Friendship Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find the Perfect Friendship Quotations for All Occasions - Spicing Up Letters, Speec Madison Bryan,2016-02-04 This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully

bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Friendship Quotes from this book: 'Pity and friendship are two passions incompatible with each other. - Oliver Goldsmith' 'There is nothing on this earth more to be prized than true friendship. - Thomas Aquinas' 'A quarrel between friends, when made up, adds a new tie to friendship. - Saint Francis de Sales' Three characteristics-one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words-are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't. This book will give you the opportunity to find that right Quote that can change it all.

'Now we have the World Wide Web (the only thing I know of whose shortened form-www-takes three times longer to say than what it's short for)' Douglas Adams 'Not only is there no God, but try getting a plumber on weekends' Woody Allen 'Never go to bed mad. Stay up and fight' Phyllis Diller 'Having a baby is like getting a tattoo on your face. You really need to be certain it's what you want before you commit' Elizabeth Gilbert 'The trouble with having an open mind, of course, is that people will insist on coming along and trying to put things in it' Terry Pratchett 'Retreat, hell! We're only attacking in another direction' American general Oliver P. Smith
