Frank and Anne Hummert's Radio Factory Jim Cox,2003-06-04 Frank and Anne Hummert brought at least 125 separate series to the airwaves. The production dynasty over which they presided extended far beyond the serialized melodrama that became their trademark. Their genres also included music, mystery, juvenile adventure, quiz, sports, news, comedy and dramatic theater. The Hummerts tried to appeal to everyone's tastes and probably influenced more old time radio listeners than anyone else. By the 1940s the twosome controlled four and a half hours of the national weekday broadcast schedule. This book explores the private lives and professional dealings of broadcasting's most prolific creator-producers. There are five appendices: a list of all broadcast series that were created, adapted, supervised, augmented or influenced by the Hummerts; a list of the most active players among radio producers stemming from the Golden Age and their best-remembered titles; a collection of statements attributed to Frank or Anne that express their philosophy of broadcast programming; a chronology of defining moments in the Hummerts' lives; and three sample programming schedules that give the reader a clear understanding of the Hummerts' involvement in radio producing.

Music Radio Jim Cox,2024-10-17 Long before the invention of talk radio, music was the heart and soul of radio programming--whether standing alone, filling in the time between features, or identifying to widespread audiences the shows coming on and signing off the air. Jim Cox's Music Radio encompasses the entire range of musical programming from the

early 1920s to the early 1960s. Jazz, country, classical, gospel, pop, big band, western, and semi-classical forms are covered, as are the vocalists, instrumentalists and disc jockeys who made them available to listeners. Virtually all the major series and artists are explored in depth, and lesser known shows and performers are touched on as well. Some of the series included are The Bing Crosby Show, The Chamber Music Society of Lower Basin Street, The Fred Waring Show, Grand Ole Opry, The Bell Telephone Hour, The Cities Service Concerts, Your Hit Parade, The Kate Smith Show, The Railroad Hour, and The Voice of Firestone.

From Radio to the Big Screen Hal Erickson,2014-05-23 There was a time when American popular entertainment referred only to radio and motion pictures. With the coming of talking pictures, Hollywood cashed in on the success of big-time network radio by bringing several of the public's favorite broadcast personalities and programs to the screen. The results, though occasionally successful, often proved conclusively that some things are better heard than seen. Concentrating primarily on radio's Golden Age (1926-1962), this lively history discusses the cinematic efforts of airwave stars Rudy Vallee, Amos 'n' Andy, Fred Allen, Joe Penner, Fibber McGee & Molly, Edgar Bergen, Lum & Abner, and many more. Also analyzed are the movie versions of such radio series as The Shadow, Dr. Christian and The Life of Riley. In addition, two recent films starring contemporary radio headliners Howard Stern and Garrison Keillor are given their due.

The Debt Collecting Merry-Go-Round Anthony Reeves,2011-05 As more and more people find it impossible to pay off debts and companies employ debt collectors, the incidences of unfair practices are rising, as many people simply do not know their rights when faced with bullying and intimidating agents whose only remit is to recover money. In many cases, threats are issued and the person on the receiving end doesn't know how to stand up to these tactics and assert their rights. This book spells out those rights in a very clear manner.

The Ultimate Guide to Vinyl and More Dave Thompson,2024-03-26 An in-depth and comprehensive guide to - and

history of – music collecting, *The Ultimate Guide to Vinyl and More* traces the hobby from its beginnings over a century ago. The book features informative and entertaining sections on every significant format in which recorded music has been released – and some that are now almost completely forgotten. Based on Dave Thompson's original Backbeat classic, *The Music Lover's Guide to Record Collecting*, this revamped, colorful, expanded edition takes readers from the early days of cylinders, 78s, and Edison records on through 45s, LPs, 8-tracks, cassettes, bootlegs, CDs, MiniDiscs, MP3s, LPs, and other formats. Landmark labels, collectable artists, specialist themes, and more are explored across a series of essays, while dozens of color images bring the most obscure corners of the hobby to life. Unlike other volumes that focus exclusively on vinyl, this book caters to the audiophile whose obsession for music welcomes all formats. Through it all, the joy and fascination of music collecting in all its guises comes alive.

Earline's Pink Party Elizabeth Findley Shores, 2017-04-18 In Earline's Pink Party Elizabeth Findley Shores sifts through her family's scattered artifacts to understand her grandmother's life in relation to the troubled racial history of Tuscaloosa, Alabama. A compelling, genre-bending page-turner, *Earline's Pink Party: The Social Rituals and Domestic Relics of a*

Southern Woman analyzes the life of a small-city matron in the Deep South. A combination of biography, material culture analysis, social history, and memoir, this volume offers a new way of thinking about white racism through Shores's conclusion that Earline's earliest childhood experiences determined her worldview. Set against a fully drawn background of geography and culture and studded with detailed investigations of social rituals (such as women's parties) and objects (such as books, handwritten recipes, and fabric scraps), Earline's Pink Party tells the story of an ordinary woman, the grandmother Shores never knew. Looking for more than the details and drama of bourgeois Southern life, however, the author digs into generations of family history to understand how Earline viewed the racial terror that surrounded her during the Jim Crow years in this fairly typical southern town. Shores seeks to narrow a gap in the scholarship of the American South, which has tended to marginalize and stereotype well-to-do white women who lived after Emancipation. Exploring her grandmother's home and its contents within the context of Tuscaloosa society and historical events, Shores evaluates the belief that women like Earline consciously engaged in performative rituals in order to sustain the "fantastical" view of the white nobility and the contented black underclass. With its engaging narrative, illustrations, and structure, this fascinating book should interest scholars of memory, class identity, and regional history, as well as sophisticated lay readers who enjoy Southern history, foodways, genealogy, and material culture.
