Mindfulness for Preschool and Kindergarten Monica Moore Jackman, 2022-08-01 Preschool and kindergarten are difficult periods of transition in children's lives. This is true now more than ever, as today's kids face increasing challenges and uncertainty. Mindfulness for Preschool and Kindergarten offers early childhood educators an effective, adaptable, multisensory, and skills-based social emotional learning (SEL) program to help preschool- and kindergarten-aged children build resilience and self-regulate, ensuring a peaceful and prosocial learning environment for all.

Whispering the Lyrics Thomas Long, 1995 Based on texts from the Revised Common and Catholic lectionaries, Thomas Long provides inspirational messages to motivate and help preachers through their most difficult preaching time of the year, the seasons of Lent and Easter. The road to Easter takes us through the most sacred stretch of the gospel story, and the narratives simply overwhelm us... Congregations who blithely assume that their pastor eagerly relishes the chance to preach the passion and resurrection of Jesus are, for the most part, mistaken. To be sure the pews are more crowded as Easter approaches, the choirs are well-rehearsed and in full voice, and an electric charge courses through the sanctuary, but the preacher stands there with the obligation to proclaim the truths of Jesus' death and resurrection, and it seems, at one and the same time, to be a set of claims too little to go on in a secular and cynical age and a range of mysteries too profound to speak. -- from author's foreword Thomas Long is Francis Landey Patton Professor of Preaching and Worship at Princeton Theological Seminary and is one of the most well-known teachers of preachers in America. This is his second book published by CSS.

Gridley Girls Meredith First, 2025-07-30 Sometimes you have to go back before you can move forward. Meg Monahan was born to be a secret keeper. From the moment she became a peer counselor in high school, Meg has been keeping her friends secrets - from sordid family drama to their sex lives - that she never wanted to know. Flash forward to adulthood when Meg is a recruiter for the world's hippest (and most paranoid) high-tech company - and now Meg is a professional secret keeper.

When sudden tragedy strikes before Meg hosts the wedding of her childhood BFF, Anne Calzaretta, the women are forced to face their past – and their secrets – in order to move on to their future. In 1978, Meg, Anne, Jennifer, and Tonya were such close friends, they were known as The Group in their hometown of Gridley, California. But in ninth grade, their lives were changed forever. Loss, lies, and secrets separated them, but could not break their bonds of friendship. Thirty years later, Meg and Anne reminisce about those days—dealing with parents, school, boys, sex, love, and betrayal. Anne remembers their freshman year as an easier time, but Meg, still feeling guilty about a betrayal of Anne's trust, is haunted. Even now, Meg is keeping a secret she's not prepared to face, let alone share. In her debut novel, based on true events, Meredith First tells a timeless story about the bonds of friendship, loss, and betrayal—and the forgiveness that is within everyone. Can anyone really keep a secret forever?

Totally Wired Simon Reynolds,2010-08-17 With his critically acclaimed *Rip It Up and Start Again*, renowned music journalist Simon Reynolds applied a unique understanding to an entire generation of musicians working in the wake of punk rock. Spawning artists as singular as Talking Heads, Joy Division, The Specials, Siouxsie and the Banshees, Gang of Four, and Devo, postpunk achieved new relevance in the first decade of the twenty-first century through its profound influence on bands such as Radiohead, Franz Ferdinand, and Vampire Weekend. With *Totally Wired* the conversation continues. The book features thirty-two interviews with postpunks most innovative personalities—such as Ari Up, Jah Wobble, David Byrne, and Lydia Lunch—alongside an overview” section of further reflections from Reynolds on postpunks key icons and crucial scenes. Included among them are John Lydon and PIL, Ian Curtis and Joy Division, and art-school conceptualists and proto-postpunks Brian Eno and Malcolm McLaren. Reynolds follows these exceptional, often eccentric characters from their beginnings through the highs and lows of postpunks heyday. Crackling with argument and anecdote, *Totally Wired* paints a vivid portrait of individuals struggling against the odds to make their world as interesting as possible, in the process leaving a legacy of artistic ambition and provocation that reverberates to this day.

Language Arts, Math, and Science in the Elementary Music Classroom Kim Milai,2017 Language Arts, Math, and Science in the Elementary Music Classroom provides a practical guide to help music teachers incorporate elementary classroom subjects into their curriculum using STEAM (Science, Technology, Engineering, Arts and Math)-inspired strategies, with added emphasis on social studies. It includes a complete elementary music curriculum for kindergarten, first, and second grades, and has cross-referencing charts for regular elementary classroom teachers to find music activities for

their classroom. Importantly, it shows teachers how to include the artistic processes of creating, performing, responding, and connecting in their lessons. These processes make up the new music standards featured in NAFME's new Core Arts Music Standards. In order to maximize comprehension, the book includes assessment tests, sheet music, work sheet templates, and brainstorming activities centered on using technology to enhance composition projects. Lesson plans are organized by the calendar year, each inspired by the seasons, American culture, and world culture. These lessons may be used as is or used to generate new curricula altogether.

Soaring Where Christ Has Led Richard Avery, Don Marsh, 2002 Believing that Christian worship should be both exciting and stimulating and respectful of God and worshipers and liturgical traditions, Dick Avery and Don Marsh have put their considerable talents together to bring you ideas and music that make worship soar. As you read these groundbreaking ideas tailored to the seasons of the church year, you'll find yourself saying, Yes! YES! YES! -- and you'll be eager to put them in place with your congregation. Everything Avery and Marsh describe in this remarkable volume has been done successfully in their congregation at the regular Sunday morning service of worship, so you will find no off-the-wall suggestions pushed for mere novelty's sake or just to shake things up. Rather, every principle, every suggestion, every idea has a purpose and goal befitting the Gospel and designed to help worshipers tune in to the mighty Lord of All. With all of this plus several samples of original Avery & Marsh music, written especially for Sunday morning worship, *Soaring Where Christ Has Led* is a resource you will use week after week in planning worship services that delight congregations, honor God with momentous expressions of joy, and teach the way of Christ in today's world. Nationally renowned for their creative worship celebrations, Richard Avery and Donald Marsh were colleagues in ministry for 40 years at the First Presbyterian Church in Port Jervis, New York, where Avery served as pastor and Marsh as choirmaster (directing 3 choirs) and director of arts (producing 83 major plays and working with educational projects). They have collaborated in composing hymns, songs, and anthems, of which more than 150 have been published. During the last 30 years they have led regional and national church assemblies, conferences, and workshops on worship, music, and drama for many denominations and in virtually all 50 states. A native of California, Avery is a graduate of the University of Redlands and Union Theological Seminary in New York. Marsh has bachelor's and master's degrees from the University of Houston, and worked for 17 years in New York's music and theater world as a composer, choreographer, pianist, and actor. Avery and Marsh continue their collaboration in composing for the church and in leading special liturgical and musical events while living in retirement in Santa Fe, New Mexico.

Cultural Repercussions Bradley J. Birzer,2022-06-14 A revised & expanded examination of the words and ideas of the man of letters and drummer extraordinaire of the rock band Rush. In January 2020, the world lost not only one of the greatest drummers, but also one of the most insightful lyricists. And a brilliant writer. Though Neil Peart was universally lauded as drummer for legendary rock band Rush, few studies have been devoted to his writings. Yet, Peart was very much a man of his words. He wrote lyrics, travelogues, essays, cultural criticism, short stories, and fantasy novels. The themes in his writings are timeless: personal journeys, exploration, excellence, growth, philosophy, art, satisfaction and happiness, religion, politics, individualism, natural history, life, love, loss, redemption, and beauty. Peart wanted every person to persevere through individual trials, find unique gifts and abilities and, ultimately, true happiness. He did not just profess such things; he lived them. Never satisfied with second best or any form of defeat, Peart challenged himself to live up to his own philosophy. And he always succeeded with grace, which earned him even more fervent admirers. Since his death in 2020, Neil Peart has continued to inspire thousands through his music, his words, and his example. This book—revised and expanded to incorporate Peart’s final years—carefully examines the influence that his life, his witness, and his words have had on others. Neil Peart lived life to the fullest, and he made us each better for it. “Includes some of the strongest analysis of Peart’s lyrics that you’ll find, and does a rigorous job of nailing down the tenets of Peart’s ever-evolving philosophy.”

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group*, and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Unheard Of John Beckwith, 2012-04-01 Canadian composer John Beckwith recounts his early days in Victoria, his studies in Toronto with Alberto Guerrero, his first compositions, and his later studies in Paris with the renowned Nadia Boulanger, of whom he offers a comprehensive personal view. In the memoir's central chapters Beckwith describes his activities as a writer, university teacher, scholar, and administrator. Then, turning to his creative output, he considers his compositions for instrumental music, his four operas, choral music, and music for voice. A final chapter touches on his personal and family life and his travel adventures. For over sixty years John Beckwith has participated in national musical initiatives in music education, promotion, and publishing. He has worked closely with performing groups such as the Orford Quartet and the Canadian Brass and conductors such as Elmer Iseler and Georg Tintner. A former reviewer for the *Toronto Star* and a CBC script writer and programmer in the 1950s and '60s, he later produced many articles and books on musical topics. Acting under Robert Gill and Dora Mavor Moore in student days and married for twenty years to actor/director Pamela Terry, he witnessed first-hand the growth of Toronto theatre. He has collaborated with the writers Jay Macpherson, Margaret Atwood, Dennis Lee, and bpNichol, and teamed repeatedly with James Reaney, a close friend. His life story is a slice of Canadian cultural history.
