing, but the bible is clear that judgment will come. America will be judged for its misdeeds one day. It is the author's hope that people will re-read the bible and encourage people to read this book to know that the author's goal is to first save souls and second save our country. Ideally, we need to be in a financial position to help others. To resolve problems in this country we must be honest and accept the truth to move forward. Most Americans including the author need all their income to pay bills and have means to enjoy themselves. The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous. Hopefully, anyone who became rich did not compromise their morality or abuse, misuse, or oppress others for their personal gain. If so, pray that they repent. Our country is in trouble as Compromised Christianity, Atheism, Agnosticism, and Satanic influence is on the rise while Bible Believing Christians are declining, getting older, and are dying off. It has been said that those who ignore history repeat history. Dr. Martin Luther King once stated that truth suppressed to earth shall rise again. The author is here to talk about the truth that is rising in our time now.

Shakespeare / Skin Ruben Espinosa, 2024-07-11 This volume offers a comprehensive array of readings of 'skin' in Shakespeare's works, a term that embraces the human and animal, noun and verb. Shakespeare / Skin departs from previous studies as it deliberately and often explicitly engages with issues of social and racial justice. Each of the chapters interrogates and centres 'skin' in relation to areas of expertise that include performance studies, aesthetics, animal studies, religious studies, queer theory, Indigenous studies, history, food studies, border studies, postcolonial studies, Black feminism, disease studies and pedagogy. By considering contemporary understandings of skin, this volume examines how the literature of the early modern past creates paths to constructing racial hierarchies. With contributors from the USA, UK, South Africa, India, Sri Lanka, Singapore and Australia, chapters are informed by an array of histories, shedding light on how skin was understood in Shakespeare's time and at key moments during the past 400 years in different media and cultures. Chapters include considerations of plays such as Titus Andronicus, The Tempest and A Midsummer Night's Dream, and work by Borderlands Theater, Los Colochos and Satyajit Ray, among many others. For researchers and instructors, this book will help to shape teaching and inform research through its modelling of antiracist critical practice. Collectively, the chapters in this collection allow us to consider how sustained attention to skin via cross-historical and innovative approaches can reveal to us the various uses of Shakespeare that shed light on the fraught nature of our interrelatedness. They set a path for readers to consider how much skin they have in the game when it comes to challenging structures of racism.

Shedding Light on Indoor Tanning Carolyn J. Heckman, Sharon L. Manne, 2011-09-15 Since the industrialization and urbanization of the Western workforce, tanned skin has been perceived increasingly as attractive and fashionable for

naturally light-skinned individuals. However, in addition to causing tanning, photo-aging, and other health effects, ultraviolet radiation (UV) is a well-known carcinogen. Despite wide-spread awareness of UV risks, tanning has become increasingly popular in several Western countries including the USA. While millions of individuals tan indoors each day, relatively little is known about this phenomenon. This book fills that gap by providing an overview of indoor tanning, reasons for its popularity, its risks including skin cancers, and the public health context surrounding the behavior. We have invited some of the preeminent experts in the field to summarize the existing scientific literature for each of the chapters. *Shedding Light on Indoor Tanning* is an up-to-date and comprehensive book that provides a unique and essential overview of the most significant current issues related to indoor tanning for scientists, educators, students, clinicians, and the general public interested in dermatology, aesthetic trends, skin care, and skin cancer.

What The Blank Do We Know About the Bible? Bettye Johnson, 2012-06-23 Few people understand the history of the Bible containing the Old Testament and the New Testament. Bettye Johnson became a researcher when she began writing her award-winning book *Secrets of the Magdalene Scrolls* after a trip to southern France. Johnson became intrigued with what she learned and realized that with the primary languages of Hebrew, Aramaic, Greek and Latin that over the two thousand years plus - in each language there have been numerous translations. Johnson also realized that most Christian historians did not look beyond the obvious unobvious. She knew that few people truly understood the history of both the Old Testament and the New Testament and therefore in this book is sharing the information she learned. Welcome to the journey of discovery.

In order to survive, Ravyn must fight and overthrow the current government with little more than her own strength and seven dysfunctional robots. Can she change a whole world, or will she be crushed under the wheels of the status quo?

Black Girls and How We Fail Them Aria S. Halliday, 2025-02-17 From hip-hop moguls and political candidates to talk radio and critically acclaimed films, society communicates that Black girls don't matter and their girlhood is not safe. Alarming statistics on physical and sexual abuse, for instance, reveal the harm Black girls face, yet Black girls' representation in media still heavily relies on our seeing their abuse as an important factor in others' development. In this provocative new book, Aria S. Halliday asserts that the growth of diverse representation in media since 2008 has coincided with an increase in the hatred of Black girls. Halliday uses her astute expertise as a scholar of popular culture, feminist theory, and Black girlhood to expose how we have been complicit in the depiction of Black girls as unwanted and disposable while letting Black girls fend for themselves. She indicts the way media mistreats celebrity Black girls like Malia and Sasha Obama as well as fictional Black girls in popular shows and films like *A Wrinkle in Time*. Our society's inability to see or understand Black girls as girls makes us culpable in their abuse. In *Black Girls and How We Fail Them*, a revelatory book for political analysts, hip-hop lovers, pop culture junkies, and parents, Halliday provides the critical perspective we need to create a world that supports, affirms, and loves Black girls. Our future depends on it.

Forms of Deformity Lynn Holden, 1991-01-01 A vigorous imagination is the principal source for many of the abnormalities of fictional characters. Many of the motifs also bear some relation to the rituals and religious symbols embraced by the people among whom they are or were at one time, current. Another important source can be found in symbolism of a religious or social kind. This motif-index is the first to present and analyse this material in biblical narrative and post-biblical literature down to the twelfth century CE; it lists all possible abnormalities, deformities and disabilities, arranged according to the parts of the body affected and the type of deformity, sums up the narrative and gives the explicit or implicit reason for its appearance.

Can a Cushite Change His Skin? Rodney Steven Sadler, Rodney S. Sadler, Jr., 2009-05-01 Explores the ethnicity of the Cushites in the Hebrew Bible.

Rethinking Postmodern Subjectivity Zuzanna Ladyga, 2009 What is postmodern literary subjectivity? How to talk about it without falling in the trap of negative hyper-essentialism or being seduced by exuberant lit speak? One way out of this dilemma, as this book suggests, is via a redefinition of the concept in the context of Emmanuel Levinas and his radical ethics. By defining subjectivity as an ethically charged act of language, Levinas provides a fresh perspective on the often trivialized aspects of postmodern poetics such as referentiality and affect construction strategies. The foregrounding of the ethical dimension of those poetic elements has far-reaching consequences for how we read postmodern texts and understand postmodernism in general. Thus, to prove the benefits of the Levinasian approach, the author applies it to the work of the canonical American postmodernist, Donald Barthelme, and explains the distinctly ethical character of his apparently surfictional experiments.

Jesus Is A Black Man Jason Farr, 2011-03-22 Beware; readers beware because this is a book that you may not be ready to read. Is Jesus really a Black man? If Jesus is black then does the bible support it? Why don't preachers both black and white discuss racism as it pertains to how Jesus is still being falsely portrayed as white? Why is the color of Jesus very important? The answers to these and many more questions can be found in this book. This book is not designed to be user friendly and it confronts directly the racism both found still in the walls of churches and the ever present racism that never died in America. Most importantly if Jesus is honestly a black man then that means that the real children of Abraham are also black.

Leviticus Jerry E. Shepherd, 2021-07-06 A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story: Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. EXPLAIN the Story: Explores and illuminates each text as embedded in its canonical and historical setting. LIVE the Story: Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. —Leviticus— In ancient times, Leviticus was the first biblical book with which Jewish children began their education. According to the rabbis, there are 613 laws in the Torah, and nearly half of them are contained in Leviticus. And yet it also contains narrative, making the book's genre something like an instructional history and indicating that the instruction cannot be separated or understood apart from its narrative setting. Edited by Scot

McKnight and Tremper Longman III, and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.

Beyond the Feminine Ope Lori, 2025-06-26 How can contemporary artists and image makers challenge representations of race and gender in visual culture and produce alternate visions? Exploring a range of lens-based British art that engages with questions of race and gender, this book critiques power structures that embed racial dichotomies to arrive at a nuanced understanding of the position of race in contemporary visual culture. It examines how white and light-skinned Black women are privileged over Black and dark-skinned women in music videos, advertising, and even in classic paintings. Focusing on skin colour as implicit in constructions of femininity, the works discussed deconstruct the links between race and gender to expose hidden power relations. Presenting intimate interviews with four British artists – NT, Marcia Michael, Sadie Lee and Ajamu X – along with the author's own artistic practice, this book provides a much-needed toolkit for image-makers and critics alike. Using the analogy of the 'set up', this boundary-breaking book encourages us to not only question what we see, but to see differently, beyond the conventions of the male gaze. Reversing normative categories and social hierarchies, *Beyond the Feminine* puts forth a new gaze; an up-set to the system.
