This time, they're pulling out the mistletoe for everyone's favorite country music star, Colton, and his second chance at love. Country music's golden boy Colton Wheeler felt the most perfect harmony when he was with Gretchen Winthrop. But for her, it was a love him and leave him situation. A year later, Colton is struggling to push his music forward in a new direction. If it weren't about to be the most magical time of year and the support of the Bromance Book Club, he'd be wallowing in self-pity. It's hard for immigration attorney Gretchen not to feel a little Scrooge-ish about the excess of Christmas when her clients are scrambling to afford their rent. So when her estranged, wealthy family reaches out with an offer that will allow her to better serve the community, she's unable to say no. She just needs to convince Colton to be the new face of her family's whiskey brand. No big deal... Colton agrees to consider Gretchen's offer in exchange for three dates before Christmas. With the help of the Bromance Book Club, Colton throws himself into the task of proving to her there's a spark between them. But Gretchen and Colton will both need to overcome the ghosts of Christmas past to build a future together.

Unleashed Holiday Victoria Schade, 2023-09-26 "Reading *Unleashed Holiday* was sheer joy. I chewed up the pages." —#1 New York Times bestselling author Debbie Macomber When an old rival reappears right before the holidays, a professional dog trainer must decide if the melting frost between them can make up for their ruff past, from the USA Today bestselling author of *Dog Friendly*. Chelsea Higgins is doing just fine. She's heading into the holidays at the helm of a thriving dog training business, and she's got a mellow senior dog at home to keep her warm at the end of the day. What more could she need? Enter certified gym bro Andrew Gibson: Chelsea's former nemesis, and now the newest neighbor in her business complex, who also wants to expand into the vacant space Chelsea's been eyeing for months. Who cares if it's the season of joy? Let the turf war begin. When an unfortunate (and literal) run-in with Andrew's lawless dog leaves Chelsea with a bum wrist, the two strike a deal: Andrew will help Chelsea rehab the injury if she'll work with him to train his adorably uncivilized boxer. Their typical bickering soon turns to bantering, and Chelsea finds herself inexplicably drawn to the man she thought

she had nothing in common with. As she gets to know Andrew and his parents, she realizes she needs to refocus on her own family, especially with a milestone Christmas speeding toward them. But Chelsea can't help wondering if she and Andrew are training for keeps, or if this unexpected Christmas gift is just too good to be true.
