Public Papers of the Presidents of the United States, William J. Clinton United States. President (1993-2001 : Clinton),1994

Treaties and Other International Agreements of the United States of America, 1776-1949: Philippines-United Arab Republic United States,1968

Public Papers of the Presidents of the United States, William J. Clinton: Jan. 20-July 31, 1993. bk. 2. Aug. 1-Dec. 31, 1993 United States. President (1993-2001 : Clinton),1994

Public Papers of the Presidents of the United States: Ronald Reagan, 1985 Reagan, Ronald,1988-01-01 Public Papers of the Presidents of the United States

International Security and the United States Paul Bellamy,Karl DeRouen Jr.,2007-12-30 Shaped by often very dramatic events, international security and the international system have changed significantly in recent years. The conclusion of the Cold War, the emergence of new political systems, the growth of significant threats such as terrorism, and the development of new security doctrines have driven global transformation. These volumes provide detailed information on countries from every geographic region and continent on the globe, evaluating their relationship with the United States and measuring the potential security threats posed by each. The contributors consider factors such as geography and history; the political systems of each state; their human rights records; the ability to maintain law and order and provide security within their own borders; the impact of current administrations, rulers, or regimes on a nation's foreign policy; and the regional factors that often dictate local politics, in order to make their assessments. All of the entries in this set follow a standardized outline and present a concise, but detailed assessment of each country. Each entry begins with a discussion of geography through which the contributors identify the state's natural resources, environmental issues, and the extent of its territorial jurisdiction. The focus then shifts to social and political organizations. Populations are broken down by not only numbers, but

by ethnic and religious affiliations, access to health care, education, housing, and income. All of those aspects are often a reflection of the system of government in place. Like the United States, those governments are comprised of different parties or leaders with various interests. The contributors assess those entities and interests within each country. They measure the ways in which factors of religion, nationalism, and globalism impact and shape not only domestic policies but also foreign policy, and, ultimately, the country's relationship to the United States. Other areas, such as military organizations and activities, records on human rights and justice (recognition of and adherence to international conventions), and national attitudes towards security are also considered. Every entry also includes an assessment of current and potential security issues and an analysis of current terrorist threats that may already be in place or that are beginning to develop in various nations. Each entry concludes with a summary of current relationships with the United States. Those relationships are defined by the identification and brief analysis of formal trade, aid, or military treaties in place between the United States and other nations, the general attitude of a nation's citizenry and its government towards the U.S., and, finally, identifying any social and cultural links between nations and the U.S. (migration patterns, language, economies). Finally, possible changes and trends that will impact security issues are identified by the contributors. Taken in their entirety, these encyclopedias contain a wealth of information in a concise format that will serve as a valuable reference guide not only for specialists, but general readers as well.

The Department of State Bulletin, 1988 The official monthly record of United States foreign policy.

Foreign Relations of the United States, 1951: Europe, 1977

Public Papers of the Presidents of the United States, Barack Obama United States. President (2009-2017 : Obama), 2010

Public Papers of the Presidents of the United States, William J. Clinton, 1994, Book 1, January 1 to July 31 1994, 1995-08
Contains public messages and statements of the President of the United States released by the White House from January 1 to June 30, 2002.

Public Papers of the Presidents of the United States: January 20 to June 30, 2009 United States. President (2009-2017 : Obama), 2010

Papers relating to the foreign relations of the United States, 1902

Public Papers of the Presidents of the United States: Barack Obama, 2009, Book 1, 2011-04-28 Each Public Papers volume contains the papers and speeches of the President of the United States issued by the Office of the Press Secretary during the specified time period. The material is presented in chronological order, and the dates shown in the headings are the dates of the documents or events. In instances when the release date differs from the date of the document itself, that fact is shown in the text note. The appendixes in each Public Papers volume provide listings of a digest of the President's daily schedule and meetings, when announced, and other items of general interest issued by the Office of the Press Secretary;

The President's nominations submitted to the Senate; A checklist of materials released by the Office of the Press Secretary that are not printed full-text in the book; and a table of Proclamations, Executive orders, and other Presidential documents released by the Office of the Press Secretary and published in the Federal Register.

Inquiry Into Operations of the United States Air Services United States. Congress. House. Select Committee of Inquiry into Operations of the United States Air Services,1925

Public Papers of the Presidents of the United States: Jimmy Carter United States. President (1977-1981 : Carter),1979

Index to United States Documents Relating to Foreign Affairs, 1828-1861 Adelaide Rosalia Hasse,1921

Foreign Relations of the United States 1964-1968 United States. Department of State,1992

Foreign Relations of the United States, 1964-1968 James E. Miller,David S. Patterson,2002-08 Major topics covered in this volume include: 1) U.S. efforts to maintain the cohesion of the NATO alliance by avoiding outbreaks of violence on Cyprus that would provoke clashes between Greece and Turkey; 2) attempts of U.S. policymakers to devise a compromise solution for Cyprus that would meet the requirements of its major regional partners; 3) a growing U.S. involvement in Greece's internal politics as a result of a major constitutional crisis between political forces led by George and Andreas Papandreou on one side and a conservative coalition under the leadership of King Constantine II on the other; and 4) the U.S. reaction to the Greek military coup of April 1967 and imposition of a dictatorship in Greece. Coverage of bilateral U.S.-Turkish relations focuses on the Cyprus issue--Overview.
