Coded Lyrics: The Poetics of Argentine Rock under Censorship and Beyond Mara Favoretto, 2024-04-15 Coded Lyrics is the first comprehensive academic work dedicated to unraveling the lyrical intricacies of Argentine rock in the English language. This book redefines the narrative of rock history, shedding light on the distinctive journey undertaken by South American rock music amidst a unique set of contextual challenges, far removed from its English-speaking counterparts. Within this vibrant musical landscape, Argentine rock emerges as a shining example of cultural resistance in the region. Focusing intently on Argentina's tumultuous authoritarian decades and the post-dictatorship era, this book delves deep into the heart of the Argentine rock genre's lyrical content. It vividly portrays the ongoing struggle between the state and the public, where identity, language, and perception converge around the powerful medium of rock music. Coded Lyrics is not a conventional musicological study; instead, it serves as a meticulous exploration of language and culture. With captivating prose, the book unravels the genesis of Argentine rock, placing language at its epicentre. Through a thorough examination of rock lyrics, this work unveils the artful manipulation of language as a vehicle for resistance. It illuminates the unexpected consequences of censorship in Argentina, with Argentine rock lyrics standing as a compelling testament to the transformative power of art in the face of totalitarianism.

Cuentos con Soda y en Stereo Jorge Sampaolesi, 2019-09-02 Cuentos con Soda y en Stereo está compuesto por quince historias inspiradas en canciones de la mítica banda argentina Soda Stereo. Historias que hablan de luz y de oscuridad, de pasiones que llevan a la perdición y de un futuro incierto en el que la realidad y la fantasía no están separadas por un límite concreto. Aborda temáticas actuales como el aborto, la relación entre la iglesia y las preferencias sexuales, la influencia de los medios de comunicación en el comportamiento de la personas y el amor propio. Y también deja espacio para el suspenso y el horror en sus formas más crudas. Narra historias cotidianas, como en El ojo de la tormenta, donde dos papás primerizos se enfrentan durante una noche tormentosa a la realidad del mundo en el que deberán criar a su hijo, o como Secuencia inicial, en la que dos adolescentes se entregan por primera vez al amor sexual. También aborda temáticas fantásticas, como un apocalipsis con tintes melodramáticos y de crítica social en Luna roja, o una invasión extraterrestre con referencias orwellianas en Observándonos (Satélites). Además, situaciones capaces de cortar el aire tienen su lugar en cuentos como Afrodisíacos, Final caja negra y Trátame suavemente. Historias de amor, horror y locura conviven en un universo en el que la

realidad, a veces encubierta en delirios, amenaza con traspasar las páginas y encandilar al lector con su cegadora luminosidad, siempre al ritmo de una buena canción de rock.
