Captain Fantastic Tom Doyle,2017 Draws on first-person interviews to trace the iconic rock artist's meteoric rise in the 1970s, documenting his significant achievements and the private struggles that led to his suicide attempts and temporary retirement. By the author of *Man on the Run*, --NoveList.

The Jan & Dean Record Mark A. Moore,2016-03-14 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including *Baby Talk*, *Surf City*, *Dead Man's Curve* and *The Little Old Lady* (From Pasadena). Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

Summer of Fire Linda,2005-04-01 Kadar San, a human-Zentadon crossbreed distrusted by both humans and Zentadon, is dispatched with a Deep Reconnaissance Team (DRT) to the Dark Planet of Aldenia. His mission: use his telepathic powers to

sniff out a Blob assault base preparing to attack the Galaxia Republic. Dominated by both amazing insect and reptile life forms, and by an evil and mysterious Presence, Aldenia was once a base for the warlike Indowy who used their superior technology to enslave the Zentadon and turn them into super warriors to deploy against humans. The DRT comes under attack not only from savage denizens of the Dark Planet, but also from the mysterious Presence, which turns team member against team member and all against Kadar San. The Presence promises untold wealth and power to any member of the team unscrupulous enough to unleash the contents of a Pandora's box-like remnant of Indowy technology. The box's possessor poses a greater threat than the entire Blob nation, for he is capable of releasing untold horrors upon the galaxy. Kadar San finds himself pitted against a human killer, an expert sniper, in a desperate struggle to save both the Republic and the human female he has come to love. Like all Zentadon, however, Kadar San cannot kill without facing destruction himself in the process, and he has no choice but to kill. In order to save the galaxy, Kadar San must face the truth . . . no one will leave the Dark Planet .

Foreign Places Carol Huebner,2019-12-01 Karen is surviving coming of age as a member of a rather dysfunctional family. Her parents are gradually becoming alcoholics as they struggle to deal with her father's career changes, their son's failures, and a move first to a prestige life in Canada followed by a return to California. How to deal with a dejected brother who seems to be squandering his life? Why is Karen's mother unable to face the reality of her situation? And how is it that Karen is able to succeed amidst the sometimes depressing situations that develop around her? Occasionally the author fast forwards to give the reader perspective. Does Karen's family ever become like the normal families she encounters around her?

A History of the Music for Wind Band Leon J. Bly,2023 The book provides a historical survey of the wind band's music and denotes how historical and cultural developments have influenced it over the course of time. Although the modern wind band developed first in the 19th century, it has its roots in the wind music of ancient times, and music survives that has been composed since the Middle Ages. Therefore, this book covers the music from that time to the present, including the dance music of the Renaissance, the Harmoniemusik of the Classical Period, and the nationalistic music of the Romantic Period, as well as the major wind band repertoire developed after 1900.
