Las Parábulas de Jesús. Una Aplicacion Para Hoy Roberto Fricke,2005-11 The author presents an analysis of each one of the parables, taking into account the context in which Jesus presented the parable, then how it was understood and used by the people of that day, and finally, how we can follow its teachings within our own context. Dr. Fricke is a retired missionary who taught in Latin American seminaries for many years, and wrote this book in Spanish.

La virginidad perpetua de María Mariano Herranz Marco,2002-01-21 Las páginas de los evangelios y de las cartas de san Pablo que pueden contener afirmaciones o negaciones de la virginidad perpetua de María tienen una característica común: abundan en ellas las extrañezas o estridencias del griego; más que de textos oscuros se trata de textos claros gramaticalmente, pero incomprensibles en cuanto al sentido. El autor analiza en este libro todas estas páginas, obligado por las anomalías del griego a dilucidar extrañezas y oscuridades mediante la reconstrucción del original semítico. En el relato de la Anunciación a María de Lucas, este original era claramente hebreo; en el resto de los relatos la lengua original era el arameo. El autor, por tanto, no ha pretendido directamente demostrar que estas páginas se escribieron originalmente en hebreo o arameo, sino aclararlas, eliminar en ellas todo lo que choca con la más elemental lógica o con datos históricos de los que poseemos certeza por otras fuentes, convencido de que sólo por culpa de malas traducciones aparecieron en el griego que nos ha llegado las anomalías referidas. Pero de este modo, además de aclarar el privilegio de la virginidad perpetua de María, el autor saca a la luz datos preciosos sobre la vida de Jesús, de su Madre y de la Iglesia naciente.

Spanish - Applied New Testament Commentary Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy-to-read, down-to-earth commentary on the text of the New Testament. It can be used with any version of the Bible and includes: General Articles on important aspects of the Christian faith; An Introduction to each book of the New Testament; Word definitions; Clear explanations of Bible text; How to apply the Bible to everyday life. Dr. Tom Hale is an experienced medical missionary in Nepal, and his commentary is essentially a missionary's commentary. Although he has done his biblical homework, and he thinks theologically, he does not write from the ivory tower of academia. His concern is rather for the grass roots of newly planted churches. He is familiar with the problems they face and the questions they ask. He wrestles with the need for cross-cultural application. He is committed to

the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree. And his straightforward, easy-to-read style includes both a simple vocabulary and short sentences. Inevitably a one-man commentary will not please everybody. But he has struggled to rid himself of bias, so that there is very much here for all Bible students to learn, whatever their cultural or denominational background. In fact the Applied New Testament Commentary should help to promote mutual understanding, tolerance and respect among Christian people. John Stott All Souls, Langham Place, London

Parábola de las diez vírgenes Bode Todos Sabemos Que Jesús Enseñaba,2025-04-22 Todos sabemos que Jesús enseñaba muchas veces a sus discípulos a través de paráboas, es decir por medio de comparaciones.La parábola de las diez vírgenes es uno de los pasajes más conocidos, con un mensaje poderoso: diez doncellas que estaban esperando al novio.Cuando leemos la escritura en Mateo 25, dice que cinco de estas muchachas eran prudentes, y las otras cinco insensatas.El aceite simbolizaba el Espíritu de Dios por el cual la luz del testimonio podía mantenerse en la hora de la oscuridad.En esta parábola, las vírgenes representan a los miembros de la Iglesia, y el esposo representa a Cristo. Las vírgenes prudentes son aquellos que han recibido la verdad, ponen por obra la palabra de Dios, están llenos del Espíritu de Dios y siguen su guianza por eso no han sido engañados. Entendiendo que el aceite representa la presencia de Dios en nuestra vida. El Espíritu Santo de Dios es como el aceite que mantiene el fuego encendido en una lámpara. Solo una presencia sustancial de Dios en nuestra vida puede mantener el fuego ardiendo aún en las noches más oscuras. Tal persona que tiene el fuego del amor de Dios ardiendo en él, en el momento del regreso de Novio, entrará con Él a las bodas del Cordero. Una hermosa historia bíblica escrita en versos donde su autora Ariella Bode, recrea este pasaje a través de la décima y con imágenes a todo color de la antigua ciudad de Jerusalén y otras ilustraciones para colorear. Amados, esperamos que este precioso libro sea una herramienta de gran bendición para todos, especialmente para los más pequeños de casa. Recíbelo. Gocémonos y alegrémonos y démosle gloria; porque han llegado las bodas del Cordero, y su esposa se ha preparado. Y a ella se le ha concedido que se vista de lino fino, limpio y resplandeciente; porque el lino fino es las acciones justas de los santos. Apocalipsis 19:7-8 RVR1960
