DIRITTO E VIOLENZA Maria Pina Fersini, 2018 With the rise of modernity, law faces an irreducible contradiction. It must stem the State's available strength, while at the same time use this strength to make its decisions binding. The author, starting from this paradox, analyses the legal, philosophical and literary discourses of modernity to find the right tools to properly differentiate law and violence, overcoming two philosophical and juridical traditions: the one depicting law as a Leviathan, and the one wanting to make it immune to all forms of violence. In particular, through an unedited reading of Kafka and Melville's narratives, she demonstrates how the modern legal systems, rather than just being instruments of control, are dreams and fantasies of non-violence.

Si quiere recuperarla, Hardin deberá luchar como nunca por lo que ha hecho. ¿Estará preparado? ¿Se puede perdonar todo? UN AMOR PELIGROSO UN AMOR REBELDE UN AMOR INFINITO «Este libro es maravilloso. After. La novela gráfica Anna Todd, 2022-06-15 Llega la versión gráfica de la exitosa saga. Tessa Young es una chica buena y responsable, tiene un novio atento y sabe lo que quiere, al igual que su madre que está decidida a mantenerla por el buen camino. Pero al mudarse a su nueva habitación en el campus se cruza con Hardin Scott, un chico de pelo castaño y alborotado, arrogante acento británico y tatuajes por todo el cuerpo. Es muy atractivo, seguro de sí mismo y maleducado, rozando la crueldad. Con esa actitud Tessa debería odiarlo al instante pero algo de su oscuro comportamiento la atrae, y es solo cuestión de tiempo que Hardin encienda una pasión que ella jamás ha experimentado. Hardin le dirá cosas bonitas, para luego insistir en que no es bueno para ella, inventándose excusas y desapareciendo una y otra vez. Y aunque Tessa intentará alejarse de él, solo conseguirá sentirse cada vez más atraída y dispuesta a desenmascarar al verdadero Hardin, bajo todas sus mentiras.

Existen otras ciencias que comparten el interés por la sociedad como la psicología social, la ciencia política o la antropología cultural, aunque es seguramente la sociología la que mira a la sociedad desde un punto de vista más general. Cuando los sociólogos hablan de social o sociedad adoptan una perspectiva con dos dimensiones.

Libros álbum que desafían los estereotipos de género y el concepto de familia tradicional Arsenio Jesús Moya Guijarro, Cristina Cañamares Torrijos, 2020-11-03 Esta obra colectiva, profundiza en historias que promueven la inclusión social de familias homoparentales integradas por niño/as y dos padres o dos madres, así como historias que reflejan a personajes masculinos y femeninos que bien rompen con estereotipos de género, o bien no se adaptan a los estereotipos masculinos o femeninos que se espera de ello/as. Partiendo de este planteamiento, se identifican las estrategias verbales y visuales, intertextuales y sinergias intermodales de las que se sirven autores e ilustradores para crear discursos progresivos e inclusivos desde un enfoque semiótico, multimodal y literario.

Literary culture in Cuba Par Kumaraswami, Antoni Kapcia, 2017-10-03 This book brings an original and innovative approach to a much-misunderstood aspect of the Cuban Revolution: the place of literature and the creation of a literary culture. Based on over 100 interviews with a wide range of actors involved in the structures and processes that produce, regulate, promote and consume literature on the island, the book breaks new ground by going beyond the conventional approach (the study of individual authors and texts) and by going beyond the canon of texts known outside Cuba. It thus presents a historical analysis of the evolution of literary culture from 1959 to the present, as well as a series of more detailed case studies (on writing workshops, the Havana Book Festival and the publishing infrastructure) which reveal how this culture is created in contemporary Cuba. It thus contributes a new and complex vision of revolutionary Cuban culture which is as detailed as it is comprehensive.

The Spaces of Latin American Literature Juan E. De Castro, 2008-04-28 The Spaces of Latin American Literature: Tradition, Globalization, and Cultural Production examines how Latin American writers, artists, and intellectuals have negotiated their relationship with Western culture from the colony to the present. De Castro looks at writers and intellectual polemics that serve as markers of the region's cultural evolution. Among the writers and artists studied are Sor Juana Inés de

la Cruz, Rubén Darío, Jorge Luis Borges, Caetano Veloso, and Alberto Fuguet. This book proposes an analysis of the region's literature rooted in its specific cultural, political, and economic locations.

Un polvo en condiciones Irvine Welsh, 2018-09-12 Las desmadradas andanzas por Edimburgo de un taxista traficante de drogas, adicto al sexo y actor porno amateur. Después de sus devaneos por Miami con La vida sexual de las gemelas siamesas, Irvine Welsh regresa a Edimburgo, piedra angular de su universo literario alrededor de la cual orbitan unos personajes que se van entrecruzando en las sucesivas novelas ambientadas en la ciudad. Aquí el protagonista es un viejo conocido, Juice Terry Lawson, que ya había asomado la jeta en Cola y Porno. Resumamos sus credenciales: de profesión taxista, pero también chulopiscinas e incansable seductor de tías buenas, traficante de drogas, encargado de una sauna regentada por mafiosos, adicto al sexo y actor porno amateur, que rueda películas cutres para la web de SickBoy. Y mientras un tremebundo huracán amenaza con arrasar Escocia, Terry se ve envuelto en andanzas de lo más variopintas: se reencuentra con una antigua amante en un funeral; ayuda al simplón Wee Jonty a buscar a su chica desaparecida, la hermosa Jinty Magdalen; lleva en su taxi a una joven dramaturga suicida; le detectan un problema de corazón que le obliga a guardar abstinencia sexual, y hace de chófer para un americano llamado Ronald Checker, rico promotor inmobiliario y presentador de un exitoso reality (sí, el personaje tiene evidentes paralelismos con Donald Trump) que ha venido a Escocia en busca de un exclusivísimo y carísimo whisky... *Un polvo en condiciones* es Welsh en estado puro: desmelenada, escatológica, pornográfica, lisérgica, iconoclasta, argótica y descacharrante. En ella, el lector que no se amilane ante las emociones fuertes se encontrará con escenas de incesto, violación y necrofilia, ¡y hasta con un par de inauditos capítulos en forma de pene!
